TEMPORARY OFFICES-6, Bargo Yard, Bucklershury. Our wast and widely extended Colonial Posses

sions, daily becoming more and more densely pospled by Emigrants, are for the most part shut out from the henefit of Assurance, where such a provision is essentially requisite for the safety of the Stock and the protection of families, frequently left unprovided for in a strange land by the death f friends or relatives. The Colonies have, from time to time, enjoyed

the benefit of Banks, Railroad Companies, Jucorporated Church Societies, Emigration, Colonising Steam Navigation, and other Associated Roses but, as yet, have possessed in a very limited and nied that the period has now arrived when their hopes by strict attention to the comfort of wealth, extent, and growing importance, domand his guests, to merit a continuation of the Consumption, can be cured by this medicine. Office for their ne-tection and benefit, devoted to very liberal patronage which this Hotel The usual symptoms of this disease. (Bronthe union alities appropriated address of Americans, i having its outlying Branches in all our principal able management of the former Proprietor, Throat, hourseness, difficulty of breathing, Settlements in the four quarters of the world .-Some few of agradder settled Colonies have their Local Assurance Offices, conducted for the most part on the mutual principle; but from their being catablished on a very limited basis, with circumscribed ospital and small experience, any great columity, such as an extensive fire or a sickly sea on, usually entails min on the Office, and falls heavily on the Insurers: moreover, the limited nature of the business transacted in each Colony demands that a higher rate of premium should be exacted than the risk absolutely requires. Losses which would sadly impair the stability and prosfrom the extent of its Capital, the number of its

and very little of that amount subscribed, have recently established a few Agencies in Canada, India and Anstralia; but they have founded their rates of premium upon the returns of mortality among among the British and Indian Troops on foreign tion as regards Civilians and Colonists generally, whose liabits and occupations are essentially different. These Offices resorted doubtless to such imperfect and defective sources of colculation, because no others were within their reach; but, from a careful investigation at the Colonial Office of voluminous returns of the progress of population, and others precured with great labor, from local Agents, of the deaths in each Colony for a series of years, as furnished by the parish registers :-- by consulting the best authorities as to climate, and making due allowance for the progressive improvement effected by drainage, extended cultivation,by a complete and perfect analysis of casualities from numerous official and exclusive returns obtained from the various Local Clergy, Boards of Health, &c., tables of mortality have been framed for each of our Desendencies, and the decrement of human life so precisely ascertained, that much lower rates can be taken with safety than have

being so widely spread.

peretufore been charged. have been obtained, from which more equitable Plane.) rates have been computed than have heretofore

been adopted. The establishment of a General Assurance Office for the Colonies, in London, on a broad and comprehensive basis, with an umply subscribed Capital, under the business management of Direc. tors largely identified and thoroughly conversant with Colonial affairs, founded upon approved and satisfactory data, with revised and much reduced rates of premium-having moreover the advantage of an active, influential, and efficient Local Board of Management in each of our Settlements abroad, must necessarily result in benefit to the Assurers, shether in the branches of Fire, Lie, or Marine, The Dwellings, Warehouses, and Buildings

usually erected in the Colonies are, for the most part, constructed of less substantial materials than those in older countries, and the Stores, are generally stocked with valuable goods; and yet no means of indemnification are at present afforded to owners of property of this kind against the ravages of fire. The present difficulty and expense of effecting Insurance undoubtedly deter many from availing themselves of the means of protection GENUINE, at the Atheneum Drug Store. who would otherwise gladly do so. The advantages of such an Institution as the

Colonial, will, it is believed, he felt and acknow. edged by all, bringing, as it will do, the benefits of Fire and Life Assurance, on the most economical and equitable principles, home to the opportunities of all. This is a matter of serious moment, and one which concerns, in a greater or less Drug Store, Bagot Street Kingston, viz: legree, every individual member of society .-The many recent calumitons tires in the Colonies, particularly in New Foundland, New Brunswick. from an impure state of the blood. Canada, Antigue, Barbados, &c., most loudly call upon those unprotected by Insurance to give atton. tion to the opportunities afforded to indomnify Coughs, Colds, Asthma, Consumption, &c. themselves against loss.

The Capital of the Company is One Million, which will be continually augmenting as its business progresses, thus constituting a large permanent fund for the benefit and security of all parties interested, and affording the most unexceptionable indemnification to those who may transact business with the Company. The number and influence of its Directors and Proprietors, at home and abroad, place it on a level with the most eligible Offices in Ringworm, Cancer, Itch, &c. the Kingdom, with respect to the advantages offered to the public, and afford a sufficient guarantee for its full and complete success, as well us of the character and responsibility of the Institution. The great local and general experience, logether with the reputation and respectability of the Gen-

tlemen acting on the London and Local Boards, and the benefit of the results of all the existing COLONIAL, FOREIGN, AND GENERAL Offices in Great Britain, in America, in the Colonice and on the Continent, which has been taken advantage of, will be fully appreciated by all who investigate the bong fide character of this Office. A comparison of the rates adopted by this Comnany for each Colony, with those of existing Lon-

on and Colonial Offices, is solicited. The Assured are subject to no responsibility whatever, as in Mutual Offices.

Losses will be adjusted and made payable either n Landon or the Colonies, at the option of the The Company having the advantage of Resi-

lent Directors in each Colony, will be enabled to distinguish itself by its promptness in the settlement of claims made upon it. The Colonial Boards will have full power to examine and report upon Lives and Fire Assur-J. P. MAYERS, Esq., Colonial Agent for ances, and receive or refuse them at once, without communicating with the Home Board.

The following are among the advantages offered y the Colonial :-1. The guarantee of an ample Capital, and exway accountable for the Payment of Claims 2. Very moderate Premiums, founded upon the

most recent and authentic data, carofully calculated by an Actuary. 3. Prompt Settlement of Claims. 4. The responsibility and confidence afforded by

5. Residence in any part of the world at proportionate rates. 6. Small Charge for Management. Applications for Allotments of Shares may made in the following form, and addressed to P
