Gananoque, Nov. 23.—Word was received here on Sunday of the death in Winnipeg of a former old and highly esteemed resident of our town in the person of E. H. Ellis. Mr. Ellis has been in failing health for the past couple of years, and during his visit here two years ago his friends realized this. Surviving are his wife, formerly Miss Emma Sophronia Fairman, and sister of Miss Allie Fairman and W. Fairman of this town. There are also surviving three daughters: Mrs. W. H. Curle, Montreal, Mrs. E. Geo. Brown, Ottawa and Mrs. C. W. Laidlaw, Winnipeg, and three sons, Edwin H. Ellis, Fresno, Cal., J. M. Ellis, Eriksdale, Man., and Daniel P. Ellis, of the Customs Department Brockville. The body will arrive here on Wednesday on the fast train from the West, and interment will be made at Willow Bank cemetery upon arrival of the train. For a great many years Mr. Ellis was our leading hardware merchant here, and besides being a good merchant he was also a good, kindly friend. It is understood that Mr. and Mrs. Curle, Montreal, will meet the remains at Toronto on Wednesday and accompany Mrs. Ellis here from that point. Wilson Fairman, Montreal, will also be in town for the funeral.

Another highly esteemed resident of Leeds passed away on Sunday in the person of R. J. Stanley, in his seventy-eighth year. Mr. Stanley was born in Ottawa but since his fifth year has lived in Leeds county. His wife predeceased him about twenty years ago. NORTHBROOK

Northbrook, Nov. 22.—Many are suffering from severe colds, flu and jaundice, with the doctor rushed. The bazaar and drama being held in Flinton hall on Nov. 26th, by the Dramatic Society of Kaladar, will be well patronized from here since their plays in the past have proven their merit. Mr. W. Lewis and Jack Cassada left on their wheels for Oshawa, thence to Port Colborne.

Yogan is having Mr. Ervin Shier erect a fine large granary and bunk house. C. C. Thompson shipped a good consignment of potatoes to Kingston, Friday. HAD NARROW ESCAPE FROM BEING DROWNED

Car Jumped Bridge on Chantry Road—Father and Son Saved.

Phillipsville, Nov. 22.—What might have been a fatal accident occurred on the Phillipsville and Chantry road on Friday of last week when a car driven by Mr. Hiltson Emerson skidded on the bridge and took a head-long plunge through the railing and into the creek which was about eight feet deep. His first thought was his little boy, who was with him, and hadn't altogether recovered from a fractured limb. Mr. Emerson, having presence of mind, managed to extricate himself with his son, and by climbing onto the car he was able to give an alarm which was heard by Mr. Harry Coon. In short order Mr. Coon was on the scene, but was afraid to leave him in such a precarious position, summoned Mr. Clifford Freeman who happened to be on the road. He came to his aid with a long ladder and they soon had both safe.

Dr. J. M. Kelly, Delta, was called at once but fortunately the victims got off with a bad chilling. R. C. Haskin and neighbors got the car out the next day which was only slightly damaged.

A FIRE AT NAPANEE.

Frame House on Water Street Destroyed on Sunday. Napanee, Nov. 22.—On Sunday morning at 6 o'clock, the fire alarm awakened the citizens and it was discovered that a small frame house on Water street, owned by R. J. Solmes, and occupied by H. Maracle, was on fire. The firemen were soon on the scene but the blaze had gained such headway that the building was completely destroyed and very little furniture saved. The origin of the fire is unknown.

The remains of William Henry, son of the late Alexander Henry, a former well known resident of Napanee, were brought to Napanee on Saturday for interment in the family plot in Riverside cemetery. Miss Alma Huff, of Belleville, spent the week-end the guest of Mr. and Mrs. E. J. Boyle, John street.

Three very exciting games of basketball were played in the N.C.I. gymnasium on Friday night when Belleville High School visited Napanee Collegiate Institute. The senior girls game final score was 28-18 in favor of Napanee. The senior boys' game ended in a score of 31-26 for Napanee. Belleville junior girls won out by a score of 20-15. After the games the Napanee girls served light refreshments to the visitors and their friends, after which the pupils enjoyed an hour's dancing.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache Often Means You Have Not Been Drinking Enough Water.

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, can not injure and makes a delightful, effervescent lithia-water drink. Drink lots of soft water.

Relieves Promptly: Coughs, Colds, Bronchitis, Grippe, Whooping-Cough, &c.

Colds when neglected or wrongly treated give rise to consequences of such a grave character that you should not risk using inferior preparations.
