PROVINCIAL PARLIAMENT OF LOWER CANADA. LEGISLATIVE COUNCIL.
FRIDAY, 26th JAN. 1816.

THIS DAY, at two o'clock, His EXCELLENCY THE ADMINISTRATOR IN CHIEF came down in state to the Legislative Council Chamber, and being seated on the Throne, the Gentleman Usher of the Black Rod was sent to command the immediate attendance of the Assembly, which being come up, His excellency was pleased to open the Session with the following

SPEECH:—

Gentlemen of the Legislative Council, and Gentlemen of the House of Assembly.

His Royal Highness the Prince Regent having been pleased to commit to me the Administration of this Government, I have entered upon the duties which that trust prescribes, with a deep sense of their importance, and an earnest desire to discharge them for the general advantage of the Province; to which my attachment naturally derives additional strength, from the circumstance of my having been born in its capital.

It would be to me a source of inexpressible comfort, and I am confident, would convey to you sincere satisfaction, if I had it in my power to communicate any favourable account, respecting the indisposition of our venerable Sovereign: I regret, however, that I have no such information to impart: yet under this awful dispensation, it is not an inconsiderable consolation to be assured, that His Majesty has no corporeal suffering, and continues in a state of undisturbed tranquillity.

The total overthrow, and final exile of the Usurper whose insatiable ambition and remorseless thirst of blood, were permitted so long to afflict the world;—the restoration, once more, of the Family of Bourbon to the Throne of their Ancestors, the general Peace which has been given back to Europe, by the magnanimous exertions of the Allied Powers; and the high distinction obtained by the British Forces, under the conduct of the illustrious Duke of Wellington, consummated and crowned by the glorious Victory of Waterloo:—while they fill our minds with exultation, and open the prospect of permanent prosperity, will not fail to awaken a profound and grateful sense of the goodness of Divine Providence, so conspicuously manifested in these great events.

In attending to the public concerns of this Province, which have been the object of assembling this Provincial Parliament, I have to direct your early attention to the renewal of the Militia Act, and such others as with it may be about to expire, and as it may be necessary or expedient to continue.

I must also, in consequence of many discontented adventurers and mischievous agitators, from the Continent of Europe, having recently thrown themselves into the neighbouring States, strongly recommend the immediate revival of the Act for establishing regulations respecting Aliens; with such modifications, as those circumstances may render it proper to adopt.

You have had the satisfaction of seeing that the Executive Government has completely redeemed its pledge to the Public, by calling in, and paying in cash, the Army Bills which were in circulation.

Gentlemen of the House of Assembly.

I shall order a statement of the Provincial Revenue of the Crown, and of the Expenditure, of the last year, to be laid before you.

I have it in command from His Royal Highness the Prince Regent, to assure you, that His Royal Highness views with much pleasure, the additional proof of patriotism and public spirit, afforded by the firm voted towards the completion of a proposed Canal from Montreal to La Chine. His Majesty's Government duly appreciating the many important objects with which that work is connected, are greatly interested in its early execution; and I await only further instructions upon the subject, to proceed to carry it into effect.

Gentlemen of the Legislative Council, and Gentlemen of the House of Assembly.

I cannot omit to press upon your consideration, the importance of further promoting the internal communications of the Province, and of making effectual provision for the full accomplishment of an object of such obvious and general utility.

You will, I doubt not, justify the firm reliance which I place on your loyal attachment to the Person, and Government of your Sovereign, and your enlightened zeal for the Public Service; nor will you, I trust, disappoint my confident expectation, that this Session of the Provincial Parliament will be distinguished for accordant exertion, and efficient dispatch in conducting the public business.

You may be assured, that, on my part, I shall be most cordially disposed to second your laudable endeavors, by a ready cooperation in every measure which may tend to advance the interests and promote the welfare of this Province.
