It cures sore eyes, cases cancers, frequently removes them without pain or ageny, speedily allays inflamation and reduces swellings, and is a salve none should be without. The following remarkable case was furnished us quite recently, and hundreds of others equally wonderful, (many even more so,) might be added, but for want of room we leave them out.

A child, a nephew of a friend of mine, step ped into a vessel of boiling water, and scalded its leg up to the knee, when Connell's Pain Extractor from Comstock's was applied, which almost instantly gave relief to the little sufferer, and soon entirely cured it. Also, a child of my own burned its hand severely, and I used this Salve, which gave instant relief, and directed, namely : cured it entirely, and I for one could not be induced to be without it. I think every family should keep it on hand to use in case of

WORMS! WORMS!! WORMS!! COMSTOCK'S VERMIFUGE.

This remedy for Worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts from children and

Thousands perish by worms without the real cause being known. Some other reason is assigned for their sickness until too late to core the true cause.

What immense responsibility then tests upon the parent who does not know, and the ductor who does not understand the complaint which is destroying those precious flowers of life-What should be done?

The answer is plain. Give this Vermi-

fuge, which will be sure to do good, it they have no worms, and if they have it will destroy and eradicate with a certainty and precision truly astonishing. It cannot harm the smallest infant or the

strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges; but rely upon this. Every person will be convinced on one trial that it is the most perfect cure ever invented.

We call on all good citizens to make known the effects of this wenderful remedy.

REMARKABLE CURE OF DEAFNESS. From the Philadelphia Spirit of the Times.

Mr. P. N. Lyman, 53 Commerce street, was cured of a total deafness of fifteen years standing, by a few flasks of Dr. McNair's Accoustic Oil. He had a short time before returned from Boston, where he had spent \$75, had the tonsils of his ears taken out, and many other experiments tried with the faculty, but without success. He had also spent over \$100 in the city, to the faculty, but he was left in the same state when they were through. He then in despair thought he would try one more thing before he gave it up, and procured a flask of Dr. McNair's Accoustic Oil, and he is cured.

The list of Aperient Medicines is numerous, but their effects on the system vary considerably ; some exert their influence chiefly on the exhalant vessels, or on some part of the bow- ous, as regards Low Prices and Quality of els only, whilst the action of others ex-tends more or less to the whole of the Kingston, June 19, 1845. tends more or less to the whole of the intestinal canal. The latter class of aperients is evidently the best adapted to obviate the habitual confinement of the Bowels, as they apply that additional excitement, which nature then requires to assist her in the performance of her accustomed functions.

It is precisely on this latter principle that the Pills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking a larger or smaller quantity, they not only furnish an Aperient Medicine proper for general use in a Family, but are also well calculated to answer most o. the purposes for which purgative remedies are necessary.
