A watch for the boy

To give a boy a good watch is to awaken his sense of responsibility. His roller skates, his bicycle—these are just boy's things, after all. But a good watch is a symbol of his growing up, a possession of which he will be very proud.

TO THE ELECTORS OF FRONTENAC-LENNOX

LADIES AND GENTLEMEN: Having been duly chosen as the Liberal-Conservative candidate for Frontenac-Lennox at the convention in Ottawa, I respectfully request your vote and influence to return me to the Legislature in support of the Ferguson Government and the Ferguson policies. I appeal to you with confidence and upon my record of 15 years in the Legislature, as well as upon my record not only as a temperance man personally but as a strong advocate and supporter of every measure and act designed to help the cause of real temperance for which the Liberal-Conservative party has always stood, for I am convinced that the people of Ontario have not forgotten and will not forget that it was a Liberal-Conservative Government that gave to this Province its first real temperance legislation. It elected I pledge myself also to continue my efforts to secure for this section of the Province further grants for highways and good roads, in which I have always been vitally interested, and to obtain for Frontenac-Lennox fair and just recognition in all Governmental matters, while I will co-operate heartily with the Government in its desire to improve the social, moral, educational and financial condition of the people, keep down expenses and reduce taxation. My record is before you and the record of the Ferguson Government in Ottawa before you. On my own and the Government's record I accordingly appeal to you for your support. Owing to the shortness of the campaign, it will be impossible for me to make a personal canvass of the Riding and hence I take this means of making this personal appeal to you through the columns of the public press.

MING'S ODESSA RALLY

(Continued from Page 3.) "It is unfair to influence votes that way" said Mr. Haycock. When speaking of the reduction in the amusement tax Mr. Haycock stated that he had found that the show where the admission fee was under 25 cents was the cheap show, and in many cases not suitable for the younger people, and yet this lower class of show is being thrown open to the public. While the government finds itself impossible to keep the roads in decent repair on account of lack of funds it has suggested a reduction of \$5 in the licence fees. Mr. Haycock thought that the tax should be as low as possible and the gas tax raised so that the heavy trucks which tear up the roads would pay the cost of upkeep. Mr. Haycock said that he would sooner have the O.T.A. than government control. The Ferguson policy reminded him of that old saying "open your mouth and see was Ferguson will give you." He thought that Premier Ferguson, before going to the country, should have told the people the details of his policy and then they would be in a better position to decide. He does not say how much liquor the people can have. "Premier Ferguson says that he

will build jails and penitentiaries to house the bootleggers," said Mr. Haycock, who reminded his hearers that Mr. Ferguson cannot build jails as it is the duty of the county councils, and the penitentiaries are handled by the dominion government. Rev. Mr. Meredith, Morvan, spoke a few words, urging the temperance workers to get the vote out on election day and he saw victory in sight. Rev. Mr. McQuaid, Odessa, on behalf of the Prohibition Union, spoke for a few minutes and urged the people allow to support Dr. Ming, who was a true temperance man. Robert Brethen presided at the meeting.

No headache, bad cold, sour stomach or constive bowels by morning. Get a 10-cent box now. You're bilious! You have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile not properly passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and bowels are cured by morning with gentle, thorough Cascarets—they work while you sleep. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet, and your head clear for months. Children love to take Cascarets because they taste good and never gripe or sicken.

GANANOQUE

Gananoque, Nov. 20.—Mrs. Jessie Canfield, Hamilton, who has been with Mr. and Mrs. Garfield Hood for the past couple of weeks, returned home on Thursday. Mr. and Mrs. E. S. Byers left this morning by motor to spend the week-end with friends in Toronto. The play Kathleen drew three packed houses. Last evening there was a dance for the cast and their friends after which the I. O. D. E. entertained the cast at a supper at Sheppard's. It is understood that the I. O. D. E. will plan for another play of similar order in the spring, and why not, when those taking part enjoy studying for it, and the public get so much enjoyment at witnessing the result, added to all of which is a tidy sum to devote to some worthy cause. Kenneth McKenzie, New York, is spending a couple of weeks here with his parents Mr. and Mrs. S. A. McKenzie. Ford Petch, Jack Hargrath, Wally Jones, and C. J. Wilson motored to Ottawa this morning for the Balmey Beach-Senators game, and will also remain to see the hockey match between New York Americans and Senators. Miss Mary Spence, Brooklyn, N. Y., attending school at Gananoque, came up to Gananoque Thursday afternoon for "Kathleen" returning early Friday morning. Mrs. W. B. Muttie is the guest of Miss Pearl Latimer, Detroit.

JOHN REDMOND DEAD AFTER LONG ILLNESS

Deceased Was Very Popular and Well-Known Farmer.

A very sad death occurred on the Bath Road on Tuesday, Nov. 9th, when Mr. John W. Redmond passed away at his home, after a lingering illness of seven months. His passing will be learned with regret by a wide circle of friends. He was a very popular and well-known farmer and a man loved and esteemed by everyone with whom he came in contact. Fifty-five years ago the late Mr. Redmond was born in Hallowford, where he resided until thirteen years ago, when he bought his beautiful farm-home on the Bath Road. The late Mr. Redmond was a sincere member of Princess Street United Church, where memories of his Christian character will always be an inspiration. Besides his widow, he is survived by three daughters and one son, Mildred of Thorold high school staff, Ruth of Niagara Falls high school staff and Norma and Gordon at home; also four brothers, James of Kingston, George of Sydenham, Alfred of Hallowford and William of Water-town, N.Y. The funeral, which was largely attended, took place from his family residence to Harrowburgh cemetery on Friday morning. Rev. J. K. Curtis, assisted by his former pastor, Rev. J. A. Waddell, and Rev. J. Englund, officiated. The occasion was marked by unusual solemnity, owing to the prominence of the deceased. The casket was banked with a profusion of flowers, which showed the great esteem in which the deceased was held by his many friends. Six members of "The King's Own Bible Class" of Princess Street United Sunday School, of which the late Mr. Redmond had been a devoted member, acted as pall-bearers. Much sympathy is extended to the bereaved family.
