

**MURPHY'S LIFE PILLS AND PHOSPHORUS BITTERS.** A successful treatment of almost every species of disease by the use of MURPHY'S LIFE MEDICINE, is no longer a matter of doubt, as a reference to the reports of many thousands of cured and satisfied persons. Their present success is due to the knowledge of Mr. Murphy, whose patient list is so large, as to afford a permanent cure by the exclusive and judicious use of the Life Medicines, which are now being prepared in accordance with the most improved methods of the art. The Life Medicines are a purely Vegetable Preparation. They are mild and pleasant in their operation, and at the same time, they are acting rapidly upon the secretions of the system, and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other preparation. In Fever-and-Ague, Intermittent Biliousness, Fevers of every description, &c. &c. the Life Medicines, taken on the head, raise in the Chest, Phlegm, improve the appetite, and in every degree arising from an impurity of the blood, a disorderly state of the stomach, the use of these Medicines has always proved to be beyond doubt, decidedly superior to any other mode of treatment.

All Mr. Murphy asks of his patients is to be patient in taking them strictly according to the directions. It is not by a temporary course, or by anything that he himself may say is their favor, that he hopes to gain credit. It is by the cure of a fair trial. To the reader an unwell, and desirous to know whether the Life Medicines will cure his own case? If so, he will call on Mr. Murphy at his place, and procure a copy of the Medical Manual, designed as a Directory to Health, published anonymously. He will then find every disease, and every variety of disorder, and perhaps none exactly similar to his own. Mr. Murphy's Medical Office is in New York, 373 Broadway.

The above valuable Medicines are sold by N. PALMER, who, in addition to a very General and Extensive Assortment of Drugs and Medicines, keeps a general and extensive Assortment of English and American Family and Cannon Stationery, Books, Perfumery, &c. &c. Kingston, February 22, 1841.
