JAMES RANKEN,  
Administrator.  
Bath, 28th June, 1820. 26f

Proceedings of the General Meeting of the Farmers, of the Counties of Lenox and Addington, held in Ernest Town, at the House of Mr. JOHN GORDONIER, on Friday, the 11th instant.

Mr. DAVIS HAWLEY, having been unanimously called to the chair, Mr. Dalton of Kingston, after a few prefatory remarks, proposed to the meeting the following resolution.

Resolved, that it is the decided opinion of this meeting, that the successful prosecution of the Brewery, essentially promotes the Agricultural interest, and that consequently it ought to receive effectual protection from the opposition of Foreign Brewers, to which end, we deem it necessary to address both Houses of the Legislature by Petition.

The above resolution having been seconded and carried unanimously—Mr Dalton presented to the Chairman a petition

which was read to the Meeting as follows.

To the Honorable the Commons of the Province of Upper Canada, in Parliament assembled.

The Humble Petition of the Farmers of the Counties of Lenox and Addington, Sheweth; That your Petitioners are deeply interested in every thing which is calculated to promote the success of their agricultural labours, on which they entirely rely for subsistence. It is therefore that your Petitioners humbly beg leave to address your Honorable House, on the subject, which appears to them to be intimately connected with their own particular welfare. Your Petitioners allude to the Brewery, which from the happy increase of the consumption of Malt Liquor, has lately afforded them a degree of encouragement for the growth of Barley they never before experienced, and such has been its effect on the Farmers throughout the Midland District, that, that valuable grain has been cultivated to an extent heretofore unprecedented in this Province. Your Petitioners have therefore seen with concern, that the native Brewers have not been protected from opposition in their own Markets, from the Brewers of the United States, and your Petitioners are deeply sensible, that a continuation of such opposition, would infallibly be attended with the most pernicious consequences to themselves, inasmuch as it could not fail to have the effect of destroying the Market of the native Farmer for his Grain. Your Petitioners humbly desire that your Honorable House, may be pleased to take their case into consideration, and apply such remedy as in its wisdom and justice, it may see fit; and your Petitioners as in duty bound, will ever pray &c. &c.

Which being approved of by the meeting, was unanimously adopted and received the signatures of every one present.

Mr. Richard Lowe then proposed the following resolutions.

Resolved, that Mr. Dalton be requested to arise to every Member of Parliament, for the Midland District, soliciting on the behalf of the Meeting, their support to the Petition in the House of Commons—carried unanimously.

Mr. Perry then moved, that the thanks of the meeting be given to Mr. Dalton for the encouragement he has hitherto afforded to the Farmers of the Midland District, and for the zeal and activity with which he is now endeavouring to secure to them a permanent advantage from their labours.

The above resolution having met with the hearty concurrence of every Gentleman present; the thanks of the meeting were cordially voted to the respectable chairman, for his able and judicious conduct in the discharge of his office; and the proceedings of the meeting ordered to be printed three times in the Kingston Chronicle, and Herald, in the hope that the Farmers throughout the Province, might see it their interest to pursue the example held out to them by the Counties of Lenox and Addington.

After the business of the day, a large party partook of an excellent dinner provided for the occasion by Mrs. Gordonier, and the evening was spent in mirth and good humour.

Copy of the Printed Circular addressed by Mr. Dalton, to the Representatives of the Midland District, agreeably to the desire of the meeting expressed in one of the foregoing resolutions

Kingston Brewery, August, 15th, 1820.

Sir,—At a general meeting of the Farmers, of the Counties of Lenox and Addington, held in Ernest Town, at the house of Mr. John Gordonier, on Friday the 11th instant,—I had the honour to be requested to address the Representatives of the Midland District, soliciting their support in the House of Commons, to a Petition then unanimously approved and signed by every person present, and which you will find at length in the Kingston Papers.

In compliance with the desire of that numerous and highly respectable meeting, I beg the liberty to call your attention to the said Petition, and to solicit for it your able support in the House. I have the honour to remain,  
Sir,  
Your obedient humble Servant,  
THOMAS DALTON.

N. B. The Petition is left with Mr. George Ham, at Bath, for the signatures of such of the Farmers as were not apprised of the meeting, in consequence of some neglect in the delivery of the News-papers.

Copy of the Petition to the Legislature from the County of Frontenac, now lying at Mr. William Dalton's Store for Signatures.

To the Honorable the Commons of the Province of Upper Canada, in Parliament assembled.

The humble Petition of the undersigned Magistrates, Bankers, Merchants, Farmers, Innkeepers, Traders, and others, resident in the County of Frontenac.

Sheweth; That your Petitioners have seen with inexpressible regret, that notwithstanding the Breweries of our native Country, be fully adequate to supply our population with a sufficiency of wholesome Malt Liquor, large quantities of United State's Beer, have been poured in upon us, in consequence of the small duty that was imposed by the last Parliament upon United State's Beer, and Ale.

Your Petitioners respectfully beg leave to submit to your Honourable House, that they know of no business whatever which diffuses such universal benefit through any Country, wherein it is established, as the Brewery, and that consequently they regard it, as meriting in a peculiar degree the protection, and patronage of every wise Government.

Whether your Petitioners turn their views to the Parent Country, or to the United States of America, they find the Government jealous to preserve their Markets from intrusion of Foreign Brewers, and when your Petitioners consider the vast powers of the Brewery, in promoting the Health, Riches, and good Moral of the people, they cannot but admire the wisdom of their policy.

Your Petitioners entreat permission of your Honourable House, to call it's most serious attention to the deplorable scarcity of cash which prevails in this Province. With grief your Petitioners have seen so large a portion of the little it possesses, withdrawn from it, by the United States, for the payment of articles of necessary consumption, which it has been pretended our Province could not furnish, and their grief hath been greatly augmented by seeing it drained to the very dregs, for an article which it is notorious can be manufactured among ourselves, of better quality than is generally imported from the United States, and in any required quantity.

Your Petitioners think it possible that your Honourable House may not be aware of the Fact, that there are no less than five Breweries in the Town of Kingston alone, which, considering the infancy of the place, and the great expence attending the formation of such establishments, your Petitioners think is matter of great regret, and which they think ought to be to the Province at large.

Your Petitioners have witnessed the beneficial effects resulting from the establishment of the afore said Breweries, the liberality of their proprietors, having held out a degree of encouragement to the Farmers of the Midland District, for the growth of Barley, far superior to any that could have been offered by those noble institutions, the Agricultural Societies, and having consequently given an impetus to Agriculture, which if not checked by an injudicious suzerance of opposition from Foreigners, may lead to results the most happy, and fortunate for the Province.

Your Petitioners enter deeply into the feelings of our disappointed and neglected Brewers, and your Petitioners will doubtless soon have to commiserate the misfortunes of the general mass of Farmers, unless your Honourable House immediately condescend to pass an act imposing such duties on the Beer, Cider, and Barley of the United States, as shall effectually prevent their open admission into this Province, which your Petitioners most humbly, but ardently hope your Honourable House will see it just and expedient to do, with all convenient despatch, and your Petitioners, as in duty bound, will ever pray, &c. &c.
