I can have no hesitation whatever, at your request, to inform you, that the notice alluded to respecting the Welland canal, is inserted in the Gazette by desire of Mr. Clark, at the Falls. INFORMATION IS WANTED

OF Eliza Galbraith who, with her brother, left the residence of her parent in Lower Canada last fall to reside a few months in : his province. On arriving Welch, a widow lady, who then kept a public house, while her brother proceeded farther up the country to stop during the winter He immediately wrote to ling aught of the above, will confer an obligation on her but received no answer. He returned home this a wife and four children, by addressing a letter dispring, and on his way called at the above mentioned place for his sister, but he ne ther could find her, or gain any satisfactory information from the wo nan with whom she had lived concerning her, and who to his most auxious inquiries, gave but very indifferent and evasive answers. From the period of her stopping at Mrs. Welch's to the present time, her friends have not received the least intelligence as to her fate, or place of residence if living, which leads to the suspicion that there may be some foul play in her case.

The object of this notice is to request the authorities of Prescott to investigate the affair and communicate the result to the Editor of the British American Journal.

Elizabeth Galbraith is a native of Ireland, about twenty years of age, tall and well formed, black hair, dark blue eyes and light complexion-some-what freckled-and of unexceptionable moral character; wore, when she left home, a leghorn bonnet and a white lace veil. EXTRACT FROM MR. STEWART'S PAPER, THE INDE-PENDENT EXAMINER, AUGUST 231, 1828. TRIAL OF MR. KIBBON FOR MURDER. - "His Lordship hav ing commented on the evidence and explained the law to the ary in a very able manner, they retired and in a few minutes

esturned with a verdict of not guilty. "As the prisoner was about to be discharged, a circumstane occurred in the court which ruffled the feelings of many. "We were among the number of discontents, and meant to animadvert on the subject very severely; but as the AMENDE HONORABLE has since been PUBLICLY made, we shall take no further notice of it. We mention it now with no other view than that the gentlemen who felt hurt, and who had left the town before the close of the court may know that a full and satisfactory atonement was offered."

EXTRACT FROM A LETTER IN THE KINGSTON CHRO-

NICLE, MAY 30th, 1831, SIGNED JOHN STEWART. In 1828 Mr. Hagerman was Judge of Assize for this circuit. A trial came on before him, in the court house of Perth, for riotous and disorderly conduct of some of my misguided countrymen then employed on the Canal, at the Hog's Back, and, I believe, for murder, as one life had been lost. In summing up the evidence and charging the Jury, Mr. Hagerman regretted that a people, so generous, frank and warm hearted as the Irish, should suffer their passions so far to get the ascendency. as to drive them to such acts of outrageous violence. He like wise reprobated, in strong terms, the sectional and party feelings, which unfortunately exist among too many of my countryinen, and under the momentary impulse of which, they are frequently guilty of the most deplorable excesses; and, in the conclusion, he asserted, that the conduct of such ungovernable spirits was so galling to the feelings of all orderly and respecpable Irishmen, as to make them blush for the land of their ma-

that Mr. Hagerman made an apology to a party of gentlemen, who waited upon him for an explanation. It is true that some Irichmen misunderstood him, and that there was a good deal of desultory conversation among them respecting the tenor of his charge. Henry Graham, Esquire, of this place, and myself were casually with him on the evening of the same day and upon our mentioning the misconstruction of his language which some of our sensitive friends entertained, he declared that so far from attempting to wound the feelings of the Irish, there was no people whom he would more willingly serve and conciliate, as the best and the truest friends he had eve numbered were Irishmen.
