conducting a FARMING BUSINESS
on the Huron Tract.

Eight Hundred Thousand
ACRES OF LAND
IN THE
HURON TRACT.
NOTICE TO OLD SETTLERS EMIGRANTS
AND OTHERS.

THE CANADA COMPANY

H HAVE again thrown open all their
lands in the HURON Tract for dis-
posal, by way of LEASE for TEN
YEARS—NO ONE BEING RE-
QUIRED DOWN. The Rent payable on
the 1st February in each year, is not much
more than the interest upon the upset
price of the Land—the right to purchase the
Freehold at any time within the ten years,
at a fixed price named in the Lease, is se-
cured to the Settler, who would thus save
all further payments of Rents.

The Huron District is known to be one
of the most healthy and fertile Tracts of
Land in Canada—it has more than doubled
its population within four years. The
Huron Tract in the year 1842, contained
7101 souls—in June last year, the Huron
District numbered 14,983 souls, according
to the Official Returns.

The above Lands are in blocks, therefore,
affording facility for the undivided settle-
ment of Families, of old Settlers and their
Friends.

Maps, Printed particulars, and every re-
quisite information upon the Huron and
the Canada Company's other Lands in the
Province, will be furnished FREE OR
CHARGE, by application (if by letter post-
paid) to the Canada Company's Office, at
Toronto, and Goderich and Stratford, in
the Huron District.
