CHEAPEST RATES OF ANY OFFICE
DOING BUSINESS IN CANADA.

Medical Relief for Kingston.

DR. THOS. W. ROBISON.

THE undersigned having been appointed to act as Agent for this Company, which has been doing business in Canada and this City since the year 1839, respectfully requests persons requiring Life Assurance, to call at his office, PRINCESS STREET,

Kingston, where Prospects and all necessary information will be given, also a variety of Tables, to meet the circumstances and convenience of applicants, can be seen.

The Rates of similar Tables in the Office doing business in this Province, are as follows:-

For an Assurance of £100

Colonial Life Assurance Co. age .29 4

.30 5 5

British Assurance Co. age .29 4

.30 5 5

These moderate Rates, (little more than sufficient to provide for losses,) put it in the power of most persons to insure, and with reference to the present state of the health of the inhabitants of the Province generally, it may be thought necessary, should the prevailing sickness increase, to decline taking any risks. It appears therefore to be a duty on those who have to provide for their families to take the timely provision of assuring their lives, and thus provide against the risk of perhaps leaving those dependent upon them, to pay the expenses of their removal, or to suffer difficulties, if not destruction.

THOMAS BRIGGS, Jr.

Agent.
