THE ALBION.

The Proprietor of the Albion has determined to print a part of the edition of that Journal in a more convenient form for binding, in order to meet the wishes of some of his Subscibers. The change will commence with the number of the paper pub-KERR, WADDELL, & Co., respectfully bers to the smaller size should avail themselves immediately of the opportunity of commencing with the said surrounding country, that they have been surrounded to the opportunity of commencing with the said surrounding country, that they have been surrounded the opportunity of commencing with the said surrounding country.

mediately of the opportunity of commencing with the first number published in that form.

The annexed announcement appeared in the Albion of Sat rday last:

PORTRAIT OF NELSON

. We have the estisfaction to announce that we and London, comprising every article in their line, which have all been bought for cash. They feel confident that no house in British North America can supply the public at lower rates.

We have the satisfaction to announce that we have made an arrangement with Mr. Dick to enjugate the major of securing at all times a plentiful supply of quenting this Hotel may limit their expenditure as in the Coffee Room which is conducted in the London style, every article of retreshjesty the Queen, so well known and so popular among the numerous readers of the Albion. On the receipt of the plate from Mr. Dick, we shall, imof our readers with a copy. Price to non-subscri-bers two dollars.

The following is a short notice of a new paper about to be issued from the Albion office :-

THE "QUEEN OF THE ISLES."

12s. 6d.; and one note against Ann Copeland for £12 10s. 6d.; and one note against Ann Copeland for £12 10s. 6d.; a Due Bill signed by said Parrott and Asselstine for £7 10s. 6d.; with other papers of no value save to the owner.

All persons are hereby forbid purchasing said Notes, and any person finding and returning said Pucket Book and its contents to me, at Mr. Michael Asselstine's Weellen Factory, will be liberally repaper will be especially prepared for, and adapted to the use of the British Residents on this continent. It will be different from the Albion or any other formal. Terms three dollars per annum; and to the regular subscibers of the Albion it will be afforded at the low price of one dollar.

Of all the literary Journals published on this Continent, the Albion is unquestionably the most interesting to the British reader, and from the spirit with which the Emigrant was conducted, while under the control of Doctor Bartlett, there can be no
