bleak clearance of a few neres would be trans- ADDRESS TO LORD ELGIN FROM THE McFarlane like to be called " an adventurer ?" formed into a rich and well cultivated farm when the humble shanty would be replaced by the frame, brick, or stone dwelling; when better than all, the location ticket itself would be replaced by a fee simple right of soil !-Aye! great and sunny are the days to come of the young husband and wife, as they sit to flis Excellency the Earl of Elgin on his arrival down on the spots where they destine so san- in this Province. guinely for their future home. Again I repeat. few attain to so much bliss !-- and why this is the effect--what is the cause? cause there must be -- a powerful and propelling cause, to induce men to leave the better for the worseto forego the communion of their fellow men, and plunge themselves further into the dark abyss of the howling wilderness! I believe Benjamin Seymour, Esq., M. P. P., decided it to in the drawing-room. The band of the Rifle and plunge themselves further into the dark the real cause is that already alluded to-want be carried. of a just and necessary protection in law for wherewith to labor for himself individually, B. Merrill, and incidentally for the whole community of which he is a member. To illustrate this yet more clearly, pray turn for a moment to the actual circumstances under which seventyseven in a hundred settlements are made, and it will be very apparent how many suffer by the want of any legal covering in the day of

To the wealthy, stay at home inhabitants of city or town it would be difficult to gain credit were I to tell how limited are the means used in turning our Canadian torests into what may be properly designated Canada proper. Look at the catalogue of an ordinarily comfortable settler's goods and chattles : there we have his Carried. cow or two; his small flock of sheep, say half a dozen; a pig or two; a few axes and Irging chains: it may be his potash kettle and cool- which was adopted, viz: ers, and to close all, a small stock of provisions, and the indispensable yoke of oxen .-Now, it must be borne in mind that nearly two years must pass before a crop from a new settlement can be obtained. Need it surprise uny man that most settlers require help to live and keep up their improvements until help can be had from their own labors? Do they not require a renewal of implements? Do they not require clothing and work from the shuemaker, the blacksmith, &c. &c.? And do they not field? Yes, they must of necessity go into gratulations on your arrival in the Province of Cadebt. What else can they do? Stand still is made, and on your assumption of the government impossible. And need it he told that most is caught sapping. How many are the casualties which may prevent him from redeeming his promise? His ashes of which he is to realise the first dollar from his farm, may be first crop, may be blasted—or his oven be fine country.

It would be out of place, on the present occasion. go on thus? the "best laid schemes" of the "Jeft him?" sorrow and want! Some few allowed to express our hopes, that when the imporamong his creditors, more needy, more greedy, or more timorous than the others, have taken the alarm-their claim has not been met at on his track, an! he must be run down! His quater the notice of the Legislature. is now public property, and he may be set and every one of his creditors such unfeeling and cruel men as to be void of every manly and generous feeling? Are there none among them capable of appreciating the exertions of

none willing to step in and extend the helping be saing of the Almighty, be crowned with success, hand to the drowning man? Yes, truly, there so that your Excellency may have the prood satis, no doubt are among his creditors those who faction of indulging in the gratifying reflection feel keenly, and would act generously for that your Administration has fostered those feelings him, but alas! they dare not-they cannot of bralty and attachment to our beloved Queen, with safety to themselves, or with benefit to which we trust will never be absent from any Ca-Line of oil time their treams to keen, himself touten breast as well as promoted our happiness the reason obvious? Were any among them bute to your own comfort and that of Lady Elgin. 16th. -M. to put grain or cattle in his hands to enable him to plough and sow and reap, and finally pay every man his dues who would be benefited ? the debtor ? No, nor his kind creditor, for no somer han he done so than the most! callons and unfeeling among his creditors would 'present the Address. rush on him and scatter the whole to the fourwinds of heaven! And all for little or nothing seconded by Dr Stewart, of Bath, over costs. Yet each thinks he may, without any unkind feelings to his debtor, sten in and form soid deputation. divide, as far as it goes, his all, with his other creditors. And does this system, by which thousands and thousands of industrious debtors are stopped in their valuable labors, yearly present the Address. beneficial to their creditors ? Do they receive a dollar in every pound from those whose misfortune it is to break through the ice thus? Are H. Miller, Esq., were appointed Tellers to decide, their goods not habitually dragged to the fron- which they did, and declared the amendment to tier townships, over roads little better than the be carried. notorious " brush path" of the Rocky Mountains, and there sold for a very trifle? Yes, a Capt. Jackson, very trifle. Canada is not proverbially flush in ready money; and in the very oldest townships, even George Robins himself would find Dr. Beamish, it something of a tough task to bring a fair bid for the homely stuff of the poor settler, B. Marks, Esq., for his able and impartial conduct Sentinel, dated July 31, 1845 : never intended for any place more refined than in the Chair. his own shanty. And as to raising money from that in which most of his wealth is contered, and for which most of his liabilities have been incurred, his clearance, why that is all but | SIDNEY WARNER, valueless at the hammer! that cannot be dragged to market at any cost. And while such is the return honest creditors receive in lieu of the expected payments, what is the now houseless coalition ministry is on the eve of formation in related to us by Dr. Herrick, an eminent physician solvent Court for the Midland District, ged to market at any cost. Smith, Cophas H. Miller, Capt. Jackson, Dr Bea-

mish, A, Thibodo, Jas. Baker, and Dr. Barker-The Committee having retired for a few minates, returned and reported the following Address,

## AUDRESS

To His Excellency the Right Honorable James, Earl of Elgin and Kincardine, Governor Gene ral of British North America, and Captain

MAY IT PLEASE YOUR EXCELLENCY. We, Her Majesty's faithful subjects, the Inhab tants of the Midland District, in Public Meeting assembled, beg to convey to your Excellency the require seed to sow to put in their first cleared expressions of your most sincere and hearty con-

We feel satisfied that in conferring this exalted men see things a little brighter in prospective appointment on your Excellency, our beloved than in actual enjoyment? Can it surprise us | Sovereign felt assured that she could not more office. to know that the set day of reckoning hurries tually promote the happiness and prosperity of the on with such giant strides that the poor debtor inhabitants of Canada, and we have every confidence that your Excellency will so administer the Government as to carry out, to the fullest extent, the intentions which guided Her Majesty in select. ing you for so important a trust, by endeavoring to the atmost of your power, to benefit Her subjects, washed away in a night-his kettle may burst and by fostering and encouraging all measures on the very act of "melting"-his crop, his tending to ercute or increase the resources of this

to specify three measures in which the province in toor woodsnau go as often "agee" as those general, and this District in particular, is none of any monse or man. And what has he immediately interested; but we may, perhaps, be tent subject of the internal improvements is under consideration, the necessity of connecting the Prede of the River Ottawa with the Capital of our maturity—their debtor is a villain, and must be lumbered down!—Society must be relieved from such a monster, and forthwith his steps from such a monster, and forthwith his steps from such a monster, and forthwith his steps from which we had reason to believe Peterboro'; E. Morgoolle and lady.

WALKER, Carrying on customers as with the history of the late from such a monster, and forthwith his steps from which we had reason to believe Peterboro'; E. Morgoolle and lady.

WALKER, Carrying on customers as with BARNS, Shebs and every necessary limitation, is now DISSOLVED.

Forward the late from which we had reason to believe Peterboro'; E. Morgoolle and lady.

Full particulars may be learned on ap-
