TEMPORARY OFFICES-6, Bargo Yard,

Bucklersbury. Our vast and widely extended Colonial Possesirms, daily becoming more and more denrely out from the benefit of Assurance, where such a riching Gravios and Snups. provision is essentially requisite for the safety of

The Colonies have, from time to time, enjoyed the benefit of Banks, Railroad Companies, Incorporated Church Societies, Emigration, Colonising, Steam Navigation, and other Associated Bodies, but, as yet, have possessed in a very limited and imperfect degree, any Provident Institutions adapted to Insurance for Fire and Life. It cannot be denied that the period has now arrived when their wealth, extent, and growing importance, demand that they seemed pressure a special detroposition Office for their protection and benefit, devoted to Market Square ; and by Mr. R. McCormick, chitis) are cough, bareness of the Lungs or the now duly appreciated objects of Assurance, JUSTRECEIVED AT THE ATHENEUM having its outlying Branches in all our principal Some few of our older-settled Colonies have their Local Assurance Offices, conducted for the most part on the mutual principle ; but from their being established on a very limited basis, with circumscribed capital and small experience, any great calamity, such as an extensive fire or a sickly sea son, usually entails ruin on the Office, and falls begs leave to introduce and recommend as demands that a higher rate of premium should be of Public Support. exacted than the risk absolutely requires. Losses which would sailly impair the stability and pros-

perity, of many valuable Local Offices, would have

little effect on the Colonial Assurance Company. from the extent of its Capital, the number of its Shareholders, and the circumstance of its risks being so widely spread.
One or two London Offices, withsmall Capitals, and very little of that amount subscribed, have recently established a few Agencies in Canada, India and Australia; but they have founded their rates service-a very unsatisfactory source of computation as regards Civilians and Colonists generally. LARGE assortment of Steel Pens, by whose habits and occupations are essentially distributed by ferent. These Offices resorted doubtless to such very liberal patronage which this Hotel should feel a great desire to investigate, to BRICK BUILDING lately occupied by cause no others were within their reach; but, from a careful investigation at the Colonial Office of voluminous returns of the progress of population, and others procured with great labor, from local Agents, of the deaths in each Colony for a series of years, as furnished by the parish registers :-- by consulting the best authorities as to climate, and making due allowance for the progressive improvement effected by drainage, extended cultivation,-

hy a complete and perfect analysis of casualities, from numerous official and explusive returns obtained from the various Local Clergy, Boards of Health, &c., tables of mortality have been framed for each of our Dependencies, and the decreasent

The establishment of a General Assurance Office for the Colonies, in London, on a broad and comprehensive basis, with an amply subscribed Capital, under the business management of Direcsatisfactory data, with revised and much reduced rates of premium -having moreover the advantage of an active, influential, and efficient Local Board of Management in each of our Settlements abroad, | nent. must necessarily result in benefit to the Assurers, whether in the branches of Fire, Life, or Marine.

The Dwellings, Warehouses, and Buildings usually erected in the Colonies are, for the most procure. bining the qualities of the finest Writing Paper part, constructed of less substantial materials than those in older countries, and the Stores, are generally stocked with valuable goods; and yet ENVELOPE," whereby the use of Wax or no means of indemnification are at present afforded to owners of property of this kind against the A supply of the above, of all sizes, just re- ravages of fire. The present difficulty and expense Baggage carried free of expense. of effecting Insurance undoubtedly deter many

> who would otherwise gladly do so. The advantages of such an Institution as the COLONIAL Will, it is believed, he felt and acknowledged by all, bringing, as it will do, the benefits of Fire and Life Assurance, on the most economiext and equitable principles, home to the opportunities of all. This is a matter of serious moment, and one which concerns, to a greater or less legree, every individual member of society .-The many recent calamitous fires in the Colonies. particularly in New Foundland, New Brunswick Canada, Antigua, Barbades, &c., most loudly call upon those unprotected by Insurance to give atten-

tion to the opportunities afforded to indemnify

The Capital of the Company is One Million A FEW COPIES of Mr. Dick's beautiful ness progresses, thus constituting a large permanent fund for the benefit and security of all parties with the Company. The number and influence of its Directors and Proprietors, at home and abroad, place it on a level with the most oligible Offices in the Kingdom, with respect to the advantages offered to the public, and afford a sufficient guarantee 100 BAGA SPORED SALT, for for its full and complete success, as well as of the character and responsibility of the Institution. The great local and general experience, together

tlemen acting on the Lundon and Lucal Boards. and the benefit of the results of all the existing COLONIAL, POREIGN, AND GENERAL Offices in Great Britain, in America, in the Colonics and on the Continent, which has been taken advantage of, will be fully appreciated by all who investigate the bong fide character of this Office. A comparison of the rates adopted by this Com-

many for each Colony, with those of existing London and Colonial Offices, is solicited. The Assured are subject to no responsibility whatever, as in Mutual Offices. Lasses will be adjusted and made pavable either

each; With a Reserve for Shareholders in the in London or the Colonies, at the option of the The Company having the advantage of Resi dent Directors in each Colony, will be enabled to distinguish itself by its promptness in the settle-

ment of claims made upon it. The Colonial Boards will have full power to examine and report upon Lives and Fire Assurances, and receive or refuse them at once, without

omnunicating with the Home Board. The following are among the advantages offered by the Colonial:-1. The guarantee of an ample Capital, and ex-

way accountable for the Payment of Claims 2. Very moderate Premiums, founded upon the most recent and authentic data, carefully calculated by an Actuary. 3. Prompt Settlement of Claims,

4. The responsibility and confidence afforded by a Local Direction in each Colony. 5. Residence in any part of the world at proportionate rates.

6. Small Charge for Management. Applications for Allotmonts of Shares may be made in the following form, and addressed to P Company's Temporary Offices, 6, Barge Yard, use the ARCANCM EXTRACT without Bucklersbury, London. FORM OF APPICATION FOR SHARES To the Directors of the Colonial, Foreign, and

DR. BARKER'S

LAXATIVE PILLS.

F the numerous diseases to which the human frame is tiable, there is scarcely one, the symptoms of which are not seriously aggravated by a confined state of the Bowels, and To THIS ALONE many owe their origin and continuance. The preserving the alimentary Canal free from obstruction, is a point of such primary importance, that every degree of neglect is followed by more or less of inconvenience or suffering. When igor of health is soon impared, sometimes by slow degrees, and at other times more rapidly, diseases make their to Order numberless instances, particularly where the habits are sedentary, or where free living is indulged, permanent ill health requiring is the painful result. It must be obvious serve t to the most superficial observer, that when the functions of nature now alluded to are not performed with due regularity, assistance must be obtained from art. Aperient Medicines then be come indispensably necessary, (except where the use of fruits, or a change in the mode of living may suffice for removing the evil,) and must be had recourse to until the necessity for such

aid ceases. Butit is a question of considerable importance, what Laxative shall be employed? The list of Aperient Medicines is numerous, but their effects on The best remedy over yet discovered for Worms. the system vary considerably; some exert their influence chiefly on the exhalant vessels, or on some part of the howels only, whilst the action of others ex- flammatory, Sciatic and Chronic Rhumatism. tends more or less to the whole of the intestinal canal. The latter class of ape rients is evidently the best adapted to obviate the habitual confinement of the Bowels, as they apply that additional Piles. excitement, Which nature then requires to assist her in the performance of her

accustomed functions. Itis precisely on this latter principle that the Pills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking | Drug Store, Bagot Street. able management of the former Proprietor, unture, and to draw from that source that Onlario Streets, and directly opposite the a larger or smaller quantity, they not per for general use in a Family, but are also well calculated to answer most o. the purposes for which purgative remedies are necessary.

> The Pills are not, however, recom. mended as a SPECIFIC for the cure of ALL diseases; such preposterous statements are worse than ridiculous, and are only put forth for deception. But Drug Store, Bagot Street. they will prove a Valuable Remedy for that confined state of the Bowels which lays the foundation of much suffering, all are liable, and for all those disorders THE PUBLIC can be fully assured of forthose occasional obstructions to which which arise from an overloaded state of GENUINE, at the Atheneum Drug Store. the stomach and alimentary canal. Consequently decided benefit will be derived from their use in Giddiness and Pains in the Head, accompanied with Nausea, or Sickness; in all Head-Aches where Costiveness prevails; in Flatulencies, NISH, in Pints and Quarts, by the Bilious Attacks, the commencement or dozen or single bottle. Country Mer-Cholic, the early stages of Jaundice, and chants supplied on reasonable terms. in promoting the expulsion of Worms. They require no confinement or change in the diet -moderate exercise will assist their operation—and experience has ANDFOR SALE ATTHE ATHENEUMBOOK STORE palatable, no child will refuse to take it, And also, -A greatvariety of Songs and Pieces | proved that, as an Aperient, they are safe and officacious, may be taken by adults and children, and also in every stage of pregnancy. To children of five years of age and upwards, they may be readily given in pulp of apple, orange, or jelly, and thus disguised, they are The Mysteries of the Heaths, by Soulie much more casy of exhibition than Pow-The History of the Bastile, by Davenport, ders or other disagreeable medicines.
