THE CANADA COMPANY have for disposal about the stated QUANTITY OF LAND mentioned in the printed Lists of this Date. They consist of Lots of from 100 to 200 Acres each, scattered throughout the Country, and most of them situated in the WESTERN DISTRICT; and of a very extensive and important Territory, of 800,000 Acres in the HURON DISTRICT, situated 90 Miles South of Owen's Sound, and are highly beneficial to the Settlers.

THE Rents payable 1st February, in each year, being less than the interest upon the Price. Thus, for example, suppose the purchase money for 100 Acres to be £25,000, which is £250 per acre, the Rent required thereon is £3; full power being secured to the Settler to purchase the Land he occupies at any time during the term, upon payment of the price stated in the Lease. The Company will make a liberal Allowance upon the price, according to the period when the Settler pays, by anticipation, the Amount, and thereby save himself from further Rent.
