Home-made Remedy Stops Cough Quickly

Finest cough medicine you ever used. Family supply easily made. Saves about \$2.

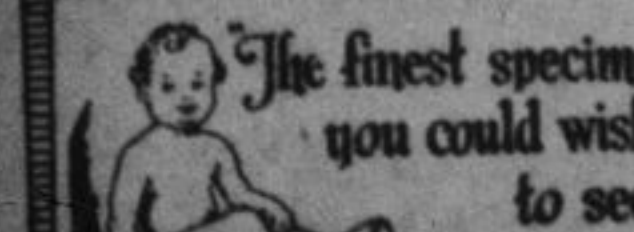

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant—children like it—and it is pure and good.

Four 2 1/2 ounces of Pinex in a 16-oz. bottle; then fill it up with plain granulated sugar syrup, or clarified honey. Thus you make 16 ounces—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid, too, for bronchitis, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract and palatable gualacol, famous for healing the membranes.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions. Guaranteed to give a complete cure. Money promptly refunded. The Pinex Co., Toronto, Ont.

The Girls' Fellowship Club of the Y.W.C.A. gave a splendid sale on Tuesday evening in the parlors of the "Y." These business girls never forget those less fortunate than themselves and yearly work to make pretty articles for the sale.

Miss Kenton gave a piano number, Miss Pearl Nashist, Miss B. Ettinger also played, Miss Eleanor Allen, Miss Kathleen Elliott, Miss Loggie Sanders and Miss Myrtle Staggs sang. The proceeds were very satisfactory.

St. George's Hall was the scene of a birthday party on Tuesday evening. The A.Y.P.A. had sent out fascinating little bags of silk into which the visitors were to put as many cents as they had birthdays and bring them with them to the party. They were received by Rev. C. Grey Eakins, Mr. Ted Payne, the president, Miss Jean Matthews the secretary and Miss Eleanor Lyons, a past-president. You did not get rid of your bag at once. You had to find the table that bore the name of the month you were born in and then deposit the bag. The tables were each decorated suitably. January with snow was in charge of Miss G. Tavener; February, of Miss Hilda Korshak; March, of Miss Jean Matthews; April, of Payne Brothers; May, was arranged by Mrs. E. Harington; June with its roses, by Miss Eleanor Lyons; July, by Miss G. Egan; August by Mr. Ted Payne and September, the wonderfully clever table with a replica of the Kingston Industrial Exhibition grounds, and of a few more such as a lady taking a high dive into a tub of water, a Ferris wheel, etc., all run by electricity. This corner was the centre of attraction and the booth won the prize. October with the pumpkins black cats, etc., was in charge of Mrs. F. Ward; November of Miss M. Clark and December of the Parks brothers. A fish pond was also run by Mr. F. Ward. The prizes for the booths were won by September and October. Mr. W. Johnson and Mr. Keyes being the judges. A red and white candy booth was in charge of Mrs. W. Morrison and Mrs. F. Clehahan. The refreshments were in charge of Miss Eleanor Lyons and were served from a table decorated with silver candelabra holding white and red candles. Flowers were also an adornment. Mrs. Turner and Mr. and Mrs. D. Graham, assisted by Miss White, Miss Fernie and Miss Marjorie Lyons. The cake on which throws were taken was won by Miss Garrison. Rev. C. Gray Eakin was chairman of the short programme which included a clever recitation by Miss Marjorie Lyons, a song by Mr. Howarth, piano music by Mrs. Pugh and an interesting demonstration by the ventriloquist, Mr. Hodges. Miss Ethel Clarke was in charge of the homemade table.

That Miss Margaret Kelson, Queen's University, has won the Ontario I.O.B.E. War Memorial bursary for 1926. Each year the Daughters of the Empire award in each province a bursary to be held in a Canadian university by the son or daughter of a man killed or totally disabled in overseas service in the Great War. The awards for 1926 were made in September, and the successful candidates are now at col-

lege, from Halifax to Victoria. Prince Edward Island alone had no candidate, so its bursary was given to the second candidate in New Brunswick. Of the nine bursary-holders, four are boys, five are girls; their ages vary from 16 to 19; all of them are Canadian born and the children of Canadian born. All have been selected with great care by the various provincial committees of selection.

That already the price of eggs has gone up so high that people are asking for recipes for eggless pies and cakes. There are many excellent dishes and dainties that can be made without eggs and we will try to secure some of them for our readers.

That our Canadian holly is very beautiful this autumn and will make delightful decorations for our homes. It lasts for some time and is lovely in a tall brown jar of a brass bowl.

That fur hats are to be worn again this winter. The smooth furs are very becoming and are being much used. For teas the big hat is worn but for bridge and mah jongg parties the smaller shapes are more convenient. Four women and four big hats around a small table take a great deal of room.

Successful Sand Hill Bazaar. A very successful bazaar was held at Sand Hill Church on Friday afternoon and evening, Nov. 19th. The basement windows were tastefully decorated in lattice work of red and white, while streamers hung from the walls and ceilings and various tables. There were seven tables in all, an apron and towel table, a "touch-and-take" table and a missionary table were along one side of the basement, and a home-made cooking table, a fancy work table and an ice cream and candy table along the other side. The tea table, in the centre, looked very pretty. A good crowd, who were received by the president, Mrs. Fred Scott, attended the sale of many beautiful and useful articles in the afternoon, and after visiting the tea table a number returned home, only to come back a couple of hours later to spend the evening. A much larger crowd was present in the evening to hear the splendid programme which was rendered by Kingston and Brewer's Mills talent. After the programme a large number returned to the basement, where refreshments were served, before returning home. The ladies were very pleased with the bazaar, over \$200 being realized.

WOMEN'S INSTITUTE

Institute Formed at Ernestown. Prospects indeed look very bright for the newly-formed Ernestown branch of the Women's Institute, which was systematically organized under the able management of Mrs. James B. Miller, Nanapanee, district president, and Mrs. A. P. Young, Bath, district secretary as on Friday of Mrs. Frederick Hamm on Monday afternoon, Nov. 19th. Forty faces were to be seen "in friendships circle bright." The afternoon opened by singing "O, Canada," and the repeating of the Lord's Prayer in unison. Then Mrs. Miller gave an interesting and thorough address on the "Institute" under the following heads: Origin, development, motto, work, and programme. Those present were in favor of organizing a branch after hearing the above mentioned paper, and hence the election of officers followed. The executive unanimously chosen consists of Mrs. Frederick Hamm, president; Mrs. Joel Kellar, 1st vice-president; Mrs. Edward Smith, 2nd vice-president; Mrs. Herbert Laidley, secretary treasurer; Mrs. Walter Hagerman, pianist; Mrs. Gordon L. Young, press reporter. The Institute being duly organized, the officers took their respective chairs, and a short business meeting followed, after singing the National Ode. Membership fees were collected, twenty-seven ladies enthusiastically joining. It was voted to hold the regular meetings the first Tuesday of each month at 2 p.m., and Mrs. Hamm is again kindly opening her home for the first meeting on December 7th. Mrs. Miller gave a splendid paper on "An Institute Woman." The meeting closed in singing "The National Anthem." The ladies were socially entertained by our hostesses who served delicious refreshments. The afternoon was brought to a happy ending by a vote of thanks being tendered to the district representatives for their good work and to Mrs. Hamm, and the singing of "For She's a Jolly Good Fellow" in Mrs. Hamm's honor.

Lydia E. Pinkham's Vegetable Compound Is a Great Friend—It Stops Pain and Restores Health

Toronto, Ontario.—"I work in a factory and I would have to get away from my work every time I was sick. The dragging-down pains and cramps were very bad, but my back was terrible. It hurt so that I couldn't lie down with it. I heard some of the girls talking about Lydia E. Pinkham's Vegetable Compound, and they told me to try it. I have taken about a dozen bottles of it and it has done me a lot of good. I never have any pains or sore back now, and have not been off from work a day since I have taken it. I recommend the Vegetable Compound when I have the opportunity."—Miss BOLLO, 21 Howie Avenue, Toronto, Ontario.

"The Advice of a Friend" Hanover, Ontario.—"I was terribly nervous and a few odd times I almost fainted. I used to do housework until a few months ago and sometimes I had to leave my work and go to bed. I am now a member in the knitting-mill. I suffered five or six years from painful periods before I took Lydia E. Pinkham's Vegetable Compound by the advice of a friend. I got relief almost immediately, and I tell my friends what a good medicine it is. You may use this testimonial if you like, if it will help others."—Miss J.
