

THE PHILOSOPHY OF SLEEP.

The book with this title, a 12 mo. of 260 pages, is from the pen of M. R. Macnish, whose work entitled the Anatomy of Drunkenness was some time since favourably noticed. The author first describes sleep in general, in a scientific and philosophical manner—he defines its causes, and narrates its effects; and then proceeds to enlarge upon the evils by which it is accompanied in those numerous cases of mental and bodily suffering that disturb our waking by dreams, night-mare, sleep-walking, sleep-talking, restlessness, cold, &c. &c. In conclusion, Mr. Macnish presents us with some valuable observations on the General Management of Sleep. Our author's theory of dreams is concise, if not convincing.

him in all his opinions, and, truth to tell, we could point out some inconsistencies, we are not inclined to cavil with an author, who, on the whole, has pleased us well.

SALT RHEUM.—This inveterate disease, which has long baffled the art of the most experienced physicians, has, at length, found a sovereign remedy in Dr. La Grange's genuine ointment. Few cutaneous diseases are met with more reluctantly by the physician, and none in which he is so universally unsuccessful. This ointment has stood the test of experience, and justly obtained an unparalleled celebrity. It immediately removes the scabs, gives a healthy action to the vessels of the skin, and its original colour and smoothness. Numerous recommendations might be obtained of its superior efficacy, but the proprietor chose that a fair trial

three or four weeks cured cases of fifteen and twenty years' standing, that had resisted the power of every remedy that was tried. It not only at once gives immediate relief in Salt Rheum, but cures Tinea Capitis, commonly called Scald Head, and all scabby eruptions peculiar to unhealthy children.

There is nothing of a mercurial nature contained in it, and it may be used on infants or others under any circumstances whatever. PRICE One Dollar per BOTTLE. For sale by Wm. Binley, Kingston, John Musson, Quebec, and George Bent Montreal, Sole Agent for the Canadas. Kingston, 11th July, 1828.

A copy of Mavor's spelling-book may be obtained by each master whose certificates have passed the board, on application to Dr. Hubbell. THAT the compliance of the schoolmasters is desired with a former regulation enjoining the use of prayers at the commencement of school in the morning, and at its close in the evening.

A form adapted to general use, may be found in Mavor's spelling-book, and is recommended for this purpose by the board. Printed forms for the Quarterly certificates to be signed by two Trustees, may be had on application to Adiel Sherwood, Esq. Brockville. July, 1829.
