

STANZAS. BY A LADY.

The golden sun has ta'en his flight To other worlds of love and light; And, welcome to the lover's sight, The moon has trimm'd her lamp to-night.

Bright gems through lucid ether shine, Like diamonds of the lavish mine; The dew-drops glitter on the vine; Sweet breathes the fragrant eglantine.

Come, sit beneath the linden tree, And sing that pleasant song to me That breathes of youth and liberty, And love, that sports him like the bee.

Oh! 'tis a lovely sight to view On sleeping bells the silver dew, And think of that fair spot where grew The very first, first flowers we knew.

Our childhood's home, its hallowed ties, A mother's love-reflexing eyes, Her watchful cares, her anxious sighs, Her love that never, never dies.

The village green, where oft we played, In school-boy days, till light decay'd— The simple church, where good men pray'd— The merry bells that music made.

It pleases, and it saddens too, Life's rosy morning to review! Of childhood's group how few remain Of all that once we knew!

The wild flowers spring, where many sleep; And some have cross'd the faithless deep; And all have learn'd what 'tis to weep O'er parted joys that could not keep.

When'er I hear the liquid chime Of village bells at even time, My heart, as in its golden prime, O'er distant years delights to climb;

For then home's joys enfold me round— The fond, the lost, again are found;— Hope with her golden braids unbound, And love, with myrtle blossoms crown'd.

All, all in majestic stand, As rais'd by some enchanter's wand— A lovely, smiling, fleeting band, From Memory's dear but distant land.

CANADA COMPANY

Have for sale in Upper Canada, about TWO MILLIONS FIVE HUNDRED THOUSAND ACRES OF LAND.

Of the following description:—Viz. FIRST Crown Reserves, being lots of 200 Acres each, scattered through the older Townships of the Province.

Second, Blocks of Land, of from 1,000 to 40,000 acres. These are situated in Townships of the Western District, and in the Township of Wilmet in the Gore District.

Third, a Town and Township called GUELPH, in the Gore District, about 24 miles North West of Dundas, in which there are upwards of 800 settlers; among whom are almost every kind of Tradesmen and Mechanics; also, Taverns, Stores, Schools, Saw-Mills, a Brewery and Distillery, and one of the best Grist Mills in the Province. This is a desirable location for small Capitalists, as labourers and servants are easily procured, & lots partially improved may be purchased at a reasonable rate.

Fourth, The Huron Territory, consisting of 1,000,000 acres, in the shape of a triangle, the base resting for upwards of 60 miles on the East bank of Lake Huron.

The Town of GODERICH, containing at present about 30 Houses, with Stores, Taverns, Blacksmith's and Carpenter's Shops, a School, and a Branch Office of the Company, overhangs a harbour formed by the Basin of the Maitland, a large stream which falls into Lake Huron, and is the centre of the settlement. A Saw Mill is in operation, and a Grist Mill in progress.—Roads have been run to Dundas and London, which this year, at a very great expense, will be rendered equal to any in the Province; and the communication by the St. Clair, with Lake Erie, and thence by the Welland Canal, into Lake Ontario, gives a most advantageous mode of sending produce to the market; and this year the Rideau navigation will be completed, when produce may be shipped in a sloop at Goderich, and delivered without breaking bulk at Montreal or Quebec.

The land, to say the least, is equal to any in the Province, and greatly superior to the average of either Upper Canada, or the opposite coast of the United States. The climate, owing to the vicinity of the Lake, is more mild and equable than any not possessing similar advantages. It abounds in Brick, earth, Lime and Building stones, and holds out every prospect of becoming the most prosperous settlement in the Province.

Settlers coming by the way of Quebec, will proceed by Montreal and Lachine to Prescott, where an Agent of the Company will forward them to Port Dalhousie, and thence to Buffalo. Those coming by the way of New-York will take the route by the Erie Canal to Buffalo. From that, they are forwarded to Detroit, whence they will proceed in a smaller Steam Boat up the St. Clair, at the head of which a vessel belonging to the Company will transport them (about sixty miles) to Goderich. Should they wish to proceed to any other part of the Company's Lands, any of the Agents mentioned in the Way Ticket along the line of Road will give them the necessary advice and information.

SALT RHEUM.—This inveterate disease, which has long baffled the art of the most experienced physicians, has at length, found a sovereign remedy in Dr. LA GRANGE'S genuine ointment. Few cutaneous diseases are met with more refractory by the physician, & none in which he is so universally unsuccessful. This ointment has stood the test of experience, and justly obtained an unparalleled celebrity. It immediately removes the scabs, gives a healthy action to the vessel so the skin, and its original colour and smoothness. Numerous recommendations might be obtained of its superior efficacy, but the proprietor chose that a fair trial should be its only commentator. It has in three or four weeks cured cases of fifteen and twenty years' standing, that had resisted the power of every remedy that was tried. It not only at once gives immediate relief in Salt Rheum, but cures Tinea Capitis, commonly called Scald Head, and all scabby eruptions peculiar to unhealthy children.

There is nothing of a mercurial nature contained in it, and it may be used on infants or others under any circumstances whatever.
