FOR BILIOUS COMPLAINTS, Pains a the Head, Giddiness, Sickness, Jaundice, Flatulency, Obstructions, Habitual Confinement of the Bowels, &c.

DR. BARKER'S LAXATIVE PILLS. OF the numerous diseases to which the human frame is liable, there is scarcely one, the symptoms of which are not seriously aggravated by a confined state of the Bowels, and to this Alone ceived, by various Vissels from Great Britain, their extensive Stock of scarcely one, the symptoms of which are many owe their origin and continuance. The preserving the alimentary Canal free from obstruction, is a point of such primary importance, that every degree assortment of Ladies Shawls, Balzarine, Musof neglect is followed by more or less lin and Organdi Dress, printed, plain, and of inconvenience or suffering. When figured Lamas, 3 4 and 6 4, black and colored

habitual costiveness prevails the cheerful Satin Tures, Gro de Nap and French Silks vigor of health is soon impared, some- Striped and Fancy Emnet Silks, English and aparilla. This pure extract is put up in as times by slow degrees, and at other French Bonnet and rap Ribbands, Rutland. Large or larger bottles as any sold for one dollar, times more rapidly, diseases make their in every variety. A complete and extensive at the unprecedented low price of 2s. 6d. per inroads on the constitution; and in assortment of Hostary Haberdashery and numberless instances, particularly where Small Wates. the habits are sedentary, or where free living is indulged, permanent ill health beg to draw attention to their immense is the painful result. It must be obvious to the most superficial observer, that when the functions of nature now alluded to are not performed with due regularity, assistance must be obtained come indispensably necessary, (except the mode of living may suffice for removing the evil,) and must be had recourse to until the necessity for such

aid ceases. But it is a question of considerable importance, what Laxative shall be employed? The list of Aperient Mediines is numerous, but their effects on derful, (many even more so,) might be added, els only, whilst the action of others extends more or less to the whole of the intestinal canal. The latter class of ape rients is evidently the best adapted to obviate the habitual confinement of the

It is precisely on this latter principle that the Pills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking a larger or smaller quantity, they not only furnish an Aperient Medicine proper for general use in a Family, but are also well calculated to answer most o. the purposes for which purgative remedies are necessary.

The Pills are not, however, recom mended as a SPECIFIC for the cure o. ALL diseases; such preposterous statements are worse than ridiculous, and real cause being known. Some other reason are only put forth for deception. But is assigned for their sickness until too late to they will prove a Valuable Remedy for that confined state of the Bowels which The superior quality of this article is well What immense responsibility then rests upon lays the foundation of much suffering. the parent who does not know, and the doctor furthoso occasional obstructions to which all are liable, and for all those disorders which arise from an overloaded state o. the answer is plain. Give this Vermi-bequently abouthu benefit will be derivfuge, which will be sure to do good, if they ed from their use in Giddiness and Pains have no worms, and if they have it will de- in the Head, accompanied with Nausea, or Sickness; in all Head-Aches where or Sickness; in all Head-Aches where JAS. DR. JAYNE'S FAMILY MEDICINES.

Kingston, May 3, 1845.

JAYNE'S EXPECTORANT. This invaluable medicine is daily effecting some of the most automishing and wonderful cures that have ever been known. All who have used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croppor Hives, Con unprion, Chronic Pleurisy, Housestern, Pain and Seconds of the Breast, Difficulty of Breathing, and every other disease of the LUNGS and Rickast, can and do attent in a medianess—BRON-CHITIS, minease which is amounty everying thousands to a premiure ray everying thousands to a premiure ray everying thousands. openthousands to a premature grave under the mistakes name of CONSUMITION, is always cared by it.—
The usual symptoms of the disease [Sronchits] are Usugh Soreness of the Isage or Throat, Houseness, Deficulty of Strenthing, Asthan, Heetic Fever, aspitting up of phlegm or matter, and sometimes blood. It is an Inflamminant the facekin which lines the inside of the whole of the weather turbed or other weathers. infinitional for the extra which their inside of the whole of the word tubes or air was-ele, which runshrough every part of the Lauge. This Expectorant innerdiately suppressed the Couch and Frin, subduce the Influent tion and Fever, removes the Difficulty of Brenthing, by producing a free and casy Expectoration, so that a current second reflected.

seons rifected. In fact, as a remedy in Polmonary Diseases, no medi- material, he can confidently recommend the AREMEDY

Whichnever fails if used as directed, and which every family should always have in their bouses. JAYNE'S CARMINATIVE BALSAM. JAYNE'S CARMINATIVE BALSAM, Is a certain, rafe and effectual remedy for Dyscatery, distribute, or lon-eness, choices meeting, summer complaint, colic, grieping pain, not stomach, strik and nervone headache, heartharn, waterstrach, pain or sickness of the stomach, vomings, epiting up of food after cating, and also where it pusses through the body unchanged, what of appetite, realless ness and indicity to story, wind in the stomach and howely, hysterice, crump, nervous tremore and twitchings, see sickness, faintings, melancholy and towness of spirits, fretting and crying of intuits, and for all

spirite, fretting and crosing of infants, and for all BOWEL AFFECTIONS and NERVOUS DIS-EASES. EASES.

This is one of the most efficient, pleasant, and suf-compositions eer afforted to the public for the cure of the various decongenicate of the Staunch and Howels, untille only article worthy of the trust confidence for curing CHOLERA INFANTUM or SUMMER COM-PLAINT; and in all the above discusses it really acts

like a charm.

All persons are requested to try it, for without exception it is the merculuable family medicine everyweak fluored. Hundreds, may thousands, of certificates have been received from Physicians, therepare, and families of the fine respectability, bearing the strongest testimony in its favor, too superous to publish. AMERICAN HAIR DYE.

JAYNE'S HAIR TONIC,

WORMS! WORMS!! WORMS!!! Of all diseases to which children are exposed, Of all diseases to which children are exposed, some are so fatal to them as worms. Un'ortunately, children are settlen free from them, and as they indistre the symptoms of almost everyother complaint, they often produce alterning effects without being suspected. Worms are not only a cause of disease themselves, but by their irritation angravates all other diseases, wandering from one part office body to another, winding themselves up into large halfs and obstructing the bowels, and frequently the threat, causing convulsions, and too often death. The bestremedy everyor known is

DR. JAYNE'S TONIC VERMIFUGE,
which is not feel to the production of the disease of the production of the produc

DR. JAYNE'S TONIC VERBITFOGE, which isperfectly safe, and so pleasant that children will not refuse to take it. It effectually destroys WORMS; acutralizes acidity or anarross of the stomach, increases specific, and acts as a general, and permanent Tone, and is therefore exceedingly heartfeind in Intermittent and Remainent Pevers, Indirection, &c., and is a custain and permanent cure for FEVER and AGUE.

It not only destroys Worms, and investment whole system, but it dissolves and investment of the soperabundant sline or much soprepentially of those in badbealth. This marasforms the bod, or next in which worms produce their young 1 and by removing it—it is impossible for
