F rom the Christian Guardian.

To His Excellency SIR JOHN COLBORNE. in. &c. &c. &c.

MAY IT PLEASE YOUR EXCELLENCY:

copal Curch in Canada, take the liberty to that the friends of religion will strongly reenclose to Your Excellency an address to commend Ministers of the Gospel to labor His Majesty with accompanying documents, to increase the number of Christians rather most respectfully requesting Your Excel- than the number of their own sects or perlency to transmit them to His Majesty's | suasions; to close their churches and chapprincipal Secretary of State for the colonies, els against all political meetings, and into be laid at the foot of the throne.

tunity to express our best wishes for Your | consecrated places to be profaued by the Excellency's spiritual and temporal pros- party spirit of the hour. perity; and to assure Your Excellency of our sincere desire and firm determination to second Your Excellency's exertions for the public good, by doing all in our power to promote the interests of morality and pure religion, the essential precepts of which arc, Fear God and Honor the King. By order of the Conference of the Metho-

dist Episcopal Church in Canada. W. CASE, President.

JAMES RICHARDSON, Secretary.

York. Sept. 8, 1831. To which His Excellency was pleased to by the death of Dr. Wm. Magee. return the following auswer:

GENTLEMEN. I shall not fail to transmit to the Sceretary of State your Memorial addressed to the King In returning my best thanks to you for your good wishes, I may venture to affirm that the assurances of your desire and determination to promote the interests of pure of Parliament and Nathaniel Gould, period to the present time. History of the religion. will afford general satisfaction. Esquire, are named as directors-John hecause a very unfavorable impression has Galt, Esquire, to be Superintendant. been made from one end of the Province to the other as regards an imputed secular interference on the part of your preachers; an impression, I am afraid, that must tend to counteract the salutary effects that ought to result from the active piety and zeal of had already received a proposal from a and Mineral Waters by John Bell, M. D .-Sort Society in a refer with reluctance to inculeated by Ministers of any denomination of Christians or the principles which they are said to espouse; but on this occasion I think it right to acquaint you that although the character of your Ministers is probably aspersed, and although they may not as it is said, take advantage of the influence ac-

quired, by their sacred office, to conduct the | sel. Mr. Attwood is the defendant in | ary next at noon. political concerns of the people committed to their care, to be instructed only in the words of eternal life, yet I cannot imagine that if there were not some grounds for the imputation of their inconvenient attention to secular concerns, a desire for the return of the Wesleyen Missionaries to resume their pastoral labors in this Province, would not have been generally expressed. This conclusion may be erroneous, but I am in some measure led to it from the reports which I have received of the absurd advice offered by your Missionaries to the Indians themselves, the civilization of whom the superimendents of the Indian department

are endeavoring to accomplish. With our excellent constitution in this Province, I trust, we shall always find a sufficient number of supporters of civil and | Cote-a-Baron, Robert Griffin, Esq. late Cashier religious freedom, without the interference of the Ministers of the Gospel .- Your preachers, whether they are brought from the United States, or any other foreign country, will. I hope experience, while they in Montreal where he has ever since resided. act honestly and respect British Institutions, the same protection and encouragement, and freedom, which all Americans enjoy who have found an asylum among us, and choose to live under the British Government in this Province, and securely enjoy the rights of our colonies-which are assured to every denomination, party, sect or persuasion.

Your dislike to any Church Establishment, or the particular form of Christianity which is denominated the Church of England, may be the natural consequence of the constant sources of your own efficacious organized system. The small number of our Church is to be regretted, as well as that the organization of its Ministry is not adapted to supply the present wants of the dispersed population in this new country, but you will readily admit that the sober- quired by the Royal Engineer Departminded of the Province are disgusted with ment at this Station for the year 1832, the accounts of the disgraceful dissentions | viz. of the Episcopal Methodist Church and its | Lumber of all kinds, as per specification, separatists-recriminating memorials, and the warfare of one church with another. The utility of an establishment depends ontirely on the piety, assiduity and devoted zeal of its Ministers, and on their abstaining from a secular interference which may involve them in political disputes. The for such Glazing, per specification, and Midland District, \ N pursuance of labors of the Clergy of Established Churches in defiance of moral or religious truth, will always he remembered by you who have access to their writings and benefit by them in common with other Christian Societies. You will allow, I have no doubt, on reflection, that it would indeed, (with the considerable population in the Province) be im- express the names of two Persons of prudent to admit the right of societies to known property as Sureties for the ing year. dictate on account of their present numeri- undertaking. cal strength, in what way the lands set apart as a provision for the Clergy shall be disposed of. Ample information on the question has been laid before the Imperial Parliament, and no inconvenience while it is pending can arise in respect to the occupation of these lands; for there are more acres now offered for sale than purchasers | coin at the rate of 4s. 4d. per dollar or can be found for them.

In a few years the Province will be peopled by millions of our own countrymen, £101 10s. Sterling due upon the Conand many of the arrangements of His Majesty's Government will have reference naturally to the population of the Mother Country destined to occupy the waste lands of the Crown.

The system of education which has produced the best and ablest men in the United Kingdom, will not be abandoned here, to suit the limited views of the leaders of Societies, who perhaps have neither expe.

rience nor judgement to appreciate the value or advantages of a liberal education : but HE Agents to the Honorable East the British Government will. I am confident with the aid of Provincial Legislature, establish respectable schools in every part of the Province; and encourage all societies to follow their example.

PROSPECTUS. Of a new Weekly Paper on a plan never attempted before. For whereas one saith "I am of Paul" and another, "I am of Appollos", and yet another "I am of Cephas" and as All say "I am of Christ," therefore

ROBERT JEFFERS Proposes publishing in the Town of Kings ton, Province of Upper Canada, a new Weekly Paper to be styled

## THE ALEMBIC OF TRUTH.

This Paper is to be conducted upon a plan NEVER ATTEMPTED BEFORE. It shall not be confined to the advocacy, nor to the interests of any particular sect or party. Its columns shall be equally open to the Religious of EVERY persuasion.

The Editor has perceived, that, most Periodicals set out with vast professions of "Moderation"-a declared avoidance of all controversial subjects .- Giving numerous pledges which they never redeem. The Alembic of Truth makes no such

promises .- On the contrary, its conductor being persuaded that TRUTH can never suffer from investigation. He therefore invitessuch investigation ; he challenges such | are requested to send in their Lists of Subdiscussion .- His columns shall be a COM- scribers as soon as possible, as it is intended MON GROUND, where every bigotted, every enthusiastical, as well as every mod- of a competent number of names. erate, sensible, and able man of every professed section of the Christian Church may have now an opportunity, of advertising in unhesitatingly state his own particular a paper the circulation of which, is likely views, and have them proved or refuted, to exceed that of any other paper in the according as they may be found solid or province, not excepting (our estimable) chimerical when weighed in the impartial "Brother Egerton." scales of Truth. Provided, that instead of foul epithets, and giving odious names, he other paper. contents himself with producing his best arguments. In fine, the intention of this to any party whether in religion or politicspublication is THE DEMONSTRATION OF but shall follow that plan which to himself WHAT IS TRUTH, and if there be an amount shall appear best calculated to promote the of disposable MIND on this continent, suf- public good. ficient to attain this mighty object-it shall be attained!!!

Is this age, or is it not, an "Era of Light?" -does not the womb of time appear as if ORIGINALLY, FEARLESSLY, and PECUteeming with NEW productions? The LIARLY on several subjects, and wishes to " Episcopalian " comes forward certain He leave behind him a record of his opinions has found the "Truth." The "Presbyteri- that they may pass for what they are worth. an" with no less pretensions. The "Catholic" fully as confident as either. The this prospectus a number of redoubted cham-"Methodist" \* \* \* But here it may be necessary to pause. While the conductor professedly to enlighten the world but realof "The Alembic of Truth" declares he ly (as others thought) to set it on fire!!! HE next Assembly will take place knows of no religious denomination which

He believes he is impartial, and is free to declare, that, if he could find the man whose to Robert Jeffers, Kingston, will be promptreligious creed was more liberal than his ly attended to. own he would take up that man's views and lay down his own-and he is equally free to declare that if it can be satisfactorily proved, that, any particular Church is right In its form of chuzen-coverances: DOCTRINES-DISCIPLINE and PRACTICE, by Mr. Gibson, together with the lots rehimself fearlessly to avow them.

He does not intend that his paper shall wear the aspect of " Sour Godliness" nor that it shall be exclusively religious ;-he trusts that it shall be found at least equal to any other paper, in ministering to the general information and recreation of his subscribers-that it shall furnish subjects for innocent (or second best) conversation, to the exclusion of the "Holy Bitter" of religious slander-too often found in "the skirts" of long-faced "Brothers" and longbonnetted Sisters."

It is pleasing to see every man attached to his native land-that man who is not true to his country will not be true to any thing treal, will in like manner be disposed of. else. Those who are not acquainted with the Editor may be curious to know what country has the houour or stigina of his birth .- To such he would say, that although his ancestry is of English origin. He is by birth and education an Irishman-in this leave to acquaint his friends and The Ships will be disposed of separate- he glories .- Yes! Notwithstanding all the faults and crimes attributed to that portion of its refuse population found in this and other countries. Notwithstanding all the faults and crimes flowing from the neglected state of that portion of its refuse population ses, which must be done at the purcha- " who have left their country for their country's good."-He glories in his country!

He is proud that he feels as an Irishman because it enables him the more fully to the remainder of the purchase money feel as a MAN .- The generous sympathies hundred acres each, and plans prepared for of his country know no narrow nationalities public inspection; which plans may be in--borne forward by the fraternal glow they spected in the office of the Surveyor General, extend the hand—the heart, to the Brave, or in that of his Deputies. the Great, the Good, of every clime and of
