ATHENS CREAMERY GOES UP IN FLAMES

Poultry House, Fifty Hens and a Dog Were Also Burned.
Athens, Nov. 9.—Again has the fire-fiend been busy in our midst, and, on Saturday evening last, perpetrated an infernal prank reducing to a heap of smouldering debris, the splendid creamery just east of the village.

At about 8.30 p.m. the clamorous fire alarm announced the discovery of the conflagration, and presently the lurid gleam on the evening sky indicated to all, over a wide area, the location of the blaze. Soon, numbers from town and countryside congregated to witness the woful waste, and render what assistance they could, as the proprietor, William Wright, and his family had gone to Brockville at about 6 p.m., leaving everything apparently in good condition.

Since the purchase of this property, a few years ago, the owner has made alterations and improvements, until now it was one of the best equipped creameries in Eastern Ontario.

In addition to the loss of the building and machinery, it is said that a number of cheese and a quantity of butter were consumed, together with an adjacent poultry house and some fifty hens, also an Airdale dog. The dwelling, about three rods distant, was in imminent danger, but the wind, blowing in a favorable quarter, carried the flames in another direction, while the garage was saved only by the heroic efforts of the voluntary fire-fighters.

For many years the late Horace Brown conducted this business as a cheese factory, and later Richard Henderson, now of Moose Jaw, Sask., was proprietor for many years, disposing of it to his cousin, James Henderson, now of Kempville, who sold it, a few years ago, to the present owner of the premises, William Wright, for whom much sympathy is expressed as he is a general favorite throughout the entire community.

Corns Removed By Foot Bath

Take a minute night and morning to apply Putnam's Corn Extractor. Follow later by a hot foot bath, and off drops the corn or callous. Putnam's Painless Corn Extractor brings that glorious feeling—it stops the pain with the first application. Costs little. You will find it absolute perfection. See if this is not so. Take only "Putnam's." Sold by all druggists.

Quickly Relieved by Tanlac

Mother of 7 Children Gets Back Former Vitality and Vigor. Recommends Tanlac to Anyone.

M. M. E. H. Scott, 7 Levesque Street, Montreal, recently said: "For three years my condition was such that I had no desire to even do the ordinary household duties. I was troubled with indigestion. Everything I ate formed a lump in my stomach and at times I was unable to hold my food down, and would have headaches that lasted for hours. My nerves were bad and noises would nearly drive me out of my head. "I consulted a doctor who gave me some medicine which afforded only temporary relief until I was advised by a friend about Tanlac. "I began taking it and after two bottles noticed a great change in my condition. I can now enjoy my meals and work without any ill effects and the pains in my stomach are gone. I am my old self again and recommend Tanlac to anyone." Tanlac, nature's own remedy made from roots, barks and herbs, is sold by your druggist.

IF BACK HURTS FLUSH KIDNEYS

Drink Plenty Water and Take Glass of Salts Before Breakfast Occasionally.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

Makes Hair Behave But Doesn't SHOW!

There's a way to keep your hair just so, without any of that objectionable, "plastered-down" look. Just use a few drops of Danderine—comb it through hair, or use a Danderine-dampened towel—you'll be amazed at the way your hair then behaves, and its beautiful lustre! Any permanent wave or water wave lasts much longer and looks much nicer when Danderine is used instead of water to "set" the wave.

Of course, you know what Danderine does to dandruff! Dissolves every bit of it. Puts scalp in the pink of condition. Invigorates hair and hair-roots. Why use anything else?

Ask Your Druggist

Get a bottle of Danderine and start its benefits to-day. Every druggist has it, for only 25c. For the finest dressing you could find, and the best aid to hair health yet discovered, just try—

Danderine GANANOQUE

Gananoque, Nov. 9.—On Saturday afternoon, the home of Mrs. Delmar Ferguson, R.R. No. 2, Gananoque, was the scene of a very pretty autumn wedding when the Rev. G. L. Cross united in marriage her step-daughter, Miss Grace Stafford, and Stuart Kelsey, cheesemaker, Sand Bay. The bride looked very lovely in a gown of sandalwood crepe satin and wearing a corsage bouquet of carnations. The wedding march was played by her mother. After the ceremony a dainty lunch was served after which the happy couple left for western points on their honeymoon, the bride travelling in a rosewood coach, fur trimmed, with hat to match. On Wednesday there will be a reception at the home of the bride's mother.

Redvers Thompson and Bruce Mahee attending the O.A.C. College, Guelph, are home for the holidays. Miss Mildred Jackson attending "Varsity" was home for the holiday with her parents, J. Arthur and Mrs. Jackson.

Mrs. George Dowsley is spending a few days with friends in Kingston. Mr. and Mrs. H. A. York and Jack Beatty motored to Montreal and other eastern points, on Thursday last, and saw the game in Montreal on Saturday.

Dr. and Mrs. Mabey who have been spending the past few weeks at their farm in Simcoe county returned home on Friday. Clayton Walker, of the School of Pharmacy, Toronto, spent a couple of days in town this week. He is spending the holidays at his home in Sydenham.

Mr. and Mrs. James Kane and children, Kingston, spent Sunday in town with Mr. and Mrs. Conboy.

CRIME COMMISSION.

Members From New York State to Visit Kingston.

The Crime Commission of New York State is to visit the penitentiary on Wednesday. The commission was created by the state legislature, and is headed by Senator-Caleb H. Baumes, Newburgh, N.Y. Its purpose is to follow up, on a broad scale, the work of the Baumes legislative committee, whose recommendations were largely adopted by the legislature at its 1925 session. The members who will visit Kingston are: Senators Caleb H. Baumes, Newburgh, chairman; John Knight, temporary president of the senate; Arcade, B. Roger Wales, Binghamton.

Assemblymen Joseph A. McGinnis, Ropley, speaker of the assembly; Burton D. Esmond, Ballston Spa, and Walter Gedney, Nyack. Col. George Fletcher Chandler, Kingston, formerly head of the state police of New York state; Thomas S. Rice, Brooklyn; David S. Taylor, Buffalo; William Lewis Butler, and Jane M. Hoey, New York. Hon. W. F. Nickle, K.C., has been asked to attend the hearing at Toronto.

To Do Stook Threshing.

Kilmarnock, Nov. 4.—A number of farmers have fields of buckwheat in stook waiting for convenient weather to stook thresh. Miss Ines Huffmann, Sharbot Lake, has returned home after two weeks visit with her cousin, Miss Mandy Hawley. Robert Hawley and William Huffmann, of Sharbot-Lake, My, and Mrs. Charles Huffman, Perth, at Mr. John Hawley's, on Sunday. Mr. and Mrs. F. H. Warren and family spent Sunday at Easton's Corners, guests of Evans Warren. Frank Tallman furnished electricity for the moving picture in Vanlueven's school, Wednesday evening. A number from here are attending the dry convention at Spencerville to-day.

Three homes in Stamford were entered by burglars and sixteen Dominion bank shares, nine Victory bonds, watches, jewelry and cash taken. The body of William Manser, Woodstock, commercial traveller, missing, was found in the Thames River. A clear case of suicide.

QUEEN'S GRADUATES WON RUGBY GAME

Defeated Intercollegiate Team in Exhibition Monday by 12 to 0.

Queen's Old Boys laid on the brush to the present day team and handed them a 12-0 shutout in the exhibition game staged yesterday in connection with the Queen's University Old Boys' celebration this week. The "veterans" were the team of superiority almost throughout the game and only when "Irish" Monohan began to rip things up did the Old Boys have to step off the top rung. The Old Boys' half-time, consisting of Harding and Leadley, Camp Borden and Tigers respectively, were too much for Queen's and much of the credit for the result belongs to them. Leadley booted beautifully and gave the crowd thrills by his daring returns and a field goal.

The Old Boys, while they showed the effects of not being together made a remarkable showing and they had a team that, with practice, could step with any team playing football to-day. They pulled off a few trick plays that had the present day players up the proverbial tree and they tackled like fiends. "Smoot" Veale, who has been doing regular duty with Tigers at outside wing, "Bud" Thomas and "Stew" McInnes were in the thick of the tackling and the other members of the team did their end of the work.

The Old Boys team had the old fighting spirit all the time and when they tired, fresh reserves were rushed in to relieve the situation. "Doc" Campbell at flying wing, Dr. John Evans at quarter, "Unk" Muirhead and "Red" McKelvey were in the thick of it most of the time and generally were relieved together. Jack Bond exhibited some great stuff on the half-line while "Tiny" Adams, Bert Alth, Jimmy Saylor, Aron Carson, Eddie Dolan, Drew Burns and Shaw contributed noble work. Dr. Johnny handled his team with the same grace and charm that marked him as of yore and he was relieved by the ever alert Eddie Dolan, who assumed the duties of quarter-back with the ability of even Richard Dix. The "veteran" team played like present day champions and might have made the score anything they pleased to make it, had the timers given them even more chance than they did.

Queen's present day team was minus the services of "Snag" Skelton and Carl Voss, the latter suffering from an injury received at the game in Montreal on Saturday. It was a good game of football, plenty of spectacular work being exhibited and there was also plenty of amusing situations that did not escape the crowd. The Old Boys were handled from the bench by T. A. McGinnis, who showed rare judgment and foresight.

The Old Boys ripped through Queen's line at the start and made them like it. Leadley's beautiful long kick was dropped by Batstone and he recovered the ball to drop on it for a rouge.

Queen's lost 15 yards when nobody seemed to know where the ball was to go. Batstone kicked to Leadley who returned the ball from his own 45-yard line over Chantler's head. The ball rolled over the line and Chantler was roused.

Old Boys held Queen's at centre and secured the ball and Leadley booted to Queen's 10-yard line. Batstone kicked but Leadley returned to the same place again. An exchange gave the Old Boys the ball twenty-five yards out and from there Leadley put over a beautiful field goal. Queen's 0, Old Boys 5.

Queen's began to open up the play and on a series of passes in which Batstone, Chantler and Britton in turn handled the ball, made a great gain but the first one from Batstone to Chantler was a forward pass, which the officials either missed or let slide. The Old Boys were not to be outdone, however, and a Leadley to Harding run brought the stands to their feet again. But again the present day team worked it. Batstone taking a pass from Chantler to make a gain of 40 yards.

There was plenty of lively football going and end runs were featured by both teams. After a run of 40 yards on a pass from Harding to Leadley, Leadley tried a field goal from 35 yards out but the ball went into the scrimmage and Queen's secured.

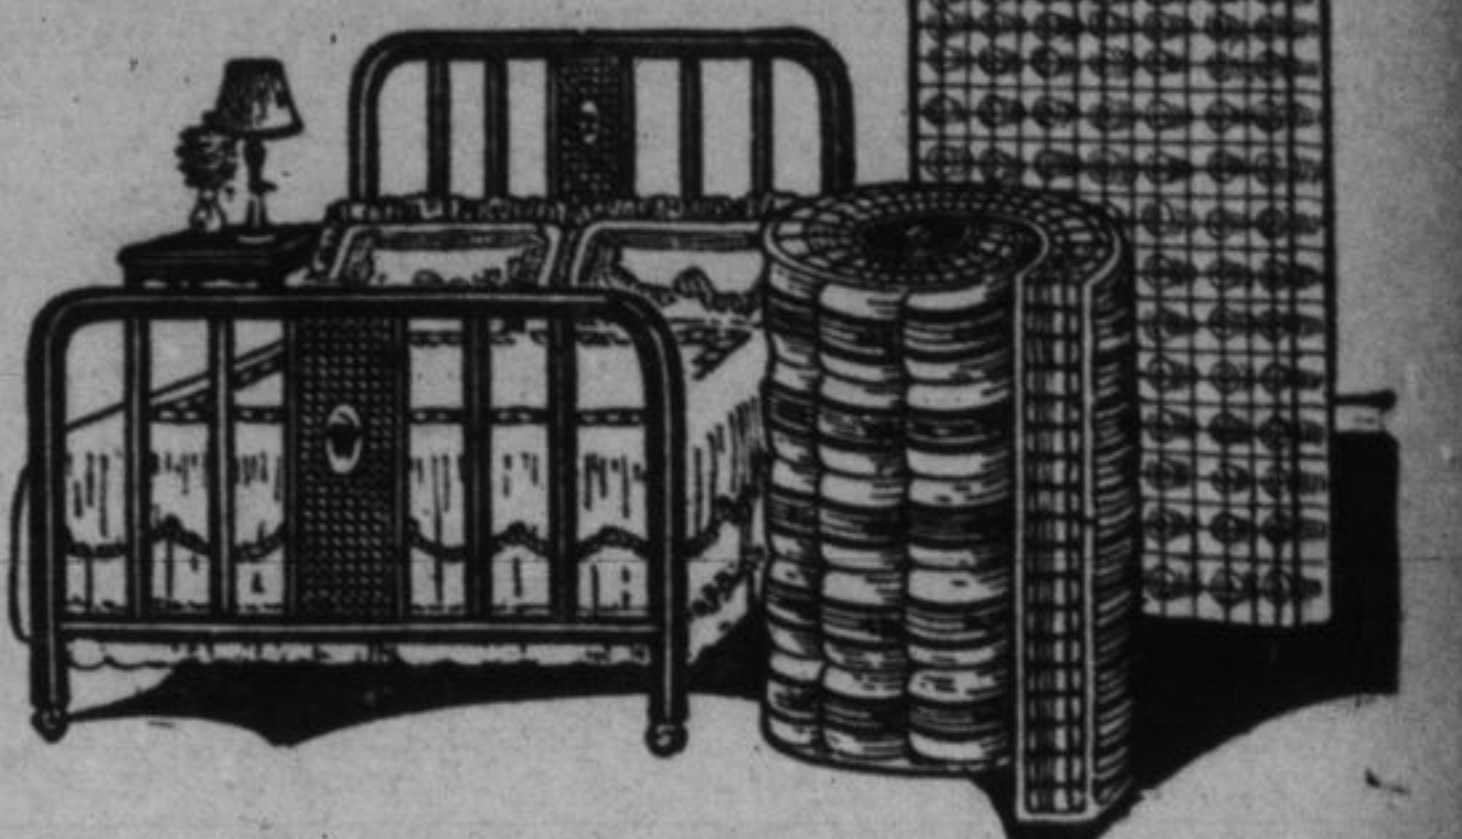

Leadley kept up his practice of returning Batstone's kicks and did some great work. Chantler and Batstone worked well for good gains and in the meantime Monohan steamed through the line for good gains. Condition was telling on the Old Boys and for a while they weakened. Leadley kicked to Batstone on the line and the latter returned to Johnny Evans, who stood waiting for the ball.

A fumble by Batstone gave the Old Boys the ball at midfield and Leadley kicked to Chantler who was grassed for a safety touch. Old Boys 7, Queen's 0.

A fumble by Harding gave Queen's the ball at Old Boys' 40-yard line but the latter were stopped. On the exchange Old Boys began to rip things and smashed through Queen's line for good gains. Leadley punted to Batstone and the latter tried an inside on the first down. Leadley secured the ball, ran a short distance across field and kicked. The ball rolled along the ground and in the fumble, "Red" McKelvey picked up the ball and went over for a try just as the final whistle sounded. Final, Old Boys 12, Queen's 0. Old Boys—Flying wing, Camp-

JAMES REID
THE HOME OF PURE BEDDING

bell; halves, Leadley, Harding, Moore and Jim Thompson. The time was 15 mins. 2-5 secs. The finish of Moore and Thompson for third place was especially keen, the race finishing with a sprint.

The Hoag Shield, which is offered for the three-mile race, was won by "Joek" Kent who came in almost "neck and neck" with Cyril Darling. R. Darling and George Ashby finished third and fourth. The time was 17 mins. 4-2-5 secs. E. Allen who entered the three-mile sprinted his ankle and could not finish the race. The timers were, James Bews, Frank Treener and J. Honsberger.

ROAD RACES WERE HELD ON MONDAY

Stagg Shield Won by Brown and Hoag Shield by Kent.

A great deal of interest was shown in the Y.M.C.A. road races which were run off on Thanksgiving Day. Only four boys were entered in the two-mile and five in the three-mile race. Enough entries could not be secured for the five-mile therefore it was not run. The two-mile race for which the Stagg Shield is offered resulted as follows: Stuart Brown, V. Sherbino, S. Bond; quarter, Evans; snap, Saylor; insides, Muirhead, Adams; middles, McKelvey, Alth; outsides, Veale, Thomas; subs, Carson, McInnes, Dolan, Drew, Burns, Shaw, Ada.

ALL TIED UP.

Varsity Stadium, Toronto, Nov. 9.—Varsity's English rugby team defeated McGill here Saturday afternoon, 8 to 5, and evened the round in games and points. The contest was featured by the work of the Varsity three-quarters, Battye and Wallace, in particular, the former running 30 yards for the winning points after McGill had taken the lead in the second half on a try by Noble, which Graham converted. Varsity got an unconverted try in the first half when Ramsay's kick was blocked near his own line.

Certain natives of Australia put hobnails in the skin of the soles of their feet.

CHILDREN CRY FOR
Fletcher's CASTORIA
The Young Mother.
The ills of infants and children should be so well known to the youngest of mothers that a reminder or a repetition of the symptoms of illness seems unnecessary, yet there are some mothers who overlook a feverish condition, a little colic, or a disposition to be irritable. If not corrected they may lead to serious sickness. And to correct them, to bring Baby back to its happy self, is so easy by the use of Castoria—a medicine prepared just for infants and children. It will regulate the bowels (not force them), aid digestion and so bring quiet and rest.
Fletcher's Castoria has been doing this for over 30 years; regulating the stomach and bowels of infants and children. It has replaced the nauseating Castor Oil, so-called Soothing Syrup, poisonous Paregoric and other vicious concoctions in the homes of true and honest mothers—mothers who love their children.
Those mothers will give their babies foods and medicines especially prepared for infants and children.
To avoid imitations always look for the signature of *Dr. J. C. Fletcher*. Proven directions on each package. Physicians everywhere recommend it.
