October 26th. FOR BILIOUS COMPLAINTS Pains a the Head, Giddiness, Sickness, Jaundice, Flatulency, Obstructions. Habitual

Confinement of the Bowels, &c,

DR. BARKER'S LAXATIVE PILLS. OF the numerous diseases to which the human frame is liable, there is scarcely one, the symptoms of which are Removing DYSPEPTIC INFLUENCES, not seriously aggravated by a confined state of the Bowels, and TO THIS ALONE French and other Scientific Academies: a Commany owe their origin and continuance. The preserving the atimentary Canal free from obstruction, is a point of such primary importance, that every degree or QUIINE, and any one who are suffering of neglect is followed by more or less from DISEASED LIVER, or an injudicious of inconvenience or suffering. When treatment of any of the above liseases should habitual costiveness prevails the cheerful vigor of health is soon impared, sometimes by slow degrees, and at other times more rapidly, diseases make their inroads on the constitution; and in numberlessinstances, particularly where the habits are sedentary, or where free for hauling out and repairing Burges, &c .: living is indulged, permanent ill health and by moderate charges and strict atto the most superficial observer, that of public patronage. The Proprietors of the ARCANUM EX- | when the functions of nature now al FRACT have had this medicine used in all Inded to are not performed with duo rethe above discases with the most gratifying gularity, assistance must be obtained from art. Aperient Medicines then be come indispensably necessary, (except, where the use of fruits, or a change in the mode of living may suffice for re-

> Butit is aquestion of considerable importance, what Laxative shall be employed? The list of Aperient Medicines is numerous, but their effects on ert their influence chiefly on the exhalant vessels, or on some part of the howintestinalcanal. The latter class of ape obviate the habitual confinement of the Bowels, as they apply that additional excitement, which nature then requires

to assist herin the performance of her accustomed functions. Itis precisely on thislatter principle that the Pills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking | The Huron Tract in the year 1842, cona larger or smaller quantity, they not only furnish an Aperient Medicine pro-

dies are necessary. The Pills are not, however, recom. mended as a SPECIFIC for the cure of ALL diseases; such preposterous statements are worse than ridiculous, and are only put forth for deception. But they will prove a Valuable Remedy for that confined state of the Bowels which lays the foundation of much suffering, now able to gratify, and present this medicine forthoseoccasional obstructions to which to the public with full confidence of its being all are liable, and for all those disorders Frederick St., Toronto, 1st Jan'y 1847. which arise from an overloaded state of the stomach and alimentary canal. Consequently decided benefit will be derived from their use in Giddiness and Pains Providence, has not afflicted His children with in the Head, accompanied with Nausea, ling Community, that he has leased the pain and disease, without at the same time or Sickness; in all Head-Aches where Bagot Street Kingston, viz: above well known Establishment, and giving them something in the garden of nature Costiveness prevails; in Flatulencies, . WINER'S ARCANUM EXTRACT-For the hopes by strict attention to the comfort of that will not only medicate, but in many cases Bilious Attacks, the commencement or speedy and part mancet cure of all diseases arising his guests, to merit a continuation of the entirely relieve them. With these views Cholic, the early stages of Jaundice, and in promoting the expulsion of Worms. They require no confinement or change utture, and to draw from that source that in the diet -moderate exercise will asinstruction which the wisdom of man has sist their operation-and experience has proved that, as an Aperient, tley are In presenting this article to the public, the safe and efficacious, may be taken by adults and children, and also in every stage of pregnancy. To children of five several ingredients, should takethe place of years of age and upwards, they may be thousands of irresponsible nostrums of the readily given in pulp of apple, orange, or jelly, and thus disguised, they are much more easy of exhibition than Powders or other disagreeable medicines. DIRECTIONS FOR TAKING THE PILLS.
