#### SANDS'S SARSAPARLLA. For the removal and permanent cure of all diseases arising from an impure state of the blood, or

Addit of the system, namely:

SCROFULA, or King's Evil, Rhrumatism, obstinate acc, Blotches, Biles. Chronic Soie Eyer, Ring Worm y Tetter, Scall head, Enlargement and paint of the hours and Joints, Stabhara Ulcers, Syphilitic Symptoms, Bristica, or Lumbago, and diseases arising from an injudicious use of Mercury, Ascites, or Dropny, Exposure or impundence in life. Also, Chronic, Constitutional Diseasers will be removed by this preparation, Improvement in whatever regards the happiness and wolfare of our race is constantly on the march to perfection, and with each succeeding day some new problem is solved or some profound secret revealed, having an important and direct bearing over man's highest destinates. If we take a retraspective view over the past twenty years, how is the mind struck with worder? What ropid strides has achence made in every denarcement of civilized life? particularly in that which relates to the knowledge of the human system in health and disease. How valuable and indispensable are the curative means recently discovered through the agency of the standard of perfection, of the present time!—Through the elaborate investigations of Physiology, or the science of Life, and the Pathology of prevalent diseases, sauch valuable practical knowledge has been gained. In consequence of becoming acquainted with the organization, the elements of the various tinges and structures of the system, remedies have been sought after and discovered exactly adapted to combine with, neutralize and expedience of discovered exactly adapted to combine with, neutralize and elements. habit of the system, namely : the elements of the various tissues and structures of the system, remedies have been sought after and discovered exactly adapted to combine with, neutralize and expet morbific matter, the cause of discover, and substitute healthy action in its place. The hemotifit simplicity of this mode of trustment is not only suggested by the pathology of discover, not only grateful to the sufferer, but perfectly in commande with the operations of Nature, and satisfactory to the views and reasons of every intelligent, reflecting mind. It is thus that Sandy's Sarsaparilla, scientific combination of essential principle of the most valuable vegetable substances, operated upon the system. The Sarsaparilla is combined with the most potent simples of the vegetable substances, operated upon the system. The Sarsaparilla is combined with the most potent simples of the vegetable substances, operated upon the system. The Sarsaparilla is combined with the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the most potent simples of the vegetable substances, operated the substance of the most valuable va

Inc attention of the reader is respectfully called to the following certificates. However great achievements have beretedore been made by the use of this invaluable medicine, yet daily experience shows results still more remarkable. shell also be happy, through you, to publish to all who are afficted, as I lately was, the account of my unexpected, and even for a long whate desparred of cure. Mind to a stone boundary marked F, thence along the approach story, and taying and so known go is the narrative of it, for the sake of many who may the so successory by relieved, I will briefly yet accurately state it.

Nimeteen years ago last April a fit of sickness left me with an Eryspecias craption. Dropsing containing by admeasurement one-fifth of an will be found a choice selection of the best naterials, style, and needs a paragraph of the place over the entire surface of my body, needs a possibly took place over the entire surface of my body.

Any person or persons baries element on one less, to the place of beginning, the Ladies to their stock of Shawls, amongst which will be found a choice selection of the best naterials, style, and workmanship.

mediately took place over the entire surface of my body, causing such an enlargement that it was necessary to add a half yard to the size of my dresses around the muster. Next followed, upon my limbs, ulcres, painful muster, the analy mitigating of my suffering was found in pouring upon those parts cold water. From my limbs, the pain extended ever my whole body.—There was literally for me me rest by day or sight. Upon lying down these pains would almost through my system, and compel me to orise, and for hours together, walk the hours entirely deprived of steep.

During this time the Erysipelus continued active, and the ulcres entirely deprived of steep.

SHERIFF'S SALE.

SHERIFF'S SALE. During this time the Erysapelus Committed active, and the sites a subarge I, and an deeply have three caten, that for two and a baif years they have term subject to bleeding. During these almost twenty years I have consulted many physicians. These have called my discoverable it was attended with an electroste rough and a steady and scribe pain in my sade—a disspecial consumption; and though they have been skilled postationers, they were only able to afford my case a partial and it reported to discribe. I have also used many of the medicines that have been recommended as infailable cares for the discrete, it have all failed, and I was most complicated to discribe. In this critical condition, given up by girnds, and expecting for myself, relief only in drafts, I was by the timely interpression of a kind Previdence, forniabed with your, to me, invaluable Sursaperiills. A single bottle give me an assurance of health, which for twenty years I had not once felt. Upon thing the second my enlargement dimension, and in twelve days from the 4sh of October, when I commenced taking your as a religious to the street days from the 4sh of October, when I commenced taking your as a religious to the street days from the 4sh of October, when I commenced taking your as a religious and the street, when I commenced taking your as a religious and the street, when I commenced taking your as a religious and the street, when I commenced taking your as a religious and the street, when I commenced taking your as a religious and the street.

health, Bendes, I was, in the short time, referred from all those exerciciating and unableviated pame that had affected my days, as well as robbid me of my night's repose. The ulcers upon my limbs are healed, the Exysteplas cured, and my size reduced meanly to my former John Patton,

Thus much do I feel it a privilege to tratify to the effi-Thus much do I feel it a privalege to testing to the case case of your health-restoring Sarsaparitie. A thousand thanks, sirs, from one whose comfort and whose hape of future health are dur, under God, to your instrumentality. And may the same Providence that directed me to your aid, make you the happy and honored instruments of bleasing others, as discased and depairing as your much relieved and very grateful triend,

#### HIGHLY IMPORTANT. THE STUDY OF MANY YEARS REDUCED TO MR. ALEXANDER,

From London. DESPECTFULLY announces his arrival in Town, and will for a short period, give in-structions in Fashionable and Mercantile Penman-

which invariably implies a very imperior rope and certainly detracts a lustre from every other atninment. Terms moderate. Hundreds of specimens to be seen, by Quebre and Montreal Pupils, at Mr. A's apartments, at J. BERW'S, Princess

This system differs in every respect from any that has ever been offered in America, as the systematic I deem highly inexpedient, and the latter expression invented by Mr. Alexander, simplifies the whole process to four plain movements of the Pen; and these produce that uniformity, finish and freedom in execution, which characterise the per-formance of his Pupils. It is attainable at any age A large assortment dipatterns for needle-work and materials to match, and a few half-worked pieces, and many other articles too numerous to mention. Watches, Jew read their notes with ease. Book-keeping by double entry, taught in twelve Leasons, in which course the Pupil will open, post and balance a complete act of books, and be made fully qualified to act as a book-keeper in any mercantile establishment, how-ever complicated and extensive its operations may be. Separate apartments for Ladies.

## MR. FRANCIS HUNT,

BEGS leave to inform the young Gentle-men of Kingston who are desirous of acquiring a knowledge of the French language. hat he has opened a SCHOOL at Mr. Rorrison's, Princess Street, where he attends every evening, from 7 till 10 o'clock.

There are several Gentlemen of Classical education taking private lessons from Mr. expenditure was, for the State canals, \$1,- sources of the state, together with \$14,657 from the state, and many of them was, after the state, 1975, 2010, together with \$14,657 from the state, together with \$14,657 from the state of the state, together with \$14,657 from the state of the state, together with \$14,657 from the state of the sta Author with as much erse as an English one. Reference can be made to Dr. Allen, Brock Street, and to several other gentlemen, who will fully corroborate this assertion.

Terms made known at the Book Store of

# CAPITAL AND COMMERCE.

Massachusetts has at this time a capital nvested in manufactures of \$42,000,000. As a commercial State she is second in the Union only to her neighbour New York, with her three millions of people. Her citizens have nearly \$12,000,000 invested in the fisheries, which is stated to be more than twice as much as all the rest of the Union."

## NEW JERSEY.

This State owes no public debt, other than one of \$99,566 57 due from the general to the school fund.

The receipts into the treasury for the year ending October 25, from ordinary sources, were \$52,219 88. The amount The expenditure for the ordinary purposes of the government were \$61,502 14.

payment of interest and temporary loans. The receipts of the school fund last year

ly with the liabilities of the State, which he thinks should be met without delay. And as their works of Internal Improvement

have been a failure, he recommends, "The sale of the New Orleans and Nashville Railroad, the Port Hudson and Clinton Railroad, the Mexican Gulf Railway, with all the land and privileges attached to them, as well as the slaves, implements, and materials, belonging to them—also the interest of the State in the Barrataria and Lafurche Canal Company; and in making these sales, all the direct liabilities of the State should be receivable in payment of the price. I recommend further, that the onds of the State issued in favor of the Clinton and Port Hudson Railway Compa-

ferred to the State, to secure their payment. He also recommends for the same res-"that the slaves, steamboats, and other property of the State under the superintendance of the State Engineer should be sold; that the office of Engineer lie abolished and that appropriations for all public works

The 500,000 acres of public lands in the State he also recommends to be sold for the same object as nothing so fetters and degrades a State as a heavy public debt

with no means provided to meet it. He recommends a revisement of the law of taxation and the abolishment of Capital Punishment for duelling, arson and burglary, There are at present 140 Banks in the as the law cannot be enforced so long as with a nominal capital of \$5,139,776, of as of paramount importance, as almost say A Convention is recommended to be called for the amendment of the Constitution
