THE REASON. Some nearly tre findish enough to believe that Atternive, or Pargative Medicine may be required. we cannot affect to make as good an article of Sarsaparilla Extract and sell it for 50 cents per hotele or \$5 per Juzen, as all others that sell for just double that money. The simple fact is this, and all will now be convinced. While Five Hundred doll ware squandered by others in a column or two of advertisements, we do not spend Five. Unerefore we make the public pay but half as much for as good or better article as any one else, the real cost in making the article is probably more than others, as we use nothing but the best Strangarilla Root.
