Remedy for the Tooth Ache

A sheet of writing paper, burned in a clean white plate will produce a yellowish oil, which oil is to be soaked up by a small piece of clean cotton and placed in or on the tooth affected for 12 or 15 minutes. In the most distressing cases this remedy has been known to give immediate relief.

Chinese method of Mending China.

Take a piece of flint glass, beat it into a fine powder, and grind it well with the white of an egg, and it joins china without rivetting so that no art can break it in the same place. You are to observe that the composition is to be ground extremely fine on a painter's stone.
