ATHENS EVENTS OF A WEEK RECORDED

A Splendid Sunday School Orchestra—Loss Sustained by David Dack.

Athens, Nov. 1.—Perhaps it may not be known that we have the nucleus of a splendid orchestra, right here in our midst, and on Sunday the Sunday school of the United Church listened with pleasure to several selections of sacred music rendered most creditably, the following contributing of their talent: Murray Curtis (piano), Ernest Johnston (trombone), Hollace Cross (cornet), Seymour Warren (saxophone), Herbert Warren (violin), and Mrs. E. F. Neff (violin). It is lamentable that the last named member will not be able to again appear in this capacity, as the family left on Thursday of this week for St. Catharines, where Mr. Neff assumes the work of District Representative of Agriculture. His successor, Mr. Knight, formerly of Lindsay, will locate here, in the course of a few days.

The bazaar, held last Thursday in the Institute rooms of the town hall by the ladies of the Ladies' Aid of the United Church, was a decided success.

An interdenominational Sunday school rally was held in the United Church yesterday afternoon, under the auspices of the local branch of the Women's Christian Union.

The major part of John Eaton's Victoria street residence has been moved to its adjoining lot, at the corner of Victoria and church streets, where it is to be repaired and improved. The north wing of the building has remained in its customary location, having been purchased some time ago by Mrs. Hober Pierce, who will have it repaired, and will continue to occupy it.

Workmen are altering the drainage system at the Donovan house, corner of Elgin and Central streets. Miss Adna Hunt has closed her Victoria street home for the winter months, and has gone to spend some time in New York, as is her custom.

Allan Barrington, who has been employed in Syracuse, N.Y., for some time past, has returned to his Athenian home.

Mrs. Ruth Riley, aged ninety-four, who sustained an injured hip in a recent fall, has been moved to the Church street home of her niece, the Misses Wilts, where she is receiving careful nursing.

Mrs. David Kavanagh sustained a nasty fall one day last week, and received a bad shaking-up.

Mrs. Henry Maud, Elgin street, is very ill, and has been removed to the home of her daughter, Mrs. Manford Webster, Oak Leaf. Lester Brown, Wilts street, is quite ill. Hiccoughs were the initial symptom of his illness.

Mrs. H. E. Warren had the misfortune to sprain her ankle, a few days ago. Little Donald, we son of David Thompson, Wellington street, is quite ill.

Mrs. Walter Taber was called to Belleville early this week by the death of her sister-in-law, Mrs. Anglin.

In a letter received a few days ago by Florence Sheldon from his daughter, Miss Mary, Oregon, she stated that the flowers—roses and other varieties—were still in bloom.

T. R. Beale has been spending the week in Toronto. He returned on Friday. Rev. H. E. Warren spent a few days in the Capital, recently. Miss Jessie Hawkins and brother, Milton, spent the week-end at Morton, guests of their sister, Mrs. Johnston.

Several Athenians went to Brockville, on Friday last, to attend the Conservative convention. James Thompson and family, Toronto, are guests of his brother, Joseph Thompson. Hubert Topping has returned to Toronto, following a fortnight's visit with his parents, Mr. and Mrs. Mort Topping, Henry street.

Mrs. (Dr.) Giles Brown, Lyn, was here last week, a guest of her sister, Mrs. Omer Dack.

Mr. and Mrs. Albert Scott, the bride and groom of last week, were here on a brief visit to friends, before leaving for Detroit, where they will reside.

N. G. Scott and C. F. Yates, Westport, were in town for a day this week, visiting their families here.

Mrs. Martha Lyons and son, Wilmer, New Boyne, former Athenians, were renewing acquaintances here last week.

Much sympathy is felt for a former citizen, David Dack, Sheldon's Corners, who sustained the loss of his barn and contents by fire, a night or two ago. His horse, too, met its death in the flames, which were of unknown origin.

TO PERFECT ORGANIZATION.

The Temperance People Are Preparing for Active Work.
Friday Station, Oct. 30.—A meeting was held in Woodburn church, on Wednesday night, to organize temperance workers for the coming election. The Ladies' Aid and W.M.S. of Sand Hill church met at the home of Mrs. E. Donaldson's. There was a good attendance. The ladies purpose having a sale and tea and concert in the basement of the church next month.

Mrs. J. Carey, Mrs. Corcoran and Mrs. R. Johnston assisted the hostess in serving lunch. Robert Donaldson has moved into his new home purchased recently from Mrs. Joyce, Joyceville.

Miss V. Truesdell, Kingston, visited Miss Eva Campbell, Thomas Lennox and party, Iroquois, were recent visitors at Anderson Johnston's.

DO You Spend EXACTLY What You Earn EVERY Month?

NOT dollars—of course you don't. But what about your physical gains or losses? Are you riding your work or is your work riding you? Do you wake up refreshed or jaded? Are meal-time doses of tea and coffee causing irritability, less sleep, more indigestion—turning your health account into a steady loss?

Tannin and caffeine found in tea and coffee are artificial stimulants which excite the nerves. With you these agents may work fast or slow, yet sooner or later their poisonous effects are certain, sure!

Drink Instant Postum—a rich, full-bodied beverage. An appetizing, satisfying hot drink for every member of the family every meal of the day. Not a taut nerve, sleepless hour or headache in it, because Postum is free from all drug-stimulants. Instantly made in the cup at a cost of about half-a-cent. For those who prefer it there is Postum Cereal, made by boiling or percolating twenty minutes. Get Postum at all grocers, restaurants or on the train. Read Carrie Blanchard's generous offer. Mail the coupon—today.

You know how many children do not like the taste of milk. You know how they like to have the same drink as the "grown-ups." You know, too, how good it is for them to have a hot drink! Make Instant Postum for them, using hot milk (not boiled) instead of boiling water. They'll like the taste immediately! And they will get the food value of the wheat, plus the nourishment of milk, in a hot drink that is economical and so easy to make.

Carrie Blanchard's Offer
"I want you to try Postum for thirty days. I want to start you out on your best by giving you your first week's supply."
"It seems to me that it would be a wise plan for mothers, particularly, to think of this test in connection with the health of their families."
"Will you send me your name and address? Tell me which kind you prefer—Instant Postum or Postum Cereal (the kind you like). I'll see that you get the first week's supply right away."

CANADIAN POSTUM CEREAL CO. LIMITED, 610 45 FRONT ST. EAST, TORONTO 1, ONT.
I want to make a thirty-day test of Postum. Please send me, without cost or obligation, one week's supply of INSTANT POSTUM or POSTUM CEREAL. Check which you prefer.
