REPORT OF THE DIRECTORS TO THE COMPANY, AT THE ANNUAL MEETING OF THE Midland District Mutual Fire Insurance Company, June 7th, 1841. THE BOARD OF DIRECTORS beg leave to Report that during the year, June 7th, 1840, to June 7th, 1841, Policies have issued, 50 Am't of property insured, £23,063 0 0 Amount Insured last year, 56,937 0 0 Total, £80,000 0 0 Amount of Premium Notes on hand, 4783 0 0 Balance in the Treasury, as per last year's Report, ending 5th June, 1841, 153 + 8 The Directors beg leave to publish, as well for the information of the Members of the Company as for the inhabitants of the District at large, a general statement of the funds and affairs of the Institution, and to submit the following remarks. In consequence of the separation of the County of Hastings (now the District of Victoria) from the Midland District, the Company have been deprived of a number of insurances of very valuable property; but on the other hand, they have the satisfaction of stating that the additional insurances which have been effected with the Company in the Town and country since the separation, have greatly tended to make up the deficiency which would otherwise have appeared. They beg further to state that although the Company have sustained some serious losses by fire (requiring a greater call upon the premium notes than had been anticipated) the confidence of the public in the stability and utility of the Institution continues unabated, which is no doubt to be attributed to the fact that those who have insured in the Company since its commencement, have, notwithstanding the unforeseen events which have occurred, paid a much less rate of premium in a corresponding length of time, than they would have done with any other Company. For example, a second class house insured in any foreign Company, cannot be perfected for less than 1 per cent., say £1000 for 5 years, £50 0 0 In the Mutual Insurance Company such an insurance can be effected at the rate of 4s 6d per £100, amounting in 5 years to 1 1 0 1/2 The Company sustained no loss during the last 5 years, amounting to 30 per cent. on premium notes, in this case, on note £45—13 10 1/2 Leaving a saving in favour of the Mutual Insurance Co. of 25 5 0 The Directors in conclusion would respectfully urge upon the community the necessity of weighing the advantages and saving, which such an Institution (if properly conducted) must afford to the District, and to solicit their individual exertions in bringing it to the same degree of prosperity which several of those of other Districts exhibit. OFFICERS. DAVID JOHN SMITH, Esq., President. DIRECTORS. JOHN R. FORSYTH, JOHN MOWAT, JOHN S. CANTWRIGHT, JOSEPH BRUCE, CHARLES HEATH, and JAMES WILLIAMSON. DAVID J. SMITH, Esq., Treasurer. WILLIAM TWISS, Secretary.

THE BAPTIST SOCIETY recently organized in Kingston, propose to erect, upon land which has been purchased for the purpose, a place of Divine Worship, for their own use, and the use of any of their fellow-townsmen who may prefer to attend it convenient to worship with them. TO the Inhabitants of Kingston. THE BAPTIST SOCIETY recently organized in Kingston, propose to erect, upon land which has been purchased for the purpose, a place of Divine Worship, for their own use, and the use of any of their fellow-townsmen who may prefer to attend it convenient to worship with them. It is presumed that the rising importance of the Town, in connection with the claims of an increasing population, will secure a share of public sympathy, as well as pecuniary assistance, to those who thus seek to furnish it with another Christian Sanctuary. To erect a substantial edifice, such as is contemplated, with suitable accommodation for the instruction of the young, will involve a large expense; towards defraying which, in addition to what they themselves provide, no other resources are available than such as public and Christian liberality may supply. Confident in the aid, rendering by their fellow-townsmen and immediate neighbors, the help of friends at a distance will be most readily be gained. Parties connected with the undertaking will very shortly wait upon the inhabitants and residents of the Town to solicit contributions. The following Donations, &c., are hereby acknowledged.
