### PROSPECTUS OF THE

Emigrant & Old Countryman. and Local intelligence of England, fre-

The origin and history of the EMIGRANT and of the OLD COUNTRY MAN are known to all our readers. The two papers were by mutual agreement of the respective Proprietors united on the 7th Oct. last, and merged in one journal under the above title. The success so far has been highly flattering, and satshes all the favourable expectations that were formed. At the period of the junction a great improvement was made, both in matter and manner of getting up, which the Proprietor has every reason to believe has met with the adapted for commercial purposes, being situat- | greatest approbation. The editorial management was consigned to A. D. Paterson, Esq. a native of the Old Country, and a gentleman of classical attainments and literary acquirefurther particulars application may be made ments. His efforts have been crowned with

The Emigrant and Old Countryman is intended for the use of the numerous British residents upon this continent-its details consisting of all the local news of the three Kingdoms; the numerous occurrences in the Mining, Agricultural, and Manufacturing districts, as well as the mighty Metropolis of England, The Internal Improvements, the Corporation proceedings of the different towns and cities, remarkable Trials, &c., are faithfully recorded; also the Sporting Intelligence, state of the der: Markets, List of Bankrupts and Insolvents, &c. &c., all arranged under distinct heads, and adapted to such British residents in this country as cannot obtain access to the English

The politics of the Emigrant and Old Countryman are liberal and impartial, and not warped by any feeling of party spirit what-

It is published every Wednesday at No. 77 Cedar-street, New York, at Three Dollars per

annum payable in advance. The extensive circulation of the Emigrant and Old Countryman among people from the Old Country, renders it an excellent vehicle for land and other advertisements, conveying information to persons lately arrived in this

The new volume commenced on the 6th inst, being the first Wednesday of the month. The Proprietor and Editor return their hearty thanks to the public for the extraordinary

patronage they have received, and pledge themsolves that no efforts shall be wanting to render themselves worthy of it. As a proof of the rapidly extending circulation of the united papers, we may state that in the first three months after the junction, say from the 7th of Oct. to the 7th of January, four hundred and 7s 6d per ton. twenty-four new subscribers were received.
