How consoling, then, is the consciousness of having been the instrument of rescaing thousands from misery to those who possess it. What an amount of suffering can be prevented, by the use of Sand's Sarsapur-lle! The unfortunate victim of hereditary di-ease, with swellen glands, contracted sinews and bones half curious, have been restored to health and vigor. The following certificate, recently received, was addressed to our agent in Madison, Ga. I tried remedy after remedy, but they all availed nothing, until I ob-tained a bottle of Sands' Sursaparells, which I found benefited me very much. I continued its use until I had taken eight bottles, when ores there is; it entirely eradicates the posson from the system. After four years of almost continual suff-ring, I now find myself a well man-entirely recovered.
