The great p-pulmity of Sar-aparilla, and its Highland Hospitality, established efficacy, result it superfluous to enter into any encommon of its virtues, or adduce any avidence in its layor. The Surespanilla is warranted positively as good as any other that can be made at One Dol-lar, at just half the price of those so much ad-

THE REASON. Some people are foolish abough to believe that we cannot afford to make as good on article of Sarsaparilla Exuact and zell it for 50 conts per buttle or \$5 per dozen, as all others that sell for just double that money. The simple fact is thin, and all will now be convinced. While Five Hundred dollars are squaudered by others in a column or two of advertisements, we do not spend Five. Therefore we make the public pay is probably more than others; its we use nothing but the best Sarsapardla Root, &c. We sell three buttles to one of the dollar prival buttles, now the public know what we charge for it, and its virtues are such as not to require half a newspaper to sustain its reputation.
