The Canada Steam Packet, ELL found in all materials, her engine in good order, her hull has undergone a most thorough repair within a short period to the amount of some hundred pounds, when her decks, beams, and upper works were all made new. She is well adapted for any short route, is an excellent seaboat, well adapted for towing, passengers or cargo. Her speed is 8 miles per hour, and more when favored by her canvass, being schooner rigged. She will be sold extremely low for Cash, or part Cash part Credit. She is now lying at Toronto. For further particulars apply to

HUGH RICHARDSON, MANAGING OWNER,

Toronto, Nov. 3J, 1835.

(COPY.)

In Council.

17th October, 1835. THE Council having taken into consideration the Licut. Governor's reference of the 5th instant, on the question of U. E. Loyalists' Rights and Militia Claimants, respectfully recommend, that the suggestions of His Excellency be adopted, and that the Deeds do issue in the names of the original Grantees, to all persons who have received Location Tickets, as U. E. Loyalists or Militia Claimants, without further delay. And it is also recommended, that in future certain Townships may be set apart for the location of this description of persons, who may be authorised to receive Free Grants on account of their U. E. Loyalist or Militia Claims, and that the Deeds shall issue in the names of the Grantees respectively, at the time of their location.

These Regulations, made for the purpose of adjusting the question, which, for the interest of the Province, it is considered should not E. Loyalists or Militia Claimants entitled to grants of land, from settling in other Townships, provided that they wish to occupy their own Locations, and to take up their residence on the lots assigned to them.

It is further recommended, that the Surveyor General be instructed to publish this order. (Signed) JOHN BEIKIE,

Clerk Executive Council. UST RECEIVED and for sale by the

Subscriber, A SELECTION OF PSALMS and HYMNS,

For every Sunday and principal Festival

throughout the year: for the use of Congrega tions in the DIOCESE OF QUEBEC:

Selected and arranged under the Authority and direction of the Hon, and Right Reverend THE LORD BISHOP. JAMES MACFARLANE. Kingston, Oct. 10, 1835.

PROSPECTUS

OF A WORK ENTITLED

KEY TO THE PRINCIPLES OF NATURE.

MOMPRISING the following systems as original, viz: 1 .-- ERR AND FLOW OF THE TIDES, Caused by contraction and expansion, thro cold and heat, from the alternate absence and presence of the Sun.

II. -GRAVITY, By a head pressure of the electric element, acting upon all matter as electric vacuums. which I term Presstraction."

III .- MAGNETISM. By electricity as its legitimate cause, through electric vacuums, including the phenomena of the Compass by the same agent.

IV .- MOTION OF THE PLANETS, By one simple original impulse, assuming a curvilinear direction round Their respective centres, by local and universal repulsion in opposition, from the electric atmospheres of their centres and universal space; thus neutralizing their orbits, relative to resistance.

V .- SEASONS, By the alternate inclination of the poles of the Earth, to and from the Sun, thus vibrating by the expansion and contraction of their atmospheres.

VI. -- SATURN'S RINGS. As lunar reflectors for the polar regions of that planet.

VII.-CLIMATE, Distance of the remotest planets from the sun, as regards climate, is equalized by the increase of surface of those planets, which retains a greater proportion of light and heat, and thus maintains the same temperature with nearer planets.

By Thomas Jefferson Eddy,

Copy Right secured according to Law.

The above work will be published at Waerford, Saratoga county, N. Y., as soon as sufficient number of Subscribers are obtained to warrant its publication, and centain from 225 to 250 pages duodecimo, med um size, on fair type and good paper, accompanied by two engravings, illustrating the power of presstraction (erroneously styled attraction,) and universal motion. The former will be represented by a column of the electric element. resting upon a mass of matter (which I style an electric vacuum,) thereby causing it to gravitate towards the centre of the earth, which is one common vacuum in the electric element; also including in the same engraving, a representation of the power and agent of the inagnet.

The latter (universal motion,) will be resented by a drawing of the solar system element with a division of its pressure into those who vote for them at elections. local and universal repulsion, by which each planet is caused, from philosophical principles, | umos all religious controversy, unless where a to travel in a curvilinear line round its centre | wanton attack is made upon any body of Merino, Mohair, and Lamb's Wool Hosiery, by one simple and primary impetus.

the author feels himself justified in presenting | without interference, as he is responsible for them to an enlightened community, respectfully soliciting their patronage to a work that comprises assigned causes for many of the natural phenomena, that have been looked upon by the whole school of philosophers as beyond the reach of human ken to tathom, and that have slumbered in the cradle of Nature's arcana, from the commencement of time.

The author flatters himself that many causes of the striking phenomena which have been to please either Whig or Tory. If he be satdeemed past finding out, will be satisfactorily isfied with himself at the expiration of a year, explained and developed. (FT The price of he will treat himself and any well wisher to the above work, bound in sheep, will be 6s. Sd.; a bottle of something that shall be nameless at in calf, gilt, 7s. 6d., Halifax currency, exclusive of the duties.

WATERFORD, Saratoga Co., ? N. Y. Feb. 28, 1835.

* NOTE .- The following definition the auhor has attached to his original term pressraction:-The natural power that causes bodies to approach each other, without any sensible cause, through the clasue medium, electime processing. Risms the nature of the real principle (pressure,) and the apparent one (traction,) causing the mutual approach of bodies or substances, without any visible cause, he has established the term presstraction. The verb presstract seemingly carries a contradiction, (press-draw,) as the real and apparent cause producing gravity involves a contradiction. Therefore, the author thinks that presstraction is the most appropriat, term to represent the principle of gravity. The above work, as far as it involves electricity, will be endorsed (through citation,) by the spirit of the philosophy of Franklin, relative to his electrical experiments, to establish the principles; but the applications, however, are entirely origi-

PROSPECTUS OF THE BYTOWN INDEPENDENT

Farmer's Advocate,

To be published by the Subscriber at Bytown, on the Thursday of every week. Until it shall be deemed necessary to publish a Semi-Weekly Paper -a change that can prove beneficial to one party only, viz :he who receives two papers instead of one.

HILLS Paper will cheerfully advocate the national character and interests of every true Briton-IRISHMEN and their descendants first on the list-notwithstanding that certain old wives whose heads are bursting with loyalty, and who forget themselves and their superiors because those superiors are IRISH-so situated thank fortune! as to be above their malico or their envy.

The proprietor, will make it his study to promote the interests and prosperity of the County of Carlton and the Province in general, and will take an occasional peep into the affairs of our sister. He believes that it is impossible for one Province to prosper while the other decays, and that it is the duty of all loyal and peaceable subjects in both Provinces to pull together for their mutual welfare. much depends upon this co-operation. In Lower Canada as well as in Upper Canada there exist many injudicious laws, and many that should be amended or struck from the Statute Book altogether, but the proprietor is of opinion that this would be an arduous undertaking for 800 rebels with their rifles.

The proprietor will on all occasions uphold the King and Constitution, by enforcing obedience to the laws. He will never forget the fostering hand of that nation which protected, or that army which defended us, while in the cradle. May the Union Jack of Great Britain never cease to proudly wave over the Citadel of Quebec! The King desires to do no wrong. but who can deny that many of his Ministers on hand .- May 18. and officers have covetous eyes, and that unless the covies of both Provinces are lopped off and turned adrift to gain a livelihood by their own industry, the best of subjects may become dissatisfied.

The proprietor will be at all times happy to receive any information concerning the misapplication of the public monies or the malefac- FALL and WINTER GOODS. tions with which public officers may be charged, from the judge down to the crier. All are fine and common Broad Cloths, Pilot and Forpublic servants, and their deeds should be laid before the country, who have a right to judge of them. We should perhaps except the Attorney General, and the Solicitor General, who have an exclusive, if not a patent right, to prosecute and forgive at pleasure. This with the planets surrounded by the electric discretion they particularly use in favour of

The proprietor will exclude from his col- Children's Christians. He desires that every man should As the above systems are cutirely original, be allowed to walk in his own peacoful ways them to God alone.

THE BYTOWN INDEPENDENT will be published on good paper of a fair size and be charged at four dollars per annum exclusive of postage, payable semi-annually in advance, or as it may suit the proprietor. The press and types will arrive at Bytown in a few days. In conclusion, the proprietor begs leave to say, that he will not pledge himself

JAMES JOHNSTON. Bytown, 16th December, 1835.

PROSPECTUS.

In the latter end of November, or the beginning & Co.'s Hardware Establishment, beg to inof December, will be Published No. 1 of a new Weekly Perindicals.

To be Entitled THE TRAVELLER, OR, PRINCE EDWARD GAZETTE.

S it is now nearly eleven months since any newspaper has been published in the District, it is presumed that the TRAVELLER will receive support from persons of every party, who, laying aside their prejudices, will unite in establishing a vehicle for the expression of their wants and wishes, their feelings and opinions, instead of annually sending away several hundred pounds for the purchase of other newspapers, whose wishes are often opposed to our own.

Its publisher is pledged to no party whatever; but although devotedly attached to his King, his Country, and the Constitution of Canada, he will always be ready and willing to expose any known abuse in the Government, any departure from the path of duty in a servant of the Crown.

And, being well aware that the present and future prosperity of Upper Canada mainly de- and Champagne Wines, Crockery, Glasspend on its connexion with the British Empire, it will always be his endeavour to cherish that connexion, and to frustrate the designs of of their Stock, which, they feel confident will those who, by dissolving it, would lead us to in quality and price afford satisfaction to purdestruction.

The publisher of the TRAVELLER is well acquainted with the duties and responsibilities of the office which he is about to assume; and he is determined to devote his time and talents. to the support of the King and Constitution. the promotion of morality, the diffusion of useful knowledge, and the improvement of the District in every respect.

And while he will fearlessly express his own opinion on any political subject, he will carefully collect and publish the facts on both sides of the question, that he may enable his readers to judge for themselves; and, by a judicious selection of commercial and agricultu- of the year, Twenty-five Shillings. ral information, poetry, anecdotes, and other amusing and entertaining extracts, he hopes to make the TRAVELLER a welcome guest wherever it may travel.

The Traveller will contain twenty-four columns of letter-press, and will be printed with new type, on good paper, and furnished to subscribers in the village, and those who take the paper from the office, at twelve shillings and sixpence per annum, if paid in advance, or before the end of three months, and fifteen shillings per annum, if paid at the expiration of the year.

If sent by mail, four shillings extra must be paid for postage, and papers will be delivered at suitable places, within eight miles of the District Town, for the sum of two shillings and sixpence extra for each subscriber. Subscriptions thankfully received by the
