Mormon difficulties in Illinois.—The Quincy Herald of the 9th instant, states that four waggons passed through that place on Tuesday previous, on their way to the State Arsenal at Alton, for the pur-Ordered, that William Randall, be appointed Superintendent of Common Schools for the Township of mons. The difficulties and the prespect of an immediate breach between the citizens and the Mormons has been brought to the knowledge of Governor Ford, and he has been earnestly appealed to, to maintain the peace and protect the innecent. The state of exas-peration between the Mormons and citizens is such that we will not be surprised to hear of actual hostili-

On motion of Mr. Denike, seconded by Mr. Me- ADDRESS TO SIR CHARLES METCALFE FROM THE ASSEMBLY OF NEW

BRUNSWICK. During a large part of Monday, Tuesday and Wednesday, the House was engaged in discussing the Address to the Governor General, which was carried on the last day by a majority of 20 to 11. - Immediately after which, Mr. Hill moved the following resolution, which was carried by a majority

Resolved, This Committee view with much satisfaction, the recognition and exposition by his Excellency the Governor General, of the recently esablished system of Colonial Responsible Government, as contained in his Excellency's late reply to he Address of the Warden and Councillors of the Gore district in Canada West.

Yesterday morning, the minority of the preceding vening, were desirous of having their names placed on the other side ; which was objected to. A motion was then made to expunge the Resolution, which was lost. The following Resolution, meaning much the same thing, was then introduced and carried-

Resolved, That this House doth heartily concur in the definition of Colonial Government, contained in he recent answer of his Excellency Sir Charles Metcalfe, Governor General, to the Address of the Warden and Council of the Gore District, Canada. ADDRESS TO THE GOVERNOR GENERAL To His Excellency Sir Charles Melcalfe, Bart., Governor General, &c.

The humble Address of the House of Assembly of New Brunewick. MAY IT PLEASE YOUR EXCELLENCY.

We, the Representatives of the people of New Brunswick, in Parliament assembled, deem it a duty we owe alike to your Excellency and the loyal constituency of this Province, to express our high ad-miration of the constitutional principles promulgated by your Excellency, in the recent memorable con-flict with your Excellency's late advisers. If this had occurred in a Colony unconnected with

British North America, we might have abstained from a declaration of our sentiments; but considering ourselves as a portion of your Excellency's Goverament, we cannot refrain from offering an assurance of our firm determination, to uphold your Excellency in maintaining the prerogatives of the Crown, invaded as we conceive them to have been, by the extraordinary claims of your late Council. We appreciate too highly, the incatimable bles-sings we enjoy under our benign Government, where the rights and privileges of all are well known and defined; to dirregard any attempt at infringement, whether it may be simed at the Crown or the people; and we therefore hesitate not to express our firm belief, that if the extravagant demands made upon your Excellency had been granted, Monarchial Institutions on this Continent must soon have ceased to exist.

We indulge the confident expectation, that the noble stand your Excellency has taken, will meet be suitably rewarded. the approbation of our Most Gracious and beloved Queen; and that the loyal people of British North America, will be ever ready to rally round her Majesty's Representative, in maintaining principles so conducive to the happiness of the subject, and the safety, honor, and dignity of the Crown.
