WONDERFUL EFFECTS OF SANDS'S SARSAPA-

BILLA IN NORWICH, CONN.

Best the following from Mrs. War, Phillips, who has ong resided at the Falls. The facts are well known to all the old residents in that part of the city.

Meyers, A. B. Samis & Co.—Sire: Most gratefully the enhance thus opportunity for stating to you the great relief I obtained from the new of your Sursaparalla. I shall also be happy, through you, to publish to all who are allieful, as I lately was, the meaning affector. Municipal grateful, it is a larger while despited affects. Municipality and even for a long whole despited affects. Municipality and it is a parallel story, and fixing and acknown as is the magnifice of it, for the sake of many who may be an surrely refered, I will have fly yet accurately state (i).

Note by your age last Aports at it of sake took me with an Exystate contains. Disapsied collections means

Note been years ago less April a. III of suckness both me with an Exysage has compition. Droppined collections unsubstately from place over the entire surface of my body, causing such on enlargement that it was necessary to add a half yard to the size of my dresses around the waste. Next followed, upon my limbs, alreas, points beyond description. For years, both in summer and wanter, the only mitigation of my suffering was found in pouring strom those parts cold water. For year my kinds the pean extended over my whole body,—These was theratly for me on rest by day or night. Upon lying dress those peans would shoul through my system, and compel me in array, and he hours together, water, and the my my that I was almost entirely deprived at sleep. Buring this time the Erysageles conditioned arists, and for two and a half years they have been subject to biveling. Draing these mans twenty years I have consulted many physicians. These love called my dimension in my side-se dropping transmitted and active point in my side-se dropping transmittion; and though they level here skilled practitioners, they were only able to afford my case a purital and to important refer. I lead many other difficulties two complicated in describe. I have also used many at the mathrines that has, the necessary mans and a my and the property to be for the collection.
