FOR BILIOUS COMPLAINTS, Poins a the Head, Giddiness, Sickness, Jaundice, Flatulency, Obstructions, Habitual Confinement of the Bowels, &c.

DR. BARKER'S LAXATIVE PILLS. OF the numerous diseases to which the human frame is liable, there is scarcely one, the symptoms of which are not seriously aggravated by a confined state of the Bowels, and TO THIS ALONE their extensive Stock of scarcely one, the symptoms of which are many owe their origin and continuance.

primary importance, that every degree assortment of Lidies Shawls, Balzarine, Musof neglect is followed by more or less of inconvenience or suffering. When of inconvenience or suffering. When Satin Tures, Gig de Nap and French Silks, habitual costiveness prevails the cheerful Striped and Fanty Bonnet Silks, English and vigor of health is soon impared, someof inconvenience or suffering. When times by slow degrees, and at other Rice and Dunstable Straw Bonnets, Parasols times more rapidly, diseases make their in every variety. A complete and extensive inroads on the constitution; and in assortment of Hostery Haberdashery and numberless instances, particularly where Small Wares. the habits are sedentary, or where free living is indulged, permanent ill health is the painful result. It must be obvious to the most superficial observer, that when the functions of nature now alluded to are not performed with due refrom art. Aperient Medicines then be-come indispensably necessary, (except Cantoon, Tweed and Cashmeret Palto Coats. where the use of fruits, or a change in the mode of living may suffice for removing the evil,) and must be had recourse to until the necessity for such

But it is a question of considerable importance, what Laxative shall be employed? The list of Aperient Medicines is numerous, but their effects on the system vary considerably ; some exert their influence chiefly on the exha- ous, as regards Low Prices and Quality of lant vessels, or on some part of the bow- Goods. Call and examine for yourselves. els only, whilst the action of others extends more or less to the whole of the intestinal canal. The latter class of aperients is evidently the best adapted to obviate the habitual confinement of the Bowels, as they apply that additional excitement, which nature then requires to assist her in the performance of her

accustomed functions. It is precisely on this latter principle that the Pills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking a larger or smaller quantity, they not only furnish an Aperient Medicine proper for general use in a Family, but are also well calculated to answer most o which is perfectly safe, and so pleasanthat children will also well calculated to answer most on mot refuse to take it. It effectually destroys WORMS; the purposes for which purgative remendently or sourcess of the stomach, increases

lays the foundation of much suffering forthose occasional obstructions to which all are liable, and for all those disorders which arise from an overloaded state o the stomach and alimentary canal. Consequently decided benefit will be deriv-As a hierantive and departive preparation, combining all the medical virtues of those strikes, which long experience has proved to provide a first and the medical virtues of those strikes, which long experience has proved to provide a first and the medical virtues of those strikes, which long experience has proved to provide a first and the medical virtues of the most experience, which long experience is of the decre, serons and indolent tumours, rheumainent, gout, scarry, neuralgia or its-daulocreux, cancer, softre or branchoscel, lawelled neck, unlargements of the book or ugaments, or of the overlee, ket-not accompanied with Nausea, joint of the control of the book or ugaments, or of the overlee, ket-not accompanied with Nausea, joint of the first blood or other failed of the book of the strike proved that, as an Aperient, t'ey are proved that, as an Aperient, t'ey are one of the sale of the above Medicines in their operation—and experience has proved that, as an Aperient, t'ey are ed from their use in Giddiness and Pains proved that, as an Aperient, t'ey are safe and efficacious, may be taken by dults and children, and also in every stage of pregnancy. To children of five years of age and unwards, they may be readily given in pulp of apple, orange. or jelly, and thus disguised, they are much more easy of exhibition than Powders or other disagreeable medicines. DIRECTIONS FOR TAKING THE PILLS.

Bilious Complaints, Foul Stomach, rangements for his future supplies to be &c .- Three Pills to be taken at Bed time furnished of the Choicest description and repeated next night if necessary. Headache, sickness of the Stomach -

Obstinate Costiveness .- Three Pills to be taken at any time needed, and reness. He therefore respectfully solicits peated every six hours until relief is ob-

ained. The usual dose for ordinary persons is hree Pills, but four Pills may be taken by a person of strong habit of body; and two Pills may be given to delicate women and children.

Sold in Boxes, at 71d., 1s. 3d., and 2s.

By comparing the Rates of Table 1 and 2, it will be seen that according to the Alternative Plan. somewhat less than two thirds of the whole Life Premium is in general required in the first instance; the difference being afterwards made up. either by a gradual increase of Premium, during a given or, period, by a corresponding gradual reduction of the sum Assured; the option, in every case, being given to the Policy holder of selecting the mode which may best suit his object or convenience.

The necessary forms, and every requisite information, as to the mode of effecting Assurances may be obtained, eitherby lotter, or personal applica-

Mem .- These Rates Sterling-with Premium of Exchange added. Kingston, May 3, 1845. 35-if ONE MILLION AND A HALF ACRES OF LAND IN UPPER CANADA.

TO OLD SETTLERS, EMIGRANTS, AND OTHERS,

THE CANADA COMPANY offer about the above stated quantity of Land. particularizachimathoin Brimselliicecofiliasdate. Ht.consists of Lots of from 100 to 200 Acres each, scattered throughout the country-of Blocks containing from 1,000 to 10,000 Acres in the Western District, and of a very important territory of 700,000 in the Huron Tract-90 miles South of Owen's Sound.

These Lands are offered on the most advantageous and beneficial terms to suit the means or views of Settlers of every description-they may be had for Cash down-one-fifth Cash, and the remainder of the Purchase Money in five Annual Instalments, with interest- or by way of LEASE for TEN YEARS-NO MONEY BEING REQUIRED DOWN. The Rents payable 1st February in each year - being equal to about the interest upon the present value of the Land. The peculiarity of the Company's Leases, is, that under them the Company's Settler has secured to him the entire benefit of his improvements, and increased value of the Land, -as he is guaranteed the right of purchase of the Land at a fixed price named in the Lease, at which he may, at any time during the Ten Years, demand the Deed for the Freehold : thus, for example, by paying the moderate Annual Rent of \$12 and no more, upon 100 Acres of Land now selling at 10s. per acre, he secures the use of the Land for Ten Years, and then, if he chooses, he may purchase or reject it altogether, as he may find it to his advan-

tage.—the option being entirely with the Lessee. The SETTLERS' SAVINGS BANK, by which the Company allow their Lessees Interest at 6 per cent. per annum on Munics deposited, - the amount being always at their disposal without notice, with daily interest accrued,-will nis Friends and the Public, that he enable the provident and industrious Scutler to accumulate sufficient means to purchase the Lend he Leases, if he choose so to do

By the EMIGRANTS' DEPOSIT BANK, the Company allow INTEREST at the rate of 4 per cent. per annum, upon monies deposited by Emigrants, for any period not less than 90 days - the money being always at the disposal of the limigrant without notice. The Company will REMIT any sum of money for SETTLERS to their Friends at HOME, by placing the amounts in the hands of the parties for whom they are destined free of all cost, expense and risk, accompanied by every kind of useful

information upon Canada. Last year the Company sent home in this manner, £4,141 12s. 7d. from 265 Settlers. The Company will REMIT any sum of money from EUROPE to CANADA, by Letters of Credit upon their Commissioners in the Province. Every kind of information upon Canada, and Directions that can be useful to

intending Emigrants, can be obtained, free of erpense, at the Company's Office, St. Helen's Place, - London. The new Printed Lists (to be seen at every Post Office and Store in Upper Cannda), and any information can be obtained, free of charge, upon application (if by letter, post-paid) at the Company's Office, Goderich, as regards the Huran Lands-at Frederick Street, Toronto, as regards all other Lands-Remittanecs

and Deposits of Money, &c. CANADA COMPANY'S OFFICE, Frederick Street, Toronto, 2nd June, 1845.
