ecomplete slot on the British solding stain ors," a small island, ten miles from interstant apparties dignity of the British army. Many and back again. At the start the Mantilus tems is secuted and treated with unmerited had slightly the advantage, taking her place in the weather bow of her adventage; the whom they would appeal for protoction in passing to leaward, and at the and of the first in the present instance. - 16. time of war, is insulted and despised, more for stretch had gained a few hundred yants—this Present under consideration than any other advantage she maintained, increasing for taleh could be advanced. He is, in too distance each taok tell when off Cataraqui many instances, looked upon with distrust and Point, the olds in her favor were very soldness when he is no more deserving of such | considerable; but now the uncertainty of treatment than the most upright citizen. How things nautical became strikingly apparent, out It he otherwise ? How is it possible to for, to the worder of those who had witnesstell the disgraced from the apparently wellconducted soldier to Besides, the practice of sentencing soldiers to the Penitentiary is the means, not only of lowering them in the eyes of their comrades and the public, but of inplanting feelings in the breasts of the crimirais themselves bestile to the Government they serve ; and which, sooner or later, incites them to detest their colors-break their eath of allegiance to their sovereign-compelling them to suffer the miseries and reflections atwithhit on perjury and desertion.

Torre can be no doubt, but many worthy ings which a short imprisonment in the Peni-Antimy wwakens, who would otherwise have been most devoted to the interests of the Crown, and have obediently and faithfully fulfilled the sacred covenant into which they entered at the time of their enlistment. It state possible that my man of proper feeling con bear my against this wilful degradation. Les those whose duty it is to study the intereits, and not the disgrace, of the British Army; who have the power of sentencing the soldier to the Penitentiary, in preference to giring him some regimental punishment, there suited to his degree of crime ; let those witho are thus wested with this "little brief methority," fancy for a moment the effect which such unfeeling treatment might have on their own characters, supposing them subjected to similar conviction; and they will, no double preceive the deuth of degradation to which the soldier sinks while he' is forced to undergo the disgusting sentence which they have put in force against him.

Desertion-Allempting to desert-thefter offences which come under the notice of the civil power; these grimes are all and each the civil power; these grimes are all and each to die for many years to come, we hope. The often sufficient to sentence the soldier to the death of Mr. James Graham, a near neighbor Penitentiary, or to any other place of punishment that may be fixed upon; but that he
should be thrust into a prison with five hundred convicts, for what is termed the crimo of drunkenness, sayors too strongly of injustice the Emigrant Hospital and Sheds, now conto be tolerated in any parties of Her Majea-ty's dominions. It not only injures and Jegrades the soldier in the estimation of his comrades, but it must undoubtedly be the means of lexings him in the eyes of his friends at home-in the eyes of his parents, whom be is ashamed to face after being degraded in such a manner for the most trifling matter imaginable. If the affair be known, he will certainly be looked on with suspicion by his connexions; for the very fact of his having been incarcerated in a provincial prison is, of itself sufficient to induce them to supenormous crime observate his superior officers would not have fell themselves justified in

Heroing on him so severas sentence. .... ... The Breis are to blame for not taking up the matter before this. 'The fact has been sufficiently long enough before the public, to allow any persons who might feel kindly and justly disposed towards the British Soldier to for the best adapted for Post Office purposes give the subject the closest consideration, and in the steighborhood, we see no reason why to expect the practice as it really deserves. The flowest old Tories should object to it. The to expose the practice as it really deserves. I marl express a hope, in bringing this latter to a close, that some one of your confemporaties, (may not yourself ?) may take the question in hand without delay. It is one of much importance to the service-one with which the welfare of the British Soldier is so immediately connected—that it cannot fail to who possess due share of the "milk of the Montreal from 5th to 11th September, 1847. 28 man kindness," or who profess to entertain Men, 16 Tomen, 38 Boys, 35 Girls; Total 118. the least respect for the British Army. Yours faithfully, FAZIO.

Kingston, 15th Sept., 1847.
