

NAPANEE POULTRY FAIR

DECEMBER 2nd and 3rd

ANNUAL TURKEY DAYS

We are pleased to announce that our Annual Turkey Days are to be held on December 2nd and 3rd.

and that full arrangements have been made by the Chamber of Commerce. We expect that this year will eclipse any since the inception of the great sale. Buyers from all over the country will be present to pay the highest market prices for all kinds of Fowl.

In keeping with our custom, on this occasion, we are staging the largest sale we have ever held in the store in all lines of merchandise.

We are giving from 25 to 50 per cent. discount off all Ladies' and Misses' Coats.

Ladies' Hats, regularly up to \$4.75, will be sold at \$2.98.

We invite you to this great demonstration, where you will get the highest price for your Fowl and receive more merchandise for your money than anywhere else.

Turkey Days' Specials at MacGillivray's on the 2nd Floor.

The headquarters of Santa Claus, now showing the most wonderful display of Dolls and Toys ever staged in Napanee.

 NAPANEE - ONTARIO

(Continued from Page 10)
 ing of the first mill in 1786, although it has been suggested that it was the site of Gannetous, one of the out posts of the Kente mission established in the year 1669. There is no direct evidence that this post was seven miles up the Napanee River, and there appears to be no particular reason why it should have been so located as the river was not recognized as a link of any of the great trade routes across the country.
 The inhabitants of Napanee were a long time in determining what part of the land, upon which the town is now built, should become the business centre of the place and what should eventually be set apart as the choicest residential quarters. Robin's Hill was not considered suitable for dwellings, owing to the

shallow soil, the supposed difficulty in obtaining drinking water, and the steep climb that was necessary in order to gain the summit; yet Mr. David Robin, in his day one of the most influential men in the county, chose it as site for his house.
 "There was something incongruous in the village of Napanee having been proclaimed a county town, and the only remedy was to have the corporation raised one step higher in the municipal scale. It had passed from a hamlet to a police village, from police village to an incorporated village, on June 30th 1864 an act of the Legislature Council and Assembly of Canada received the Royal Assent, whereby the village became an incorporated town from December 1st of the same year. At the ensuing election B. C. Davy was elected the first mayor, John Ste-

venson, reeve, William McGillivray, deputy reeve, William Miller, John T. Grange, S. McDellor, M. T. Rogers, John Gibbard, John Herring, and H. T. Roward, councillors.
 "On July 18th, 1855, at a public meeting called, for the purpose of considering the propriety of building a market house and town hall, a series of resolutions were carried favoring the project. The question of purchasing a fire engine was also discussed, and a resolution recommending the council to take immediate steps to secure one was carried. The council promptly submitted a by-law for raising \$1,200 upon the debentures of the village, \$1,000 for the market house and \$200 for the fire engine. The by-law was carried, the engine purchased, and the contract let for the building now standing in the market square."
