FROM TWO TO EIGHT TIMES CHEAPER THAN BEFORE.

AN article that every Family must consider indispensable when they know its power and value, and which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every body, may be enabled to get it, and get it still lower than before, if they are not satisfied with its use. We warrant, without the possibility of contradiction, that ALL BEANS AND SEEDS, EVERY FOREIGN SORT, of fresh, and all external parts and colors, no matter where, shall be reduced to one of five or five minutes—saving life, limb, or soul. No one can be fat if this is applied, unless the vitals are destroyed by the accident. It is truly magical, to appear in its effects. It is known by "Council's Medical Plan, Extract of Sassa, at Montreal & Co., 21 Cornhill Street, New York. Price 25 cents, or four times as much for 50 cents, and ten times as much for a Dollar.

We assure you, on the responsibility of our characters, that sympathy for human suffering induces, at least in part, our earnest solicitation that a single trial should be made in any affliction named below. We think it not impudent or too much to say, that nothing like it, or any lesser so efficacious, has ever been discovered in Medicine.

You will please observe it is not "merely" a remedy for all complaints; but only intended for External application and will cure the following: Burns, Scalds, Frost-bites, Chills, Blains, Claps or Galls, Chaps, Yellows, Pimples, Itch, Piles, Ulcers, Sprains, Erysipelas, Nails, Cuts, Bruises, Swellings, Ears and Toothaches, Wounds, Stings, Blisters, Windsores, Windsores, Piles, Ringworm, Salt Rheum, Bubbles, Itch, Carbuncles, Eruptions, Sun-burns and Lads, Weak Sight, Skin Lumps, Tumors, Blisters and Warts, Fever Sores, Pain in Back and Side, Tender Feet, Humors, Rheumatism, the Cholera, Ague in Face and Breast, Fever Sores, Old Sores, Scars, Prickly Heat, Itching Skin, Broken Breast, Sore Nipples, Rough Hands, Blisters on Surfaces, Dressing to Blisters, White Swellings, Cold in Wounds, Sore Gums, General Sores, Smallpox Marks.

Though we have named numerous affections, more, it will be necessary to know that this article called Cassia, is the only one we warrant to cure all the above mentioned affections, and that we have reason to believe are of more, but important. We will present it to the poor who are a natural need of it, and whom you may see at the point of sale, being at the corner of Pan Extra-ter.

All Country Merchants are requested to take it to their Towns on commission, as the greatest inducement to make it known to the people. This is a strong inducement, for you may depend on the point of sale, being at the corner of Pan Extra-ter, and all the Agents for a prompt gratification, and every interesting, also the names of all the Clergymen in New York.

Cassia is the sure and get Council's, as common and worthless appear under other names. See that it is direct from Cornhill & Co., or never better.
