The Well Known Turf Horse,
VALUABLE PROPERTY FOR SALE.
At Portsmouth Harbour, consisting of
FOUR WATER LOTS,
 ON TWO of which are new and substantial Wharves 140 feet by 60 feet; will be fitted for Forwarding, or other purposes, and
FIFTY BUILDING LOTS
 adjoining. The whole to be disposed of by public sale, on Friday the 13th day of May next.
 The above property is most eligibly situated, being within a stone's throw of the Harbour, and commanding a full view of the Bay and river. The Harbour is known to be the safest on the Lakes, and within which a large and increasing business is now done. A Marine Railway and Steam Saw Mill are in successful operation, and no doubt can be entertained of the rapid growth of the place in consequence of its natural advantages, the many wealthy and enterprising individuals who have purchased in the immediate vicinity, and its proximity to the communication will be excellent when the plank walk now in progress, is completed. On the property are several springs of excellent water, and the best limestone quarries in the province.
 Correct plans of the Town plot and Harbour may be seen at Rasco's Hotel, Montreal, at the British American, Toronto, at the Office of T. Kirkpatrick, Esq., Agent, Kingston, (to whom reference may be made,) and to the Proprietors on the spot. Terms made known at time of sale, or by application to
 McLEOD & LOGAN,
 The Montreal Gazette, and British Colonist, will please insert the above till the day of sale, and send accounts to Thomas Kirkpatrick, Esq.
