Kingston, Dec. 18th, 183.

Elegant Soupt Type.

THE SUBSCRIBER OFFERS FOR SALE, At the Albany Type Foundry, No. 3 Liberty Street, on the most favorable terms, every variety of Printing Types, together with Cuts, Brass Rule, Cases, Galleys, Chases, Composing-Sticks and printing utensils generally. ALSO, a new English Script of which the Caption and Signature of this are Specimens, and a new Great Primer Script cut in similar style.

These founts were got up with great care and expense, and are believed to be decidedly superior to any others cast in this country. They were cut from the latest London scripts, and on the most ap RESPECTFULLY informs the Ladies and Gencomplete, exhibiting that perfect connexion of the letters in imitation of writing, which can be effected by no other method; and completely avoiding that broken and disconnected appearance of script cast trifle worn. The plan on which these founts are cut is so systematic, that the composition and distribution are nearly or quite as simple as that of

plain letter. Script has, besides, been very objectionable as t the body; it being cast either on a square body, and most of the letters having of course some part of the face projecting over the side, and very liable to break; or being on a plain inclined body, and with are completely obviated in the present founts-the letter being on an inclined booly, the face cannot lars apply to break offlike that on square body-and the type being cast with a notch and shoulder in the sides, is kept in line as easily as type of square body.

These founts require a common pair of cases only, with a few of the lower case boxes divided Each fount will be accompanied with a plan of the cases, and the necessary directions. And cases of the first quality, with the boxes divided in the proper manner, will be furnished, when ordered.

pounds of the English script is sufficient for a mort gage, and about half that quantity is generally suf- public. ficient for common jobs. Of the Great Primer, about one quarter more is required.
