

POETRY.

BALLAD.

BY SIR ROBERT AYTON.
I do confess thou'rt smooth and fair,
And I might have gone near to love thee:
Had I not found the slightest prayer
That lips could speak, had power to move
the;
But I can let thee now alone,
As worthy to be loved by none.

THE BRIGAND LEADER AND HIS WIFE.

[By Mrs. Hemans.]
Dark chieftain of the heath and height!
Wild feaster on the hills by night!
Seest thou the stormy sunset's glow,
Flung back by glancing spears below?
Nor for one strife of stern despair!
The foe hath track'd thee to thy lair.

Two o'clock, P. M., will be sold, by public
Auction, to the highest bidder, at Kingston, in
the Province of Upper Canada,

**The Marmora
IRON WORKS.**

These works are situated in the township of
Marmora, in the County of Hastings, in the
Midland District of the said Province, and are
esteemed one of the most valuable properties
in the Foundry line in British North Amer-
ica; and one, it is considered, which cannot
fail under proper management, to realize to a
purchaser, profits seldom arising to Capitalists
from other investments of Capital.

These works (in the establishment of which
upwards of thirty thousand pounds sterling
have been expended) consist of two furnaces,
the one capable of yielding two tons, and the
other one tone of Iron in the twenty-four
hours: with the necessary buildings connected
therewith; a Forge for the manufacture of
Bar Iron, with four Fires and two Hammers,
a Saw Mill, Flour Mill, Bark Mill and Tan-
nery, all impelled by water, of which there is
an abundant supply—Carpenters' and Black-
smiths' Shops, well provided with the neces-
sary tools—Baking House, and fourteen com-
fortable Dwelling houses, three of which are
well suited for Taverns or large families, with

**2,500 ACRES OF
LAND.**

in the said township, surrounding the works—
and 8,534 Acres in the adjoining township of
Belmont, in the New-Castle District, for which
a deed in fee will be given, and upon which
are inexhaustible mines of ORE, generally of
a good quality, with 1,500 Acres of Land,
granted conditionally in perpetuo by the Go-
vernment, as fuel reserves, the condition being,
that the works are never permitted to cease,
three successive years.

The distance at present, at which the works
are supplied with Charcoal, is between two
and three miles—the Lake ORE is brought
by water, five miles—and other Ore useful to
be employed in the making of good

IRON,

is brought by land, a distance of six miles.—
Ore of the purest quality known in the British
Provinces, may be had at an unfixed expense
of mining, within a few hundred yards of the
Works, mixed with which, is yellow ochre, red
earth and black lead in great quantities.

These Works are established on Crow
River, a mile below the Crow Lake—this
River, interrupted by many large rapids, con-
nects with the River Trent—the distance by
and to the mouth of the Trent, the head of
navigation, is 31 miles.

The limits of an advertisement will not ad-
mit of an enumeration of the many advantages
of this property, neither is it the purpose of
the proprietor, by any exaggerated statement,
to induce persons desirous to purchase, to trust
to his representation, and save the trouble of
personal inspection.

That it is at least equal to the representation
here made of it—any person viewing plans of
the works, left at the different advertising
offices in London, Liverpool, New-York,
Philadelphia, Montreal and Kingston, will be
satisfied, added to which, this circumstance is of
consideration, that the works are sufficient to
supply the Province of Upper Canada with
Bar Iron & Iron Ware,
and at a price much lower than they can be
brought from the Lower Province.

The object in selling, is to fulfil the condi-
tions upon which this property was placed in the
hands of the present proprietor, namely, to
pay over the proceeds to the creditors of Mr.
Charles Hayes, the original proprietor, such
sale being demanded by the Majority, in
amount, of debts of the said Creditors.—For
further information, application to be made to
Messrs. GOULD, DOWIE & Co. in London,
Mr. MANAHAN, at the works, or to the Sub-
scriber in Montreal,
PETER M'GILL.
