Statutes of Upper Canada.

An ACT for the better Division of the County of Glengary into Townships.

[Passed 27th Nov. 1818.]

WHEREAS from the great extent of the Township of Lancafter, in the County of Glengary in the Eastern District of this Province, and the great population therein, the Inhabitants of the said Township experience many inconveniences, in particular in attending Town Meetings, and whereas it has become expedient, to divide the said Township, and to constitute and form a new Township out of certain parts thereof, Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, continued and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, that

MILITIA GENERAL ORDERS,

His Excellency Sir Peregrine Maitland is pleased to accept the Resignation of Colonel Johnston of the 1st Regiment of Addington Militia, and to request that he will deliver over the Books and other Documents belonging to the Regiment to Lieutenant Colonel Clark, who is to assume the Command thereof forthwith.

His Excellency, upon this occasion, is pleased to declare, in General Orders, the high sense he entertains of the services of Colonel Johnston, who for a period of sixty years has served his King and Country with exemplary zeal and fidelity; and his regret that bodily infirmity should deprive the Militia of the Province of so valuable an officer.

By His Excellency's Command,  
N. COFFIN, Lt. Col.  
Adj. Gen. Militia U. Canada.

To His Excellency Sir Peregrine Maitland, Knight Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, and Major General commanding His Majesty's Forces therein, &c. &c. &c.

MAY IT PLEASE YOUR EXCELLENCY, WE, the Magistrates, Clergy, and other inhabitants of the Town and Township of Kingston would not take the liberty of Addressing your Excellency at this period on the subject of the late Township Meetings, and other unconstitutional attempts to disturb the tranquility of this highly favored Province, were it not for a report which has gone abroad of our concurrence in a Petition of Grievances, purporting to come from the Township of Kingston, but in fact written at an obscure village, and countenanced by a very small part of the neighboring population.

Convinced of the unshaken loyalty of the Province at large, and especially of this Township, we attributed these complaints rather to the suggestions of a disappointed stranger, than to the sentiments of the peaceable inhabitants, and therefore, from an impression that they would not be carried to any alarming extent, treated their declamations with indifference. Nor do we now think it necessary to notice their proceedings further than to assure your Excellency that they have ever met with our most unqualified disapprobation, and the better to enable your excellency to contradict any reports which might reach His Majesty's Government in England, through less authentic channels.

We cannot but congratulate ourselves,

that such evils as may have arisen from these errors will be speedily remedied by the wise measures resulting from your Excellency's Administration, under which we feel confident, that every cause of complaint will be investigated and removed, and that this Province will continue in its hitherto uninterrupted state of happiness, blessed in the fostering care of its Mother Country, and grateful for the blessing.

To which His Excellency was pleased to give the following reply.

GENTLEMEN, Accept my thanks for your loyal address. I have no doubt that any proceedings hostile to His Majesty's Government, or the Constitution of the Province, have met with your unqualified disapprobation. Your address affords me the means of contradicting any reports which may reach through unauthentic Channels His Majesty's Government in England.

Be assured it is my wish to investigate and remove as far as lays in my power every well founded cause of complaint, whether it be of a mere local nature or such as affects the general interests of the Province.

York, March 8, 1819.

Sophiasburgh, 23d Feb. 1819.

Inclosed is an Address from this Township which I will thank you to lay before His Excellency the Lieutenant Governor.

Some of our Townsmen who had unthinkingly placed their names to the Petition prepared by Mr. Gourlay, have seen their error and have requested permission to place their names to the Address.

I understand that there are a few persons privately preparing a List of Grievances to forward to His Excellency but have no doubt they will be as groundless as those which have already appeared.\*

I am respectfully  
SIR,  
Your obedt. Servt.
