 What the Press Agents Say About Coming Attractions
AT THE CAPITOL.
 "The Great Deception," a Hit—Thrilling Story.
 A great deal of the interest which local theatregoers will find in "The Great Deception," which is at the Capitol theatre to-night will centre in the fact that Ben Lyons is the leading man in the cast.
 Mr. Lyons has been attracting an unusual amount of attention during the past few months. No actor has had a more rapid rise toward the cherished goal of stardom and for few actors or actresses is the future more rosy.
 In "The Great Deception," Mr. Lyons has a particularly heroic role. He is cast as a young Englishman who chooses to serve his country during the World War in the capacity of a member of the British Secret Service. A final close call, during which he escapes from behind the German lines amidst a storm of bullets from anti-aircraft guns, provides the big climax of the photograph.

GREAT FIGHT ON SATURDAY

Queen's Must Win—Great Crowd Will See Important F.H.L.

With Varsity resting at the top of the heap and McGill running a close second, and Queen's with a chance to tie up the Intercollegiate, tremendous interest is being shown in next Saturday's big struggle at the Stadium on the occasion of the visit of the Blue and White. The fact that Queen's must defeat Varsity here to have a chance in the Intercollegiate, changes the complexion of the Union from the situation of the past four years and adds an unusual interest, excitement and importance to the contest.

By winning here on Saturday the Blue and White will win the Intercollegiate title for this year, but a win for Queen's will make a three-cornered tie, something new for the Intercollegiate Union. This, of course, will mean a playoff in the Intercollegiate between the three teams to decide the title.

At the present time the standing in the series is as follows:

Varsity	Won	Lost	F. A.	
Varsity	2	1	25	17
McGill	2	2	25	40
Queen's	1	2	31	24

Every indication is that the largest crowd to witness a rugby match in Kingston will jam the stadium to the doors on Saturday for the titanic struggle. Reports from Toronto, Ottawa, Montreal and Hamilton are to the effect that special trains will be run here and the student body of the University of Toronto, the band and all the trimmings will be along for this great game.
 Varsity has always played its best football against Queen's, right in Kingston, and the Tricolor expect their worst time of the season. Coach Hughes will drive his men hard this week in preparation for the big struggle and he will receive the assistance of several graduates here for the Reunion.

QUEEN'S ASSAULT SLATED TO-NIGHT

Programme Arranged for Old Boys and Citizens in Grant Hall.

To-night in Grant Hall the Queen's assault team will perform for the visiting graduates and the people of Kingston. Mr. James Bews, the popular physical director, has arranged a most attractive programme and there will be a great assortment of boxing, wrestling and fencing events.
 Amongst the boxers, two welterweights, Ed. Goodman and Max Fell, will, no doubt, furnish some real action. Chambers and Honsberger will be on the programme for a wrestling bout that gives promise of being something well worth while seeing. Chambers is a Kingston boy and he wrestled the Queen's ace three times last year. Neither man has as yet received a decision. Maybe and Robinson will provide the followers of the fencing game with plenty of speed and skill.
 The following is the programme for the evening:
 Boxing—115 pounds, Bartels vs. Jack; 135 pounds, C. Barthe vs. Murray; 145 pounds, Goodham vs. Max Fell; 155 pounds, Grant vs. Pitts; 140 pounds, Nale vs. Ellis.
 Fencing—Maybee vs. Robinson; Start vs. Cohen.
 Wrestling—Koteladze vs. Davis; Barrett vs. Eamons; Honsberger vs. Chambers; Ide vs. Roy; Craighead vs. Connell; Inman vs. Hall; Stoddard vs. Walbridge.

Loyola College and R.M.C. Teams Meet

Loyola College, Montreal, with its powerful intermediate team, will be represented at the George Richardson Memorial Stadium to-morrow afternoon against R.M.C. in an intercollegiate intermediate semi-final game. By virtue of winning the round against Queen's, R.M.C. qualified to meet the speedy Montreal team and the first game has been billed for here.
 The Loyola team are a fast and tricky bunch of rugby players, considered the fastest intermediate team in the province of Quebec. Tomorrow's game has attracted a great deal of attention and there is every indication that there will be a bumper crowd on hand.

KING BOOHOO WAS SECRETED AWAY

McGill Students Captured Queen's Mascot and Took Him up in Mountain.

Queen's bear mascot was in attendance at Monday's Old Boys-Queen's game still suffering from the effects of the red and white paintings administered by McGill students on Friday night at Montreal. The McGill students snatched the bear on Friday night and kept it away from the game on Saturday afternoon.
 Dark deeds were afoot as early as Friday midnight. Some enthusiastic

red and white supporters, returning from the game, were seen to be carrying a mascot chained near the field house at the Stadium, where Coach Bill Hughes of Queen's had asked permission to leave it. A call for reinforcements was sent out and, in a flash, was answered, students pouring out of nearby fraternity houses and other student quarters bent on seeing Queen's chief mascot.
 The bear was untied and painted a brilliant hue of red and white, and was paraded about the city streets. Fearing if it was hidden too close to the Stadium it might be secured by Queen's rooters in time for the game, the mascot was taken back into the mountain, and was safely hidden—so safely, in fact, that it did not appear at the game.

HARRIER MEET ADVANCED.

The Intercollegiate Harrier meet, scheduled for here on Saturday has been moved forward to Friday on account of the Varsity-Queen's game at the stadium.

McGILL BAND MISSED OUT.

There was one thing the McGill Band forgot to tune up on at the McGill-Queen's game at the Molson Stadium on Saturday. No one heard that well-known piece, "The Bear Went Over the Mountain."

LEADLEY STARRED AS TIGERS WON

Former Queen's Star Put Over Four Field Goals.

Hamilton, Nov. 9.—With Frank ("Peg") Leadley as the assisting artist, Tigers entertained and satisfied some forty-five hundred football fans on Saturday afternoon, when they drubbed Argos by 21 to 5. Tigers did not look like a second-place team. Their backs displayed oodles of speed and tricky plays, while the line was all over Argos, and aside from the first 15 minutes of play, when the Argos had a strong wind at their backs and Tigers on the defensive, the losers were never in the picture. While every member of the squad played an important part in the lopsided victory, Leadley was most outstanding in that he kicked four field goals and accounted for 12 of the 21 points. None was from a difficult angle, but the grace and confidence he showed in every attempt stamped him as the best drop kicker in the Canadian game to-day.

Varsity Defeated The Senators 12-10

Ottawa, Nov. 9.—Varsity defeated Ottawa here Monday in an interesting exhibition of rugby in which both teams used their subs in profusion, the score was 12-10. Varsity went to the students four minutes before the end of the game, when Ottawa wings failed to give yards to Trimble. After two downs Stollery raced over for a touchdown.
 Ottawas at the time had on their substitute line with Kehoe and Murray subbing on the backfield for Miller and Lynch. Varsity had their regulars in action. They play was a very smart bit of offensive football, and the Varsity line caved in Ottawa's flank to give Stollery a huge gap to ride through.
 Varsity used two complete teams alternating their seniors with the O. R. F. U. squad and they gave a finished demonstration of tackling, and there was more snap to their line play than Ottawa's. Tubman did not play for Senators and Miller was used but little. At that there was no margin of difference on the backfield play. Ottawas' outside wings more than made up for any offensive strength on the part of Varsity.

Montreal Victors Over McGill Team

Montreal, Nov. 9.—Smashing drives by Captain Clarry Foran, Gordie McCaig and Fred Crowley, sneak thrusts through the centre by Ralph Harrison, and consistent punting by Keatie Burnham were the chief weapons which the Montreal Interprovincial Rugby squad utilized in tearing to a 7 to 2 victory, and city championship laurels over McGill yesterday afternoon at the Percival Molson Memorial Stadium.
 Coming out of a fairly easy tussle against Ottawa on Saturday and throwing four star players into the fray which had been saved from the tilt at the Capital, Montreal had a decided edge on the Intercollegiate team, which, sore and stiff after its

gruelling against Queen's on Saturday, was in no way handicapped by the ripping attacks of the Montreal line plungers.
 Grange's Team Won.
 Toronto, Nov. 9.—"Red" Grange and his New York Yankees whitewashed "Wild Cat" Wilson's Californians 28 to 0 in a regular American Professional League football game at Maple Leaf Stadium, Monday afternoon. The New Yorkers' count was made up of four touches and the four subsequent goals they made.
 "Red's" name and fame drew 19,000 spectators to the game.

LOCAL COLLEGIATE WON.

The Kingston Collegiate team went to Perth yesterday, where they played a game against the Perth High School team, winning out by the score of 17-5. The local boys played great football, Harold Buck being a particularly outstanding player for the Blue and White.

Varsity Trounced.

Played at Worst and Lost to Borden Birds 26-9.
 Toronto, Nov. 9.—Playing one of the worst games of football they have shown this season, University of Toronto were put out of the running in the O.R.F.U. senior race Saturday afternoon at the Blue and White Stadium by Camp Borden, the Birdmen administering a 26 to 9 defeat to the student team and the Aviators deserved the victory. U. of T. looked nothing like the team of previous games, and deserved the beating they received. They could do nothing right, and Camp Borden took advantage of their mistakes. The victory gave Balmby Beach the O.R.F.U. senior title.
 The game, despite poor football by both teams, was well worth seeing, and until it became a rout of U. of T. in the last half was decidedly interesting. Fumbled balls, blocked kicks and loose play along the line was responsible for some wild scrambles which found favor with the crowd. Saturday's game holds a near-record for quick scoring. U. of T. had scored 6 points and Camp Borden 5 within three minutes of the start of the game, one score being due to a misplay.
