EDUCATION.

MRS. HAMILTON'S BOARDING &

DAY SCHOOL, for a limited number

of young Ladies, for the present in the late

residence of Mrs. Cumming, in rear of the

Scotch Church.

Mrs. H. (formerly Miss Grattan) has had

many years' experience in the education of

young persons, having had the principal School

in the City of Limerick for many years, and af-

terwards one at Ambleside, in Westmorland,

also for the last two years a School at Toronto.

Her mode of instruction is chiefly by Lecture,

which has been much approved, as her numer-

ous testimonials testify, and she feels assured

that parents or friends committing children to

her care will not have reason to regret the

confidence which they may place in her. In her

own the advantages of a Public School are

combined with a private education.

C. School will commence on Wednesday

the 1st day of September ensuing.—Terms can

be known on application.
