

THE CHRISTIAN RECORDER.

To Appear in Numbers, one Number every Month, at twelve and six pence, Halifax C'y. a Year.

THIS publication will be issued by Mr. George Dawson, Book-Seller, York, under the inspection of the Rev. Dr. Strachan.

It shall be devoted to theological and miscellaneous subjects, and particularly to interesting religious intelligence, and biographical and obituary notices.

Besides occasional original matter, it shall contain selections from the various British periodical works, moral and religious. These works will be regularly received for that purpose; and the readers of the Christian Recorder will thus be furnished in the speediest mode, with valuable and interesting selections from the latest British periodical publications.

While it shall be the object of the Journal to record important religious events in general, particular regard will be paid to those which relate to the Protestant Church.

The Christian Recorder will present its readers with a passing map of the religious world; and shall be, occasionally, enriched with the sentiments of those matters of theology who were the glory of the days that are past, and whose writings exhibit the fondest views of Christian doctrine and order, and the highest fervors of pious feeling.

Whatever can advance the interests of religious truth; the purity, the unity, and the prosperity of the kingdom of the Redeemer; and the faith, holiness, and consolation of the Christian, shall, as far as practicable, find a place in this Journal.

The plan, if executed with tolerable ability, must certainly render this publication useful and interesting to all classes of Christians, and the price of it is so low as to bring it within the reach of all who can be profited or interested by its contents.

It shall be printed with a handsome type, and on good paper of a large size.

The first number shall appear early in March, and a number will be published regularly every month. The work being issued solely from an earnest desire to promote the interests of religion, with the view to its general circulation, it will be furnished at the low rate of twelve shillings and six pence, Halifax Currency, a year.

Agents shall have a commission of 20 per cent. on the amount of subscriptions for which they become responsible.

Subscriptions received by Mr. G. Dawson, Book-Seller, York, to whom communications, post paid, may be addressed, and to whom persons at a distance may transmit their names, with directions by what conveyance the Journal shall be sent to them.
