The British Whig,

AND GENERAL ADVERTISER FOR CANADA WEST.
VOL. XVI. KINGSTON, CANADA, FRIDAY, JANUARY 22, 1847. NO. 7.

NEW FALL AND WINTER GOODS.
A. & D. SHAW,
IN THE NEW BUILDING ADJOINING THE GLASGOW WAREHOUSE,
SECOND AND THIRD DOORS BELOW WELLINGTON STREET.

THE SUBSCRIBERS respectfully intimate to the inhabitants of Kingston, and
the public generally, that
THEY HAVE REMOVED
To the above premises, where they now offer for Sale, the largest and most varied
assortment of

STAPLE AND FANCY DRY GOODS,
They have yet imported, comprising every description of
WOLLEN, COTTON, AND SILK MANUFACTURES,
Adapted to the present and approaching Seasons, which having been purchased
by them in the London, Manchester and Glasgow Markets, and received by the
different regular Fall Ships arrived at Montreal in course of last month, will
be found on inspection, replete with the

NEWEST AND MOST FASHIONABLE GOODS
That have yet been imported, and from the facilities they possess as
A REGULAR IMPORTING HOUSE,
Every inducement is presented to purchasers that a New and Fresh Stock, laid
in under the many advantages that a buyer in British Markets can command, they
feel warranted in stating it will be found second to no House in the Trade, in price,
variety, and quality.

October, 1846. A. & D. SHAW.

WM. A. THOMSON,
COMMISSION AND IMPORTING MERCHANT,
51 Broad Street, New York.

WILL continue to give attention to
Canadian Imports consigned to
him at New York, for forwarding to
Canada; and also to the Shipment or
Sale of such Canadian Products as may
seek this Port for export or sale.
Merchants who may be pleased to
avail themselves of his services in New
York should, in ordering their Goods,
send his address to their European ship-
pers, instructing them to send a duplicate
Invoice and Bill of Lading to him; and
it should be observed, that the Invoices
of goods intended for the New York
route, ought to show the charges on same
until on ship-board at the port of exportation.
In Invoices each Case should be
added up separately and extended to
the outside column. The mixing up in
Invoices of the contents of more than
one package—the packing of a whole
Invoice indiscriminately—or of more than
one Invoice in the same case, are all
points to be carefully avoided.
The recent changes in the Custom
Laws of the United States, while re-
quiring new forms, have much simplified
the system of re-forwarding goods to
Canada. No cash advance is now re-
quired; a Bond of Import and Export
from the Consignee being the substi-
tute. Nor under the ad valorem duties
of the New Tariff, will packages have
to be opened for measuring or weighing
as formerly, under the specific duties
which characterized the Tariff of 1842.
To the improvement in the Customs
Department, may be added the expe-
rience of the past season, as further
assurance to Canadian Importers, that
they may rely on the New York route
being one by which they can hereafter
receive their goods with certain rapidity
and economy.
