**AN article that every Family must consider indispensable when they know its power and value, and which has hitherto been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being, may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert, without the possibility of contradiction, that ALL Burns and Scalds, EVERY EXTERNAL SORE, or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes—saving life, limb, or scar. No cure can be effected if this is applied, unless the vitals are destroyed by the accident. It is truly magical, in appearance, in its effects. Enquire for "Connell's Magical Pain Extract or Salve," at Connell & Co's, 21 Cortlandt Street, New York. Price 25 cents, or four times as much for 50 cents, and near ten times as much for a Dollar. We assure you, on the responsibility of our characters, that sympathy for human suffering induces, at least in part, our earnest solicitation that a simple remedy should be made in any affliction named below. We think it not ungrateful or too much to say, that nothing like it, or in any degree so effectual, has ever been discovered in Medicine. You will please observe it is no "sovereign remedy for all complaints," but only intended for External application and will cure the following:—Burns, Scalds, Frost Bites, Chills, Itchings, Chafe or Galls, Chaps, Tetter, Pimple, Blotch, Felon, Ulcer, Sprains, Erysipelas, Stabs, Cuts, Bruises, Strain, Ear and Tooth-ache, Mumps, Sore Throat, Sore Gums, Whitlow, Piles, Ringworm, Salt Rheum, Barber's Itch, Cutaneous, Eruption, Sore Eyes and Lids, Weak Sight, Sore Lips, Punctures, Bites and Warts, Fever Sores, Pain in Back and Side, Tender Feet, Inflammatory Rheumatism, Tic Dolorous, Ague in Face and Breast, Perverse Old Burn Scars, Pocky Heat, Inflamed Skin, Broken Boils, Sore Nipples, Rough Hands, Blistered Surfaces, Dressing for Blisters, White Swelling, Cold in Wounds, Sore Corns, General Scurvy, Smallpox Marks. Though we have named numerous affections, experience has taught us that they are not too many. It will be necessary to know the name of the article called Connell's is the only one we can recommend; but must caution against some imitations that we have reason to believe are of no use, but injurious. We will present it to the poor who have actual need of it, and whom you may send for it. Remember it is CONNELL'S Magical Pain Extract.**

All Country Merchants are requested to take it to their Towns on commission, as the greatest blessing to mankind that has been discovered in Medicine. This is strong language, but you may depend its power will fully justify it. Call on all the Agents for a pamphlet gratis to all, and very interesting, also the names of all the Clergymen in New York. CAUTION.—Be sure and get Connell's, as counterfeits and worthless appear under other names. See that it is direct from Connell & Co., or never touch it. COMSTOCK & Co. Physicians and Chemists.

**SUPERIOR QUALITY, & HALF PRICE, FOR THE CURE OF** Scrofula, General Rheumatism, General Debility, Catarrhus Vesicae, Sore Eruptions of the Skin, Tetter, Mercurial and Syphilitic Diseases, Bites, from an impure habit of body, Ulcerations of the Throat and Lungs, Pains and Swellings of the Bones, Liver Affections, Pimples or Pustules on the Face, and all Diseases arising from an impure state of the Blood, Expansive and Impediments in Life, Excessive Use of Mercury, &c. The great popularity of Sarsaparilla, and its established efficacy, render it superfluous to enter into any eulogium of its virtues, or adduce any evidence in its favor. The Sarsaparilla is warranted positively as good as any other that can be made in Canada. To be had of the agents of Comstock and Co., only, throughout the country in New York City, at 21, Cortlandt Street.

**THE REASON.** Some people are foolish enough to believe that we cannot afford to make as good an article of Sarsaparilla Extract and sell it for 50 cents per bottle as 25 per dozen, as all others that sell for just double that money. The simple fact is, that all will now be convinced. While Five Hundred dollars are squandered by others in a column or two of advertisements, we do not spend Five. Therefore we make the public pay but half as much for as good or better article as any one else, the real cost in making the article is probably more than others, as we use nothing but the best Sarsaparilla Root, &c. We sell these bottles to one of the dollar priced bottles, now the public know what we charge for it, and its virtues are such as not to require half a newspaper to sustain its reputation. Inquire always for Comstock & Co's Sarsaparilla, at Five Cents, and have no other. Sold by Comstock & Co., 21 Cortlandt Street, New York.
