DONEGANA'S HOTEL

1847.

THE Propietor of this Establishment, which may now be said to have no rival on the Continent of America, bega to return to his nu-merous Priends and Patrons, his most sincere thanks, for the support so generously accorded to him, since his removal from St. Paul Street, to the present Establishment, in NOTEE DAME STREET.

(The boose formerly the property of WH. BING-HAM, Esq., and afterwards the Vice-Regal resi-dence of Lords Denkan and Synemics.) During the past year the whole of this MMBNSE ESTABLISHMENT Has been completed in the first style of decoration, and with every provision for the comfort of visitors. The FURNITURE is of the most enally description, and the provision for Atten-dance of such a description as more to resemble the arrangements in the Mansion of a man of rank and fortune, than those usually met with in

THE SITUATION Is central, and within an easy distance of the Champ de Mars, the Cathedrals, Bishop's Church and Palace, the Banks, the Government Offices, and Palace, the Banks, the Government Offices, the Mess Houses of the different Regiments, and Offices of the different Military Departments, the City Hall, Court House and other public buildings. It is on an elevated site, with abandance of air and light, and has from its front a splendid view over the magnificent expanse of the mighty St. Lawrence, while the eye is relieved by the deep delis and wooded shades of the beautiful Island of St. Helen's and the distant mountains of the Eastern Townships.

Among the conveniences will be found SIX BATHING ROOMS.

BILLIARD ROOM. The TABLE will be supplied with every deli-ency of the season, and while the proprietor will caables him to accommodate, will admit of his charges being very reasonable.

CARRIAGES Will 55 always in attendance to convey parties to and from the Steamboat Wharves, and the Up. Proprietor will spare no exertion to make his New Establishment continue worthy of the liberal patronage which he received as Lessee of Resco's.

J. M. DONEGANA.

May, 1847. QUEEN'S COLLEGE SCHOOL.

MR. W. A. ROSS. WILL RE OPEN Queen's Cullege School, on MONDAY, 23rd May, and it is earnestly requested that parents

and guardians will loose no time in enrolling pupils. In this Institution, although originally founded chiefly for the purpose of pre-Tring candidates for admission into Queen's College, instruction will be given to all who desire it, in the usual branches of an English, Commercial and Mathematicel, as well as Classical Education. A Class will be formed at the opening of the Session for the Rudiments of the Latin

Language. Terms may be learned from the Revd Mr. Machar, Principal of the College, or from the Revd. Prof. Romanes, or the Revd. Prof. Williamson.

Mr. ROSS has been employed in the work of Teaching for some years, and some of the most distinguished Studenta at Queen's College, owe to him that previous training which has enabled them to prosecute their studies at the University with such success. Both from our knowledge of his talents and scholarship, and from the proof we have had of his eminent abilities as a Teacher, in the young men whom he has sent to College, we are enabled with the fullest confidence to recommend him to such parents as desire to secure the advantage of a thorough Education for their children.

FOR BILIOUS COMPLAINTS Pains a the Head, Giddiness, Sickness, Janndice, Platulency, Obstructions Habituel Confinement of the Bowels, Sc, DR. BARKER'S

LAXATIVE PILLS. OF the numerous diseases to which the human frame is riable, there is scarcely one, the symptoms of which are not seriously aggravated by a confined state of the Bowels, and TO THIS ALONE many owe their origin and continuance. The proserving the atimentary Canal freefrom obstruction, is a point of such of negloctis followed by more or less lile, with observations on Insensible Perspiraof inconvenience or suffering. When habitualcostivenessprovailsthe cheerful vigor of health is soon impared, some- culation. times by slow degrees, and at other numberlussinstances, particularly where for sale at the Athensum Rook Store, N. the habits are sedentary, or where free living is indulged, permanent ill health is the painful result. It must be obvious every description; Pickles, Sauces, Macca- to the most superficial observer, that when the functions of nature now alluded to are not performed with due regularity, assistance must be obtained fromart. Aperient Medicines then be co no indispensably necessary, (except where the use of fruits, or a change in Herrings, Digby and Lubeck Herrings, Whitefish the mode of living may suffice for re-

movingthe ovil,) and must be had recourse to until the necessity for such portance, what Laxative shall be employed? The list of Aperiont Medicines is numerous, but their effects on the system yes considerable commence then an inflamation of the fine ship ert their influence chiefly on the exhalant vessels. or on some part of the how- wind tuhes, or air vessels which ran through els only, whilst the action of others ex- every part of the Lungs. tends more or leasto the whole of the intestinal canal. The latter class of upe rients is evidently the best adapted to obviate the habitual confinement of the the development of their active powers and ACRES OF LAND Bowels, as they apply that additional pulmonaric qualities, which the proprietors are excitement, which nature then requires now able to gratify, and present this medicine to assist herin the performance of her to the public with full confidence of its being accustomed functions.

Itis precisely on thislatter principle that the Fills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking again thrown open all their Lands a larger or smaller quantity, they not only furnish an Aperient Medicine proper for general use in a Family, but are also well calculated to answer most o. DOWN. The Rent payable on the 1st the purposes for which purgative remedies are necessary. . The Pills are not, however, recom-

mended us a SPECIFIC for the cure of ALL diseases; such preposterous statements are worse than ridiculous, and that confined state of the Bowels which lays the foundation of much suffering. forthosooccasional obstructions to which all are liable, and for all those disorders which arise from an overloaded state of the stomach and alimentary canal. Consequently decided benefit will be derived from their use in Giddiness and Pains in the Head, accompanied with Nausea. neum Book Store, N. Palmer's, and C. Heath's, or Sickness; in all Head-Aches where Kingston; and by all respectable Druggists Costivoness provails; in Flatulencies. Bilious Attacks, the commencement or Cholic, the oarly stages of Jaundice, and in promoting the expulsion of Worms. They require no confinement or change in the diet -moderate exercise will assist their operation-and experience has proved that, asan Aperient; they are adults and children, and also in every stagoof prognancy. To children of five years of age and upwards, they may be the system, and the health of the patient je eadily given in pulp of apple, orange, or jully, and thus disguised, they are much more easy of exhibition than Powders or other disagreeable medicines.

DIRECTIONS FOR TAKING THE PILLS In case of .-Bilious Complaints, Foul Stomach, &c .- Three Pilleto betaken at Bedtime, and repeated next night if necessary. Henduche, sick zesso the Stomuch -

in the morning. Obstinate Costiveness .- Three Pills owing valuable and interesting Books, by Mai', to be taken at any time needed, and reto any part of Upper or Lower Canada, at the peatedovery six hours until relief is ob

The usualdose forordinary persons is three Pills, but four Pills may be taken by a person of strong habit of body ; and two Pillsmay be given to delicate wemen and children. PREPARED AND SOLD By Dr. Barker, at the Atheneum Book

Bronchitis, a disease that is sweeping by dreds to a premature grave, under the fictitions name of Consumption, can be cured by this medicine. Butit is aquestion of considerable im- The usual symptoms of this disease. (Bronchitis) are cough, soreness of the Langs or Throat, hoarseness, difficulty of breathing. A-thms, Hectic Fever, spitting up Phlegin

Toe peculiar virtues of this compound have for a long ime attracted the attention of the medical profession and public; shd a lively interest has recently been directed to the most safe and veloable remedy ever discovered and adapted to all diseases of the Lungs, when any of the functions do not perform their natural or healthy action. It is universally believed that God, in His

Providence, has not afflicted His children with pain and disease, without at the same time giving them something in the garden of nature that will not only medicate, but in many cases entirely relieve them. With these views strongly impressed on our minds, every one should feel a great desire to investigate, to the utmost of his power, the great areits of nature, and to draw from that scurce that instruction which the wisdom of man has failed to attain.

In presenting this article to the public the are only put forth for deception. But proprietors were influenced by the hope that they will prove a Valuable Remedy for strict regard to the chemical properties of its several ingredients, should take the place of thousands of irresponsible nostroms of the day, with which the courtry is deluged.
