THE OPENING OF THE NAVIGATION .-During the past few days, the season has advanced prodigiously. The ice in the channel the end of the present week. Lower down the St. Lawrence, we hear of the ice being still firm, and teams are yet passing between Brockville and Prescott. The weather has not been very favorable lately-frosty nights and cold windy days-still the prospects are good for a very early resumption of business. places, and no attempts have yet been made Turkeys & couple, 7 6 @

C' Sr. GRORGE's DAY .- The usual preparations are being made to soremnize the gland. In the morning of Friday, 23rd inst., obtain the promotion to which both by English the St. George's Society will proceed to St. be preached by the Rev. Mr. Herchmer; and can submit to such an insult it is difficult to in the evening, the Society, with their guests, to whatever treatment is given them. We shall awaits them. As is usual on this day, the Society, and their guests, will dine with that sterling Englishman (Mr. Thomas Bamford) at of a harmonious or hilamous description.

. We have been assured by persons who hold high office in the St. George's Society, Mr. Robinson. Sir Allan McNul's warrant was that there is nothing in its Constitution to prewith the Society, provided they do not go as choice of the Dinner they may wish to dine at.

THE SPRING Assizes .- The Court of Queen's Bench commences its sittings to-day His Honor Judge Jones presides in place of Judge Hagerman, originally appointed to this circuit, but whose severe illness prevents his laid over from the Sessions. Mr. Draper conducts the Crown Business.

LES MILLES COLONNES .- We congratulate the lovers of good things upon the return to town of our old friend, and every body's old friend, Mr. John Belanger, who, in one of Mr. Cook, part Confectioner, part Cafe, and part Salon, under the name and appropriate designation of " Les Milles Colonnes." When we six years have affinied him their patronsumed the management of this addition to the The Cakes, the Oyster Patties, the Breakfasts, the Lunches, the Wines, the Liqueurs, and the thousand other things that John Belanger alone ences; they are again become realities, too substantial to be lightly prized. When the subcum dignitate, he let his mantle fall upon wor- The Lambton House. thy shoulders; but however excellent his sucpursuits, of an old and valued caterer to the public taste. May he live a thousand years, and may his shadow never be less!

SHIPMENT OF FLOUR TO OSWEGO .-- I stated currently, that several vessels from Canadian ports, on Lake Ontario, have been freighted with Flonr to Oswego, thence to pass hough the Erie Canal to New York or Boston. We believe the report to be true, but cannot wouch for it. Should the practice ecome general, it will prove a bitter blow to Kingston and the Forwarders. It has however been hinted, that these shipments have been made, partly as experiments, and partly with a view to raise money. On this subject the Montreal Herold of the 10th says-" We know it to be a fact, that merchants are now holding large parcels of produce at Buffalo. and other Western ports, which are waiting the decision of our Legislature, whether they go to To be Licutements: Benjamin Aylesworth, Montreal or New York. The whole thing Henry McLean, Samuel D. Purdy, William J. now hinges on a trifle, and, we shall see in a month, whether Montreal is to be the rival of New York, or sink into insignificance."

and port Sarnia, has been taken by Messes. Livingston & Wells of Buffalo. It is intended given. Apply to to use iron rods instead of copper, weight 330 lbs. to the mile, and 25 posts. The weight of the copper wire used on the line from here to Queenston is 120 lbs. to the mile, and 36 posts. Hamilton Com. Adn.

To We are every to learn that a son of Mr. David Cordingly, of Toront s township, came to nis death in a sudden and melancholy manner.
