

TO AGRICULTURISTS.
200,000 BUSHELS
OF COARSE GRAIN
WANTED ANNUALLY.

The Subscriber having now completed, and ready for operation, his new and extensive Distilling Establishment, which is intended to consume FIVE HUNDRED Bushels of Grain daily—together in connection with his Brewing Establishment, will require TWO HUNDRED THOUSAND Bushels of Grain annually, and wishes to acquaint the Farmers generally, that they can now depend on at all times a steady market for the Sale of Coarse Grain of every description, at the highest Cash prices, and trusts that this new and extensive opening for the consumption of Produce, which has hitherto been but limited, will meet with a spirit of enterprise on the part of each Farmer to supply the desired quantity, thereby securing to the Country the circulation of a large amount of Cash, which no doubt our American neighbours would like very well to pocket.

JAMES MORTON,
Kingston Brewery & Distillery, January 3d, 1814.

SUPERIOR ALE & BEER

AT THE CITY BREWERY.

THE CITY BREWERY COMPANY now have in their Cellars a large Stock of Bottled Ale, which they recommend to *Innkeepers and Private Families*, for its quality and cheapness. The quality being nothing inferior to that of Allora or Edinburgh Ale, and the price but 6s. 3d. per dozen, exclusive of Bottles. A discount of 10 per cent. being allowed on purchases exceeding 3 dozen.

Their BEER is so generally and favourably received, that they deem it unnecessary to say anything in commendation of it, and any quantity over 5 gallons is now sold by them at the reduced price of 10s. per gallon; the 5 gallon Cask held at the usual price of 1s.

Kingston, 20th January, 1814.

From the *Argus Americanus*, No. 1, 1813.

The new City Brewery well deserves notice. They are following hard, this Establishment, on our Celebrated Albany Brewery in the manufacture of a very superior article of Ale."
