AT THE CAPITOL

Red Grange at The Capitol Theatre Today.

Throbbing with some of the greatest football scenes ever put on the screen is the famous production of "One Minute to Play," starring Red Grange, at the Capitol Theatre for today and Saturday. The noted University of Illinois "Galloping Ghost," probably the most wonderful player who ever donned mole skins, gives a remarkable exhibition of his versatility and extraordinary brokenfield running in the brilliant climax of the film, as well as proving himself a splendid actor, with a great screen versatility. The direction by Sam Wood is an achievement in itself, and an excellent cast, including Mary McAllister, Charles Ogle, Ben Hendricks, Jr., Lincoln Steadman, Edythe Chapman, Lee Shumway and Jay Hunt, handle the supporting roles convincingly. George Wilson, the famous All-American halfback from the University of Washington squad, leads the opposing team in the picture, and does much to make the gridiron scenes realistic and vivid. The story and continuity were both written by Byron Morgan, noted for his work on the late Wallace Reid's racing tales.

To the Conservative Supporters of the Ontario Temperance Act in Leeds Riding:

LADIES AND GENTLEMEN—

While it may seem reasonable to some of you that I should decline to take any active part in the Election campaign that is now on, owing to my candidature not having been approved by the committee that was appointed to select a candidate to represent the Prohibition forces of the Riding, allow me to say that, that is not my attitude.

No matter what our feelings may be, let us put "Principle Before Party" and decide to do what we honestly believe to be in the best interests of the Province.

As the leaders of our party, supported by the Brewers and Distillers have decided to adopt a policy of Government Sale of intoxicating liquors, contrary to the wishes of a majority of the Electors of the Province, as expressed in the referendum of October, 1924, let us who believe that the trade in intoxicating liquors should be prohibited, not hesitate to do our part to prevent any party being elected, that will attempt to place on our Statute Books, any such Act.

We know that conditions in our Province are much better than they ever were under Government License, and we have it on the very best authority, that conditions in the other Provinces of our Dominion that have adopted a system of Government Control, are much worse than anything we have in Ontario. Therefore, with these facts before us, let us not hesitate to defeat the Government that is attempting to bring back to our Province, the legalized sale of intoxicating liquors.

We have read the arguments presented by Mr. Ferguson and his supporters, we have held that he gave many months of "careful consideration" to the preparation of his platform, yet he was only a few days stamping the Province when he decided that his platform must be changed and then within the next week he made several more changes, and it is quite evident that he does not know just where he is at.

We invited the young men and women of our Province by the statements he made on the platform at Ottawa, and which is being strongly resented by our young people all over the Province.

There is abundance of evidence to prove that "so called" Government Control is not giving the satisfaction from a Temperance standpoint, in other Provinces, that the Ontario Temperance Act is doing in this Province, and with a Government elected that would be in sympathy with the Act, there is every possibility that it would be made much more effective than it is at present.

I believe that it is our sacred duty to defeat the Ferguson Government at this time and the only way we can do that, is to support only such candidates as we know will retain and support the Ontario Temperance Act.

Yours for a better Ontario,
T. I. ELLIS.

Hunters From Enterprise Were Quite Successful.

Enterprise, Nov. 18.—Many from this vicinity have gone deer hunting. Reports are that each have a deer to bring home. Many from here attended the anniversary services at Centerville on Sunday last, also the tea meeting on Monday following. Rev. Mr. and Mrs. Bunt left on Tuesday morning to attend the wedding of Mrs. Bunt's brother, near Toronto. He will return home on Friday of this week. Services will be conducted in the United Church, on Sunday evening, at seven o'clock. The Free Methodists held services in Keech's hall.

Ottawas Are Ready For Toronto Beaches

Ottawa, Nov. 19.—Joy reigned in the camp of the Ottawa Senators yesterday as the Dominion champions received off two more sparkling workouts, getting ready for the invasion of Balmly Beach in the Eastern Canada rugby semi-final here on Saturday. The news that Tubman will positively start against the Toronto team put the team in high spirits and it was with a new vim that they attacked their tasks yesterday.

After a long consultation with physicians and following trial with a steel bandage secured for Tubman's knee, the star half-back announced that he felt ready to get into the game. The physicians of the club, after looking at his work with the newly-altered knee guard, expressed the opinion that barring hard luck he would be able to play the greater part of the game, if not the entire contest.

A really heavy drill was indulged in at noon yesterday while last evening's practice was confined mostly to signals. The men are all in great shape and working as hard to perfect the machinery that will oppose the Balmly Beach threat for the title now worn by the Senators. There is a vim and a snap to the work that indicates that they are very near the razor edge of condition.

MEETINGS AT OMPAH.

William Stewart Returns From Kingston General Hospital.

Omphah, Nov. 18.—During the past week political meetings have been held in Omphah. On Thursday evening W. D. Black, former member, and his colleagues, Mr. Robb, addressed an assemblage in the school house. On Wednesday afternoon Mr. Ansfield occupied the platform. Both addresses were appreciated by the members of the community.

Service was held on Sunday in All Saints Anglican Church with Rev. T. Branch, Plevna, in the pulpit. The afternoon services in the United Church were conducted by Rev. James Woods. The people again welcome William Stewart. All hope for his speedy recovery after his long sojourn in the hospital at Kingston. George Kelford's son is at present suffering with a broken arm.

Mr. and Mrs. L. Davis and family, Canotta, and Mr. and Mrs. M. Hermer and family and Miss C. Lauber spent Sunday at T. G. Burke's. Miss Edna Johnston, Picton, is at present visiting her home here. Trout Lake Hotel is at present quite busy entertaining their quota of hunters which came to this part for their season's hunt. The best hunters know the best spot for the best game. Mr. Edward Watson and daughter have returned home after a visit with her sister at Watertown.

Mr. M. R. Reid visited the school here last week where his visit was enjoyed by all. Charlie Massey has

Tichborne Briefs.

Tichborne, Nov. 18.—The heavy rains have made the roads very bad in this locality. A number of hunters have returned with their game and more are to arrive yet. The song service in the Union Church on Sunday evening was well attended in spite of the rain. Ladies' Aid will meet on Wednesday at Mrs. George Thompson's. A number from here attended the club meeting at A. B. Howe's on Friday evening. Next meeting to be at George Thompson's. Some work is being done on the boundary between Hinchinbrook and Bedford. The election of officers took place in L.O.B.A. and L.O.L. lodges at their last gathering. J. Colter has bought up a number of cattle in this neighborhood. Some of farmers are still ploughing, while others are cutting their winter's wood. Visitors: Misses Helen Swerbrick and Jewel Thompson spent the week-end at W. White's, Brooks. Mr. and Mrs. J. Hannah and William McKeever at W. Steele's. Mrs. H. Robinson at J. Kennedy's. Mrs. T. Robinson at J. Robinson's. Mrs. George Hamilton at Thomas Robinson's.

To the Electors of Kingston and of Portsmouth

A short campaign will make a personal canvass of each of you impossible, but I shall have opportunities from the platform of placing before you my views on the political issues of the day.

If you think my position correct, and believe that as member for this Electoral District I would be of service to this community and the Province, I request your support.

Yours sincerely,
