

F. NEFF REMOVED TO ST. CATHARINES

He Was Very Prominent in Church and Social Affairs in Athens.

Athens, Oct. 5.—Announcement is made that E. F. Neff, B.S.A., district representative of agriculture here for the last five years, is to be transferred to St. Catharines in the course of three weeks or so, his place here to be taken by Mr. Knight. It is understood that during their residence here Mr. and Mrs. Neff have identified themselves with church and community work, and they will be greatly missed, particularly in the choir of the United Church, the Young People's Society, and Tuxis Boys' work, as well as the Horticultural Society, Women's Institute, and other activities. Their three young sons and little daughter, too, have made their friends, and all will be loath to part with this estimable family.

Circulars have been sent out by the secretary of the Horticultural Society, Mrs. W. D. Thomas, announcing a free lecture to be given on Thursday evening of this week, in the Women's Institute rooms, by H. J. Moore, Toronto.

C. E. Johnston, Brockville, is opening a branch store here, in the parish block, and will carry a complete line of house furnishings. A decorative sign, the work of our local artist, C. C. Slack, adorns the front of the building. D. L. Johnston.

Well Known Writer and Newspaper Man Regains His Vigor

Believes He Has Found Real Fountain of Youth.

In connection with recent press articles on the defeat of old age, comes this additional report from a prominent newspaper man. "It has simply been wonderful! My eyesight is clearer, and my muscles feel supple. I walk with a firm, springy step and can do a real day's work. I am enjoying what seems to be a genuine restoration of strength, activity and feel nearly as ambitious as in my younger days—believe I have found the real fountain of youth."

The writer says this feeling of new health and youthful restoration came as a result of less than 30 days use of Double Strength Erbac in tablet form. Many, many others—young and old—make similar reports of their experience with this remarkable compound in cases of nervous weakness, chronic fatigue, sleeplessness, despondency and the lack of former ambition and confidence.

For the benefit of men and women in this locality, who have never had a chance to try Double Strength Erbac, Jas. B. McLeod has been furnished with the regular 15 day treatments to supply to all who wish to try it on a no risk basis. Results, in all instances must be completely satisfactory or the cost of Erbac will be promptly refunded.

NOTE: Double Strength Erbac is a special formula, particularly designed for the use of those near or past middle life—do not confuse it with ordinary tonics.

A Celestial from the county town was here recently, looking over the town with a view to establishing a laundry here. A band of gypsies have been encamped at Wight's Corners, and some of the women paid a visit to our town, going from house to house selling lace. On Sabbath evening he was present at the local church of his denomination, and assisted in the closing of the service.

Rev. H. E. Warren, M.A., B.D., and Mrs. Warren, also Miss Belle Wilkie left on Monday morning for Toronto, to attend the Dominion and World Service Conference being held in that city this week. The first regular meeting of the Young People's Society was held last night, with Herbert Warren in the chair, a good programme being provided. The orchestra, of two violins and cornet with piano accompaniment, added much to the musical part of the meeting. Rev. George Mattheson's hymn, "O, Love that will not let me go," in a beautiful setting, was pleasingly rendered by Miss Eleanor Young, and Murray Curtis contributed a piano solo.

Two readings were rendered, one by Miss Grace Conlin, the other by Herbert Hollingsworth. Two new books are to be studied this year by the young people, one entitled, "The Larger Fellowship," which was introduced by Mrs. E. F. Neff, who dealt with the first chapter, "What is the church?" The other book, "New Days in Old India" was introduced by Mrs. William Earl, who traced mission work in Central India, showing great progress in civilization, education and religion since the advent of the missionaries. The Scripture lesson was taken by Gordon Ireland, high school student, who read the account of the interview of Nicodemus. If Monday night's meeting be an index of those to be held during the winter, we foresee a year of helpfulness and service.

William Yates and son, Marlon Yates, jr., Andover, Mass., are here on a visit, to relatives and friends. Mrs. Elizabeth Coad, Frankville, is here on a visit to her cousin, Mrs. Ida Soper, Central street. C. Charles Yates, Westport, came down on Monday evening for a brief visit at his Athenian home, as he had not been here for the past month, owing to business affairs. As his mother, Mrs. Cynthia Yates, is not enjoying good health, he was anxious to see her also.

The death occurred in Syracuse, N.Y., recently of Mr. H. B. Demarest, who will be remembered by many Gananoquians, having spent some time here at different periods in the spring department of the Ontario Steel Products Company, and known as one of the best spring makers in the country.

Stomach Trouble Gone, Bakes 40 Pies

"I was a nervous wreck with stomach trouble. Had dizzy spells and could scarcely walk. I began taking Adlerika, and now I run a restaurant and bake 40 pies a day. When my friends ask how I do it, I tell them about Adlerika."—Mrs. L. Amrol.

Adlerika differs from most medicines because it acts upon BOTH upper and lower bowel. It gives the system a REAL cleansing, and clears out old poisons which usually cause sour, gassy stomach, nervousness, sleeplessness, headache. Just ONE spoonful stops GAS, and relieves that full, bloated feeling so that you can eat better and sleep better. Even if bowels move daily, Adlerika brings out much additional poison which you never guessed was in your system and which may have long caused trouble. No matter what you have tried for stomach and bowels, Adlerika will surprise you. In Kingston at T. H. Sargent and other druggists.

Adlerika is a powerful purgative, and is the only one that cleanses the system without causing any discomfort. It is the only one that gives you a REAL feeling of relief. It is the only one that is safe for the most delicate constitutions. It is the only one that is guaranteed to give you a REAL feeling of relief.
